Trinidad And Tobago And Guyana Race And Politics In Two Plural Societies:

Trinidad and Tobago and Guyana Ann Marie Bissessar, John Gaffar La Guerre, 2013 In this book an attempt is made to probe more carefully the processes by which social and ethnic problems as these pertain to Caribbean countries Trinidad and Tobago and Guyana are conveyed to the political arena and the mechanisms by which they determine critical outcomes The authors of this book have accordingly distinguished between predisposing factors and what are described as triggering mechanisms The factors that trigger dramatic changes will differ between Guyana and Trinidad and Tobago In short while in some respects these societies are similar in others there are dramatic differences in their respective histories and political developments This study begins with a survey of the literature on race relations and their connections with politics it then proceeds to examine the context for the insertion of the two major groups into these societies the emergence of ethnic groups and their relationships with political organizations The nature and politics of the leaders are then analyzed along with the political structures with a view to identifying what factors were responsible for the differing political experiences of both countries

Historical Dictionary of Trinidad and Tobago Rita Pemberton, Debbie McCollin, Gelien Matthews, Michael Toussaint, 2018-03-19 As separate entities and later a unified state the Caribbean islands of Trinidad and Tobago boast very unique histories Initially claimed by the Spanish in 1498 these territories were affected by the imperialist thrusts of various European nations including the French British and Dutch The mercantilist infiltrations of these groups particularly in the 18th century led to the islands belated development as sugar producers and particularly Trinidad as a cradle of migration World War II and the development of the oil and tourism industries in the 20th century transformed the economies culture and society of these islands The country has been one of the most important in the region in relation to economic and political leadership and as a centre of cultural development Historical Dictionary of Trinidad and Tobago contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500

cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Trinidad and Tobago **Unraveling**

Race, Politics, and Gender in Trinidad and Tobago's Economic Development Jeetendra Khadan,Inder Jit Ruprah,2024-04-27 This book delves into Trinidad and Tobago s development with a fresh lens It stands as the inaugural empirical exploration of the country s unique attributes including its diversity ex British colony status small state categorization by population size and its dependence on hydrocarbons Through meticulous empirical analysis this book scrutinizes the nation s economic social and political outcomes within the context of these four distinctive parameters offering fresh insights into the country s development trajectory What sets this book apart is its unwavering commitment to a data driven approach Drawing upon a vast array of databases from both international and national sources it provides a thorough examination of development indicators household welfare metrics firm level performance and individual perspectives on a wide range of political economic and social issues For scholars policymakers and anyone with an interest in understanding how unique contextual factors shape a Trinidad and Tobago s development this book offers an enlightening and data rich perspective on the nation s journey towards progress and prosperity Faith-Based Organizations in

Development Discourses and Practice Jens Koehrsen,Andreas Heuser,2019-11-28 Exploring faith based organizations FBOs in current developmental discourses and practice this book presents a selection of empirical in depth case studies of Christian FBOs and assesses the vital role credited to FBOs in current discourses on development Examining the engagement of FBOs with contemporary politics of development the contributions stress the agency of FBOs in diverse contexts of development policy both local and global It is emphasised that FBOs constitute boundary agents and developmental entrepreneurs they move between different discursive fields such as national and international development discourses theological discourses and their specific religious constituencies By combining influxes from these different contexts FBOs generate unique perspectives on development they express alternative views on development and stress particular approaches anchored in their theological social ethics This book should be of interest to those researching FBOs and their interaction with international organizations and to scholars working in the broader areas of religion and politics and politics and development Dougla in the Twenty-First Century Sue Ann Barratt,Aleah N. Ranjitsingh,2021-05-28 Identity is often

fraught for multiracial Douglas people of both South Asian and African descent in the Caribbean In this groundbreaking volume Sue Ann Barratt and Aleah N Ranjitsingh explore the particular meanings of a Dougla identity and examine Dougla maneuverability both at home and in the diaspora The authors scrutinize the perception of Douglaness over time contemporary Dougla negotiations of social demands their expansion of ethnicity as an intersectional identity and the experiences of Douglas within the diaspora outside the Caribbean Through an examination of how Douglas experience their claim to multiracialism and how ethnic identity may be enforced or interrupted the authors firmly situate this analysis in

ongoing debates about multiracial identity Based on interviews with over one hundred Douglas Barratt and Ranjitsingh explore the multiple subjectivities Douglas express confirm challenge negotiate and add to prevailing understandings Contemplating this Dougla in the Twenty First Century adds to the global discourse of multiethnic identity and how it impacts living both in the Caribbean where it is easily recognizable and in the diaspora where the Dougla remains a largely unacknowledged designation This book deliberately expands the conversation beyond the limits of biraciality and the Black white binary and contributes nuance to current interpretations of the lives of multiracial people by introducing Douglas as they carve out their lives in the Caribbean V. S. Naipaul's *Journeys* Sanjay Krishnan, 2020-02-04 The author of more than thirty books of fiction and nonfiction and winner of the Nobel Prize in Literature V S Naipaul 1932 2018 is one of the most acclaimed authors of the twentieth century He is also one of the most controversial Before settling in England Naipaul grew up in Trinidad in an Indian immigrant community and his depiction of colonized peoples has often been harshly judged by critics as unsympathetic misguided racist and sexist Yet other readers praise his work as containing uncommonly perceptive historical and psychological insight In V S Naipaul s *Journeys* Sanjay Krishnan offers new perspectives on the distinctiveness and power of Naipaul s writing as well as his shortcomings trajectory and complicated legacy While recognizing the flaws and prejudices that shaped and limited Naipaul s life and art this book challenges the binaries that have dominated discussions of his writing Krishnan reads Naipaul as self subverting and self critical engaged in describing his own implication in what he saw as the malaise of the postcolonial world Krishnan brings together close readings of major novels with considerations of Naipaul s work as a united project as well as nuanced assessments of Naipaul s political commentary on ethnic nationalism and religious fundamentalism Krishnan provides a Naipaul for contemporary times illustrating how his life and work shed light on debates regarding migration diversity sectarianism displacement and other global challenges

Ethnic Relations in Plural Societies ,2025-10-27 One of the main legacies of slavery and indentured labour is the existence of multi ethnic and multicultural societies in former tropical colonies of the European empires After the abolition of slavery the indentured labourers were brought to the plantation colonies in order to meet the need for cheap labour for the production of tropical goods From the beginning they faced a situation in which they were regarded as competitors for the freed slaves and or the local population At the same time in various cases the freed slaves and their descendants considered themselves as the indigenous people and were treated as such by the colonial governments In their perspective the colonial governments spent too many resources on the immigration of foreign labourers resources that could have been used to improve the socio economic situation of the descendants of the former slaves To this date this historical past overshadows the relations between different ethnic groups in so called plural societies This book deals with the relations between different ethnic groups in these societies and the challenges they meet to establish peaceful and democratic societies The volume consists of chapters on these societies such as South Africa Guyana Trinidad and Tobago and Suriname The Dilemmas of

Ethnic Policy John Gaffar La Guerre, 2017-01-03 The Dilemmas of Ethnic Policy A Global Perspective argues that ethnic conflict increases or decreases in relation to changes in the social structure and the location and distribution of political power Ethnic grievances derive from lack of access to valued resources and elites play a crucial role in allocating those resources This book examines the experiences of five countries with a history of ethnic conflict former Yugoslavia Bosnia Herzegovina Guyana Trinidad and Tobago and the United States It finds that in many cases solutions adopted to mitigate ethnic conflict have unintended consequences Often supposed solutions confuse cause and effect and in fact worsen ethnic conflict Attempts to address identity issues by pandering to them often led to further ethnic demands This book argues that based on the experiences of the countries under examination the best course is to adopt policies that encourage alliances between and among ethnic groups

From Indians in Trinidad to Indo-Trinidadians N. Jayaram, 2022-09-12 This book explores the dynamics of the socio cultural baggage that Indian indentured migrants took with them to the Caribbean island of Trinidad and how they have since become a vibrant diaspora community namely the Indo Trinidadians It combines social history with first hand fieldwork data to portray human ingenuity in terms of social reconstitution and community building in a hostile socio cultural environment Furthermore it addresses key social institutions religion caste and family and cultural elements language foodways and ethnicity Its analytical framework is guided by the concept of metamorphosis it steers clear of the persistence versus change hypotheses Given its focus it will be of interest to students and scholars of sociology social anthropology history and migration and diaspora studies

Ethnic Conflict in Developing Societies Ann Marie Bissessar, 2017-06-14 This book examines the experience of post colonial territories and their attempts to manage ethnic communities within their countries The study focuses on Trinidad and Tobago Guyana Suriname and Fiji This project looks at the mechanisms which vary from legislation to political structures systems and institutions that have been introduced to allow for greater integration by these communities and assesses their strengths and weaknesses

Rediasporization Gillian Richards-Greaves, 2020-11-24 Rediasporization African Guyanese Kweh Kweh examines how African Guyanese in New York City participate in the Come to My Kwe Kwe ritual to facilitate rediasporization that is the creation of a newer diaspora from an existing one Since the fall of 2005 African Guyanese in New York City have celebrated Come to My Kwe Kwe more recently called Kwe Kwe Night on the Friday evening before Labor Day Come to My Kwe Kwe is a reenactment of a uniquely African Guyanese pre wedding ritual called kweh kweh and sometimes referred to as karkalay mayan kweh keh and pele A typical traditional wedding based kweh kweh has approximately ten ritual segments which

include the pouring of libation to welcome or appease the ancestors a procession from the groom's residence to the bride's residence or central kweh kweh venue the hiding of the bride and the negotiation of bride price Each ritual segment is executed with music and dance which allow for commentary on conjugal matters such as sex domestication submissiveness and hard work Come to My Kwe Kwe replicates the overarching segments of the traditional kweh kweh but a couple male and female from the audience acts as the bride and groom and props simulate the boundaries of the traditional performance space such as the gate and the bride's home This book draws on more than a decade of ethnographic research data and demonstrates how Come to My Kwe Kwe allows African Guyanese Americans to negotiate complex overlapping identities in their new homeland by combining elements from the past and present and reinterpreting them to facilitate rediasporization and ensure group survival

Politics of Identity in Small Plural Societies S. Wilson, 2012-01-30 In small plural societies cultural differences can be exaggerated exploited and intensified during political contests The survival of these societies as democracies or even at all hangs in the balance

Food Across Cultures Giuseppe Balirano, Siria Guzzo, 2019-02-19 This edited volume brings together original sociolinguistic and cultural contributions on food as an instrument to explore diasporic identities Focusing on food practices in cross cultural contact the authors reveal how they can be used as a powerful vehicle for positive intercultural exchange either through conservation and the maintenance of cultural continuity or through hybridization and the means through which migrant communities find compromise or even consent within the host community Each chapter presents a fascinating range of data and new perspectives on cultures and languages in contact from English and some of its varieties to Italian German Spanish and to Japanese and Palauan as well as an exemplary range of types of contact in colonial multicultural and diasporic situations The authors use a range of integrated approaches to examine how socio linguistic food practices can and do contribute to identity construction in diverse transnational and diasporic contexts The book will be of particular interest to students and scholars of translation semiotics cultural studies and sociolinguistics
