

Urban African American

J. Trotter, E. Lewis, T. Hunter

Urban African American:

Social Work Practice with African Americans in Urban Environments Rhonda Wells-Wilbon, 2015-09-08 The experiences of African Americans in urban communities are distinct from those of other ethnic groups and to be truly understood require an in depth appreciation of the interface between micro and macro level factors This sweeping text an outgrowth of a groundbreaking urban social work curriculum focuses exclusively on the African American experience through field education community engagement and practice It presents a framework for urban social work practice that encompasses a deep understanding of the challenges faced by this community From a perspective based on empowerment strengths resilience cultural competence and multiculturalism the book delivers proven strategies for social work practice with the urban African American population It facilitates the development of creative thinking skills and the ability to meet people where they are skills that are often necessary for true transformation to take root The book describes an overarching framework for understanding and practicing urban social work including definitions and theories that have critical implications for working with people in such communities It encompasses the contributions of African American pioneers regarding a response to such challenges as poverty oppression and racism Focusing on the theory practice and policy aspects of urban social work the book examines specific subsets of the urban African American population including children adults families and older adults It addresses the challenges of urban social work in relation to public health health and mental health substance abuse criminal justice and violence prevention Additionally the book discusses how to navigate the urban built environment and the intersection between African Americans and other diverse groups Chapters include outcome measures of effectiveness case studies review questions suggested activities and supplemental readings **KEY FEATURES** Fills a void in the literature on urban social work practice with African Americans Presents the outgrowth of a renowned urban curriculum field education research community engagement and practice Fulfills the requirements of the CSWE in the Educational Policy and Accreditation Standards regarding diversity Synthesizes micro mezzo and macro content in each chapter Provides contributions from African American pioneers in urban social work practice Accompanying Instructor s Manual and PowerPoint Slides *African American Urban Experience* Earl Lewis, Tera W. Hunter, 2004 **River Jordan** Joe William Trotter Jr., 2021-10-21 Since the nineteenth century the Ohio River has represented a great divide for African Americans It provided a passage to freedom along the underground railroad and during the industrial age it was a boundary between the Jim Crow South and the urban North The Ohio became known as the River Jordan symbolizing the path to the promised land In the urban centers of Pittsburgh Cincinnati Louisville and Evansville blacks faced racial hostility from outside their immediate neighborhoods as well as class color and cultural fragmentation among themselves Yet despite these pressures African Americans were able to create vibrant new communities as former agricultural workers transformed themselves into a new urban working class Unlike most studies of black urban life Trotter s work considers several cities and

compares their economic conditions demographic makeup and political and cultural conditions Beginning with the arrival of the first blacks in the Ohio Valley Trotter traces the development of African American urban centers through the civil rights movement and the developments of recent years *From TB to AIDS* David McBride,1991-01-01 McBride history and Afro American studies SUNY Binghamton describes the nature and sociomedical perceptions of the diseases that most gravely affected America's black population from the beginning of the century to the late 1980s Annotation copyrighted by Book News Inc Portland OR

The Separate City Christopher Silver,John V. Moeser,2014-07-15 A ground breaking collaborative study merging perspectives from history political science and urban planning The Separate City is a trenchant analysis of the development of the African American community in the urban South While similar in some respects to the racially defined ghettos of the North the districts in which southern blacks lived from the pre World War II era to the mid 1960s differed markedly from those of their northern counterparts The African American community in the South was and to some extent still is a physically expansive distinct and socially heterogeneous zone within the larger metropolis It found itself functioning both politically and economically as a separate city a city set apart from its predominantly white counterpart Within the separate city itself internal conflicts reflected a structural divide between an empowered black middle class and a larger group comprising the working class and the disadvantaged Even with these conflicts the South's new black leadership gained political control in many cities but it could not overcome the economic forces shaping the metropolis The persistence of a separate city admitted to the profound ineffectiveness of decades of struggle to eliminate the racial barriers with which southern urban leaders indeed all urban America continue to grapple today

The African American Urban Male's Journey to Success Mead Goedert,2016-06-14 The African American Urban Male's Journey to Success Psychoanalytic Perspectives on Race Gender and Social Class is an exploration of the interconnected nature of psychodynamics and social factors especially in relation to experiences with success Goedert uses a psychoanalytic lens to examine the roles of race gender and social class in the experiences of five professional African American men who transcended their origins in urban poverty Through rich quotes and depictions this book thematically explores the commonalities between each of their interpersonal and intrapsychic experiences and provides implications for future research policy and practice Recommended for scholars of psychology sociology social work race studies and gender studies

Manhood Development in Urban African-American Communities Robert J Jagers,Roderick J Watts,2018-10-24 One of the first books to unite practice research and theory in addressing manhood development Manhood Development in Urban African American Communities aids in the construction of more holistic and progressive notions of African American manhood Proceeding from a psychological perspective this text explores issues of culture and race as they impact on the cognitive emotional and behavioral characteristics of African American boys and men You will see how the development of self esteem and self image in African American men are specifically affected by issues of gender race culture religion and oppression You will see how the

development of self esteem and self image in African American men are specifically affected by issues of gender race culture religion The understanding of culture oppression and gender you ll gain from this book will enable you to promote the positive development of young men Manhood Development in Urban African American Communities covers theories research and intervention programs aimed at better understanding and addressing the challenges young African American men face in urban areas Psychologists sociologists social workers and all others interested in research on youth development will be captivated by the books explorations of the role of culture in the social development of African American youth cluster profiles of racial socialization beliefs giving special consideration to factors of spiritual religious coping extended family care cultural pride reinforcement and racial awareness oppression and sociopolitical development as a basis for interventions aimed at sociopolitical awareness and action findings from SQAQs Student Questionnaire on Academic Performance Cognitive Development and Social Knowledge completed by 100 participants of the RAAMUS Responsible African American Men United in Spirit Academy and their implications for future youth interventions a multi method study that explores the relationship between gender spirituality and spiritual well being and several indices of religiosity including religious participation and religious motivation a review of manhood and womanhood development in traditional African societies and the connection with contemporary development The themes of gender oppression liberation and culture found throughout Manhood Development in Urban African American Communities provide a broad scope for the inclusion of a wide range of perspectives and disciplines ranging from the psychological to the political This broad perspective will bring to light the specific ways in which we need to change things to allow our young African American men living in urban areas to form healthy positive images of themselves as individuals and as part of a greater society in which they often face grave challenges

African-American Adolescents in the Urban Community Judith Rozie-Battle, 2013-12-02 Become a more effective social worker with this outstanding volume on inner city urban youth African American Adolescents in the Urban Community Social Services Policy and Practice Interventions examines contemporary issues confronting African American youth It highlights key areas such as health education the criminal justice system and youth development strategies An essential overview of the status of urban African American youth for students professionals working with this important population and policymakers this vital book proposes policy and programming considerations for today and for the future African American Adolescents in the Urban Community is a one stop view of ways to help African American youth experience responsibility and community involvement health concerns of this population including teen pregnancy alcohol and drug addiction and limited access to health care the challenges that lie ahead for African American girls including crime poverty poor self esteem and peer pressure ways to help teenage fathers meet their financial and emotional obligations to their families police and prosecutorial policies that need to be examined and challenged to end the perception of a racially unjust system and much more

Segregation, Poverty, and Mortality in Urban African Americans Anthony P. Polednak, 1997

This book brings together the results of several studies examining mortality rates for African Americans in selected U S urban areas in relation to both social class and the degree of black white residential segregation **African American Students in Urban Schools** James L. Moore (III.),2012 ItI African American Students in Urban Schools offers readers a critical yet comprehensive examination of the issues affecting African American students outcomes in urban school systems and beyond Across disciplines including teacher education school counseling school psychology gifted education career and technical education higher education and more chapters use theoretical and conceptual analysis and research based evidence to examine the unique challenges facing urban African American students and illustrate what can be done to help This book will enable readers to better understand many of the complex and multifaceted dilemmas faced by today s urban school systems and will motivate readers to make a commitment to improve urban schools for the betterment of African American students *The Identification of Problematic Situations for Urban African American Adolescents* Lottie A. Ampy,1996 *Side Chick Problems* Solae Dehvine,2017-12-29 Being a side chick has many perks but with greatness comes sacrifice As twin sisters Donesha and Lanesha go through life they see how different they are and yet they both have the same taste in men All hell breaks loose when the sisters run into problem after problem and where there is an issue a man isn t far behind Can the sisters solve their personal issues and remain a family Find out in part 1 of Side Chick Problems an African American Romance Keywords side chick side chick romance african american romance urban books urban books free urban urban fiction urban street fiction urban african american free book freebie free book free ebook free urban books black authors free african american books free **African-American Adolescents in the Urban Community** Judith Rozie-Battle,2013-12-02 Become a more effective social worker with this outstanding volume on inner city urban youth African American Adolescents in the Urban Community Social Services Policy and Practice Interventions examines contemporary issues confronting African American youth It highlights key areas such as health education the criminal justice system and youth development strategies An essential overview of the status of urban African American youth for students professionals working with this important population and policymakers this vital book proposes policy and programming considerations for today and for the future African American Adolescents in the Urban Community is a one stop view of ways to help African American youth experience responsibility and community involvement health concerns of this population including teen pregnancy alcohol and drug addiction and limited access to health care the challenges that lie ahead for African American girls including crime poverty poor self esteem and peer pressure ways to help teenage fathers meet their financial and emotional obligations to their families police and prosecutorial policies that need to be examined and challenged to end the perception of a racially unjust system and much more **The African American Urban Experience** J. Trotter,E. Lewis,T. Hunter,2004-03-17 From the early years of the African slave trade to America blacks have lived and laboured in urban environments Yet the transformation of rural blacks into a predominantly urban people is a relatively

recent phenomenon only during World War One did African Americans move into cities in large numbers and only during World War Two did more blacks reside in cities than in the countryside By the early 1970s blacks had not only made the transition from rural to urban settings but were almost evenly distributed between the cities of the North and the West on the one hand and the South on the other In their quest for full citizenship rights economic democracy and release from an oppressive rural past black southerners turned to urban migration and employment in the nation s industrial sector as a new Promised Land or Flight from Egypt In order to illuminate these transformations in African American urban life this book brings together urban history contemporary social cultural and policy research and comparative perspectives on race ethnicity and nationality within and across national boundaries

African American Urban History since World War II Kenneth L. Kusmer, Joe W. Trotter, 2009-08-01 Historians have devoted surprisingly little attention to African American urban history of the postwar period especially compared with earlier decades Correcting this imbalance *African American Urban History since World War II* features an exciting mix of seasoned scholars and fresh new voices whose combined efforts provide the first comprehensive assessment of this important subject The first of this volume s five groundbreaking sections focuses on black migration and Latino immigration examining tensions and alliances that emerged between African Americans and other groups Exploring the challenges of residential segregation and deindustrialization later sections tackle such topics as the real estate industry s discriminatory practices the movement of middle class blacks to the suburbs and the influence of black urban activists on national employment and social welfare policies Another group of contributors examines these themes through the lens of gender chronicling deindustrialization s disproportionate impact on women and women s leading roles in movements for social change Concluding with a set of essays on black culture and consumption this volume fully realizes its goal of linking local transformations with the national and global processes that affect urban class and race relations

The Dark Side of Love Solae Dehvine, 2020-01-03 Angels and Demons sometimes look the same in the flesh its the spirit we must examine Rya Montgomery finds this out the hard way As she navigates failed relationships she tries to find her way until she almost loses her life That experience changes something in Rya she s not the same And the only person that can make it right has a name that she can t remember Her desire for true love takes her on a journey and when Rya she thinks she s found a real angel life comes in to complicate things once again Now she must choose the old comfortable way of before or the adventurous new ride of the present Read to find out about Rya and all the other interesting beings in *Dark Side of Love*

The African American Urban Male's Journey to Success Mead Goedert, 2016-06-14 The African American Urban Male s Journey to Success Psychoanalytic Perspectives on Race Gender and Social Class is an exploration of the interconnected nature of psychodynamics and social factors especially in relation to experiences with success Goedert uses a psychoanalytic lens to examine the roles of race gender and social class in the experiences of five professional African American men who transcended their origins in urban poverty Through rich quotes and depictions this book thematically

explores the commonalities between each of their interpersonal and intrapsychic experiences and provides implications for future research policy and practice Recommended for scholars of psychology sociology social work race studies and gender studies **Educational Reconstruction** Hilary N. Green,2016-04-01 Tracing the first two decades of state funded African American schools Educational Reconstruction addresses the ways in which black Richmonders black Mobilians and their white allies created developed and sustained a system of African American schools following the Civil War Hilary Green proposes a new chronology in understanding postwar African American education examining how urban African Americans demanded quality public schools from their new city and state partners Revealing the significant gains made after the departure of the Freedmen s Bureau this study reevaluates African American higher education in terms of developing a cadre of public school educator activists and highlights the centrality of urban African American protest in shaping educational decisions and policies in their respective cities and states **Urban Planning and the African-American Community**

June Manning Thomas,1997 Clarifying the historical connections between the African American population in the United States and the urban planning profession this book suggests means by which cooperation and justice may be increased Chapters examine the racial origins of zoning in US cities how Eurocentric family models have shaped planning processes of cities such as Los Angeles and diversifying planning education in order to advance the profession There is also a chapter of excerpts from court cases and government reports that have shaped or reflected the racial aspects of urban planning

Looking for Harlem Maria Balshaw,2000-12-20 Taking the incredible flowering of African American literature in the 1920s as its starting point Looking for Harlem offers a cogent and persuasive new reading of a diverse range of twentieth century black American writing From the streets subways hotels and cabarets of New York s Harlem and Chicago s Southside Maria Balshaw moves beyond the canon to encompass often neglected writing by Rudolph Fisher Wallace Thurman and Claude McKay as well as the more familiar work of Richard Wright Ralph Ellison Nella Larsen and Toni Morrison In a provocative revision of African American literary history Balshaw examines the creation of an urban aesthetic and explores the links between the engagement with the city and fictional reconstructions of racial identity and race writing Focusing on the material culture of the city the visual sense of the urban environment the class dynamics of urban culture and the crucial importance of consumerism this study presents a critically astute challenging and very welcome new approach to a much studied area of contemporary American fiction
