Victor Webb

University Of Pretoria Past Exam Papers:

Furthering Higher Education Possibilities through Massive Open Online Courses Mesquita, Anabela, Peres, Paula, 2015-09-03 In recent years technological advancements have enabled higher learning institutions to offer millions of independent learners the opportunity to participate in open access online courses As this practice expands drawing considerable media attention questions continue to arise regarding pedagogical methodology and the long term viability of open learning Furthering Higher Education Possibilities through Massive Open Online Courses seeks to provide a space for discussion of MOOCs what they mean for the learning process how they are redefining the concept of a classroom and what effects they may have on the role of teachers Featuring emerging research on a variety of topics relating to distance education informal learning as well as educational costs and funding this book is aimed at teachers administrators business professionals and designers of both curricular resources and e classroom technology Language in South Africa Victor Webb, 2002-08-08 Language in South Africa LiSA debates the role of language and language planning in the reconstruction development and transformation of post apartheid democratic South Africa The 1996 constitution of South Africa is founded on the political philosophy of pluralism and is directed at promoting democratic values equity and non discrimination human rights national unity and the development of all the country s communities The question asked in LiSA is how language planning can contribute towards the attainment of these national ideals Set against the language political realities of the country the a symmetric power relations between the languages the striking differences in the structural functional and symbolic adaptation of the official languages and the many language related problems in the country it debates the role of language in state administration national integration educational development and economic development The volume concludes with a discussion of language development and language management *The High Treason Club* Karin Mitchell, 2025-05-01 On the night of 30 October 2002 eight bomb blasts tore through Soweto leaving one woman dead and damaging vital infrastructure The bombs were the work of a far right white Afrikaner separatist group called the Boeremag whose stated aim was to overthrow the ruling ANC government rid the country of black people and reinstate a new Boer administered republic For months before the bombings police had been investigating the terror group and had made several arrests In December after an intense cross country manhunt the perpetrators of the bombings were finally caught All in all 23 men were arrested and charged with high treason after the police seized explosives homemade pipe bombs weapons and ammunition in arms caches hidden all over the country Language in South Africa Victor N. Webb, 2002-01-01 A discussion of the role which language or more properly languages can perform in the reconstruction and development of South Africa The approach followed in this book is characterised by a numbers of features its aim is to be factually based and theoretically informed **Libraries: Traditional to Modernization** Jagjit Singh, **Perspectives on Social Media** Piet Kommers, Pedro Isaias, Tomayess Issa, 2014-08-18 Perspectives on Social Media presents the most current research on the

effectiveness of social media across sectors Progress in finding better applications for social media relies on the difficult task of integrating media technologies into fields such as engineering marketing health learning art tourism and the service industry This book is based on cutting edge creative work among top international researchers and renowned designers and provides readers with a preview of the most visionary outcomes in the field of social media Some of the major topics that the book discusses are New social media design Sense of community in web applications App design and development for mobile devices Perspectives on Social Media uniquely builds on recent disputes among the top scholars around the world thus including the dynamics of knowledge sharing and cross fertilization that one would expect to happen on the web but that are rarely found in a book

Navigating Information Literacy Theodorus Jan Daniël Bothma, 2008 This book provides coverage of content and skills essential for those who intend positioning themselves in the academic or workplace environments that are globally connected and competitive environments where information literacy is no longer a nice to have or recommended proficiency but a life long skill to be nurtured This clear well structured text leads the reader through all aspects of information literacy and provides practical advice and relevant examples from a variety of international contexts

Homeschooling High School Shirley Erwee, 2014-08-28 Prospective homeschoolers are parents looking for an alternative to the mainstream educational system for their offspring But homeschooling children at high school level strikes fear into even the most dedicated of homeschoolers They need information and answers to their questions And with the current educational and unemployment problems in South Africa young people need clear direction and guidance to help them achieve their goals In addition to exploring the popular ways to gaining a recognised matric certificate outside the formal school system Homeschooling High School also challenges readers to rethink their values particularly the value they place on certification and to consider some unconventional or alternative paths to success In a clearly presented format the book includes advice on legal matters identifying appropriate courses sourcing study material tips on entrepreneurship financing tertiary studies and the testimonies of successful homeshooled graduates Homeschooling High School is a comprehensive guide to plotting a path through high school and beyond

your copy today and embark on a journey into the heart of emerging markets *Universities Review* ,1934 **Digital Science** Tatiana Antipova,2022-01-17 This book gathers selected papers that were submitted to the 2021 International Conference on Digital Science DSIC 2021 that aims to make available the discussion and the publication of papers on all aspects of single and multidisciplinary research on conference topics DSIC 2021 was held on October 15 17 2021 An important characteristic feature of conference is the short publication time and worldwide distribution Written by respected researchers the book covers a range of innovative topics related to digital economics digital education digital engineering digital environmental sciences digital finance business and banking digital health care hospitals and rehabilitation digital media digital medicine pharma and public health digital public administration digital technology and applied sciences This book may be used for private and professional non commercial research and classroom use e g sharing the contribution by mail or in hard copy form with research colleagues for their professional non commercial research and classroom use for use in presentations or handouts for any level students researchers etc for the further development of authors scientific career e g by citing and attaching contributions to job or grant application **XXX International Congress of Psychology: Abstracts** Michele Robert,2017-10-03 The abstracts of the XXX International Congress of Psychology July 2012 Cape Town are published as a supplement to Volume 47 of the International Journal of Psychology The published volume includes the abstracts of the invited addresses symposia oral and poster presentations numbering over 5 000 separate contributions and creating an invaluable overview of the discipline of psychological science around the world today *The Burden of Educational Exclusion* ,2010-01-01 School was nothing but a taboo for me concludes Johannah a young South African after recounting her life story Johannah is one of the early school leavers who features in this book Figures on participation in education in Africa show that despite government agreements and policies developed under the banner of Education for All this remains a remote goal In several countries programmes on Universal Primary Education have improved access to education but do those who enter school remain there until they have reached a suitable level Do they acquire enough competences at primary and secondary school to survive the tough daily life in sub Saharan countries What happens to children and young adults who leave school early What measures can be taken to prevent them from doing so This book is based on research carried out in Eastern and Southern Africa by scholars from Africa and the Netherlands who cooperated within the framework of the ESLA project The contributions to this book reflect the exchanges and discussions which took place in this research group initiated by staff of Mzumbe University in Tanzania Uganda Martyrs University and the University of Groningen in the Netherlands The group aims to go beyond figures and uncover the causes effects and stories of the young people involved as well as explore promising new strategies with which to address their needs As early school leaving is not exclusively an African problem a contribution on the Dutch situation is also included The book concludes that exclusion from education has far reaching effects not only for the young people involved but also for the society in which they

live The burden of educational exclusion should be the joint responsibility of developing and developed countries The authors hope the book will contribute not only to a greater understanding of the phenomenon of early school leaving but also challenge it in terms of developing policies and programmes that can prevent educational exclusion and support those who already find themselves in such a situation Multilingualism and Intercultural Communication H. Ekkehard Wolff, Pamela Maseko, Russell H Kaschula, Christine Anthonissen, Bassey E Antia, 2017-05-01 An in depth look at the changing sociolinguistic dynamics that have influenced South African society To date there has been no published textbook which takes into account changing sociolinguistic dynamics that have influenced South African society Multilingualism and Intercultural Communication breaks new ground in this arena The scope of this book ranges from macro sociolinguistic questions pertaining to language policies and their implementation or non implementation to micro sociolinguistic observations of actual language use in verbal interaction mainly in multilingual contexts of Higher Education HE There is a gradual move for the study of language and culture to be taught in the context of professional disciplines in which they would be used for example Journalism and African languages Education and African languages etc The book caters for this growing market Because of its multilingual nature it caters to English and Afrikaans language speakers as well as the Sotho and Nguni language groups _ the largest languages in South Africa and also increasingly used in the context of South African Higher Education It brings together various inter linked disciplines such as Sociolinguistics and Applied Language Studies Media Studies and Journalism History and Education Social and Natural Sciences Law Human Language Technology Music Intercultural Communication and Literary Studies The unique cross cutting disciplinary features of the book will make it a must have for twenty first century South African students and scholars and those interested in applied language issues

Calendar University of Pretoria, 1928 Pitman's Journal of Commercial Education ,1907 This Week in South Africa ,1995 **Dictionary of International Biography** ,1997 A biographical record of contemporary achievement together with a key to the location of the original biographical notes Man Proposes—Rose Disposes Rosemary Mason, 2018-05-18 This is a highly entertaining memoir of a somewhat colourful character dispatching husbands lovers murderers and maniacs in various ways and shooting a rapist in the groin surviving to the age of ninety one to write the story of her familys arrival in Rhodesia and their survival through a terrorist war In 1980 Rhodesia became Zimbabwe and the total collapse of the economy began By the year 2000 most of the Europeans including all her family had died or left the country and Rose was alone in her house with a pistol for protection fighting off intruders best she could finally leaving Zimbabwe to live in Australia with her daughters Taking what she could fit in her car and the maximum holiday allowance she skipped the country for good Stripped of all her lifes savings in Zimbabwe by the collapse of the economy she considers herself lucky to be alive to tell the tale The details of some of those encounters are extremely funny
