Christian Heritage Parent Lesson Plan, 2013-08-01 Course Description Semesters 1-2 In 1776, 56 men signed their names on a document that they knew might well mean their certain deaths as traitors to England. Standing on principles of faith and liberty, these men forged a powerful call for freedom and human dignity still resonating today in America. Yet historical revisionists have distorted or attempted to wipe away every trace of this nation's Christian heritage, including the heartfelt faith of these founding fathers. The Declaration of Independence remains one of history's most enduring achievements, and this text will help you value those freedoms these men fought for in an insightfully fresh way. It will also assist you in catching the God-given vision of these faithful new Americans, igniting a fire for your family, community, and the generations to come. For You They Signed should be found in every private and public library in America, a meticulously documented look back to the true birth of our nation. They pledged their lives, their fortunes, and their sacred honor so that we could be free.
