distributor models In addition under BSA ownership the Tiger Cub engine had previously been utilized as the basis for the 1959 BSA C15 and ultimately by the BSA Bantam Cub series from 1966 onwards Unfortunately Triumph motorcycle owners are subjected to considerable confusion surrounding the appropriate selection from the multitude of originals and reprints of the various manuals that have recently flooded the online marketplace We encourage you to exercise caution when purchasing a manual for your motorcycle or automobile as many of the reprints found on internet websites are from bedroom sellers at enticingly low prices by individuals that really have no idea what they are selling Many are nothing more than poor quality comb bound photocopies that are scanned and printed complete with greasy pages and thumbprints and as such are deceptively described as pre owned used or even refurbished In addition they are often advertised for the incorrect series and or model years      **Triumph TR 2, 3, 3A, 4, 4A Owners Workshop Manual** John Harold Haynes, John Lennox Sim Maclay, Brian Leonard Chalmers-Hunt, 1980      **Triumph TR 2/4A, Range 1952-1967** Drake Publishers, 1972      **Triumph GT6 Mk1, 2 and 3 and Vitesse 2-Litre Workshop Manual** Brooklands Books Ltd, 1985-03-09 Full exact procedures for all service and repair tasks plus specifications and routine maintenance with photographs and drawings
