Urban Country Style Urban Country Style:

Urban Country Style Elizabeth Betts Hickman, Nancy Gent, 2007 Urban Country Style is an illustrated guide for mixing modern and vintage furnishings with a crisp clean approach and a touch of the unexpected. Hickman and Gent go beyond the generic idea of an eclectic mix and define his popular emerging style by really showing readers how to achieve not only more stylish home but a more functional one as well. At the heart of Urban Country Style is the contrast between old and new traditional and modern chic sophistication and cozy comfort: a vintage table paired with contemporary metal chairs, French doors hung on overhead tracks like barn doors and traditional wood cabinets alongside open stainless shelves all reflect the Urban Country philosophy.
