Christiana I. Chineme,2010-03-01 As humans things happen to us sometimes that we cannot fully understand We desire to explain them when from human perspective there s no explanation that really exists Our perplexion at things of that nature are not just about when they happen to us but also the things we witness in the world around us They oftentimes shake the foundations of our faith in God to the core But as much as not knowing hurts at no time should our reaction be to accuse God for things we don t understand Rather we should know that God is not always the architect of all our problems and that He might not always save us from people that live to harm us or bless us the way we want because we take a stand with Him His promise however is one thing and that is that He ll work it all out for HIS OWN ENDS even the wicked for a day of disaster Proverbs 16 4b However your pain occurred God s declared intentions are that He ll use all of your problems any which way they present to work out His will for your life The deaths of some of the people that went before us is proof that for reasons best known to Him God at times chooses not to deliver people that take a stand with Him And it s not because He hated such people but because of what He already planned to use the situation for Life Doesn't Have to Make You Sick Bryana C. David W. Daniels,2020-05-20 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1 18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny

changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made The Divine Supermarket Malise Ruthven,2012-04-30 A perfect guide and crazy concept It s a rocking good read and something of a pocket guide to hell Time Out Travelling in a battered camping van Malise Ruthven set out across America in search of the manifestations often bizarre and sometimes terrifying of its religious spirit The journey took him from the dark woods of Puritan New England to neo Nazi cults in the Rockies from Mormons and Snake handlers to fundamentalist groups who challenge the teaching of evolution from Channellers in California to the sexual and financial scandals surrounding millionaire TV preachers The Divine Supermarket is his zesty and brilliantly observed account of the journey offering illuminating and humorous insights into the quirky soul of modern America **The Be (Happy) Attitudes** Robert Schuller,1987-06-01 Many seek happiness in wealth fame relationships even drugs and of course they fail How can we be happy In his most inspirational bestselling book to date Dr Robert H Schuller the spiritual host of the weekly telecast The Hour of Power probes the Beatitudes for the answer to happiness and discovers eight universal positive mental attitudes that have been used for their healing value through the ages Through them you can make real happiness truly possible The Be Happy Attitudes I Need Help I Can t Do It Alone Learn two miracle working statements I need help and I am sorry I m Really Hurting But I Am Going To Bounce Back Learn that when bad things happen to good people they become better people I m Going To Remain Cool Calm And Corrected Blessed are the Meek is a poor translation Meek in the Bible means mighty stable kind I Really Want To Do The Right Thing Learn how to adopt a Go for it attitude toward your life and dreams I m Going To Treat Others The Way I Want Them To Treat Me Learn how to heal your hidden wounds and allow them to turn you into a better person I ve Got To Let The Faith Flow Free Through Me Learn how to know God better and overcome doubt Faith makes love a possibility Love makes miracles happen I m Going To Be A Bridge Builder Learn how to make peace with yourself before becoming a peacemaker for others Learn how to remain positive and pardon those who persecute you even when all else fails *Life, Leadership and the Pursuit of Happiness* F.
