Treatment Of Primary Glomerulonephritis

Academy of Medicine (Singapore)

Treatment Of Primary Glomerulonephritis:

Treatment of Primary Glomerulonephritis Claudio Ponticelli, Richard J. Glassock, 2009 This guide to the treatment of even the most complex patients with primary glomerular diseases is full of practical information collected and organised in an easy to read manner containing not only an evidence based review of the topic but also practical recommendations from experts in the field

Treatment of Primary Glomerulonephritis Claudio Ponticelli, Richard J. Glassock, 1997 Primary glomerulonephritis is one of the most common kidney diseases and a frequent cause of kidney failure Treatment of this disease is a constant concern for the clinician as there are no precise guidelines available This book brings together for the first time information on all aspects of primary glomerulonephritis It reports in detail the characteristics of the drugs used in treatment gives a critical review of the results obtained from the trials of different drugs and provides practical recommendations for the clinician

New Insights into Glomerulonephritis N. Chen, 2013-05-13 Chinese Asian and global perspectives Chronic kidney disease is a global major health issue that ultimately leads to end stage renal disease a devastating condition requiring costly renal replacement therapy Given this background extensive understanding of the pathogenesis of the disease and exploring novel therapeutic targets will help to alleviate disease progression improve prognosis and reduce its impact on the global economic burden Currently primary glomerulonephritis is the leading cause of chronic kidney disease and end stage renal disease in China and many other countries Recently there has been much progress with regard to pathogenesis as well as treatment of primary glomerulonephritis Clinical data from Chinese studies have significantly contributed to the making of international guidelines and histological classifications of the disease This book focuses on the cutting edge knowledge and provides up to date information on primary glomerulonephritis Topics covered are IgA nephropathy focal segmental glomerulosclerosis membranous nephropathy membranoproliferative glomerulonephritis and crescentic glomerulonephritis

Treatment Of Primary Glomerulonephritis: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
