

A wide-angle photograph of a spacious, industrial-style woodworking shop. The ceiling is high with exposed wooden trusses and several bright overhead lights. In the foreground, a large black table saw is partially visible, with several pieces of wood and a red-handled tool resting on its surface. To the left, there's a workbench with a miter saw and other tools. In the background, a person is working at a distant workbench, and various wooden materials and equipment are scattered throughout the space. The overall atmosphere is one of a busy, professional workshop.
