Unlikely Warrior A Pacifist Rabbi's Journey From The Pulpit To Iwo Jima:

Unlikely Warrior Lee Mandel, 2014-12-05 A brilliant student orator and debater Rabbi Roland Gittelsohn was an outspoken social activist and frequent lecturer on political topics during the 1930s Despite his passionate support of pacifism Gittelsohn voluntarily joined the navy when the United States entered World War II becoming the first Jewish chaplain assigned to the United States Marine Corps Gittelsohn's remarkable story told here from his surviving notes chronicles the evolution of his crisis of conscience and gives an insider's view into the Battle of Iwo Jima Author Lee Mandel's research provides an unprecedented look at how the US Navy took clergymen of all religions and molded them into a highly effective support force for America's fighting forces Mandel traces the Gittelsohn family from their emigration from Russia through Roland's ordination and his excursions into the political and Zionist movements that shaped the 1930s Delving into Gittelsohn's pivotal decision to join the armed forces as a chaplain and his experiences in battle Mandel details the behind the scenes anti-Semitic power struggles that almost prevented what was to become one of the most famous oratories in military history At the dedication of the Fifth Marine Division Cemetery Gittelsohn delivered a eulogy known as The Purest Democracy and often referred to as the Gettysburg Address of WWII In this dramatic narrative Mandel draws from many historical sources including Gittelsohn's 1988 autobiography extensive personal papers and the rabbi's unpublished war memoir including his analysis of why pacifism failed to present a complete picture of this unusual man A Pacifist at Iwo Jima Lee Mandel, 2022-03-23 In the 1930s Rabbi Roland Gittelsohn was a distinguished scholar and vocal pacifist After the attack on Pearl Harbor he had a change of heart and volunteered to serve as a chaplain in the US Navy The first rabbi ever deployed with the Marine Corps he found himself in the bloody battle at Iwo Jima At war's end at the dedication of the 5th Marine Division cemetery he gave a renowned speech known as the Gettysburg Address of World War II This biography is based on multiple sources including Gittelsohn's personal papers beginning with his family's emigration from Russia to the United States From the growing antiwar movement after World War I to the training of military chaplains and the anti-Semitism among their ranks important events further contextualize Gittelsohn's life including his illustrious postwar career and service on President Harry S Truman's Committee on Civil Rights **War By Other Means** Daniel Akst, 2022-12-06 Akst argues that the modern progressive movement wide ranging in its causes and narratives today has origins in the pacifist response to American involvement in World War II At its best one gets the sense of generative force born from such intense intellectual moral and religious pressure The Washington Post Pacifists who fought against the Second World War faced insurmountable odds but their resistance philosophy and strategies fostered a tradition of activism that shaped America right up to the present day In this provocative and deeply researched work of history Akst takes readers into the wild heady and uncertain times of America on the brink of a world war following four fascinating resisters four figures who would subsequently become famous political thinkers and activists and their daring exploits David Dellinger Dorothy Day Dwight MacDonald and

Bayard Rustin The lives of these diverse anti war advocates a principled and passionate seminary student a Catholic anarchist a high brow intellectual leftist and an African American pacifist and agitator create the perfect prism through which to see World War II from a new angle that of the opposition as well as to show how great and lasting their achievements were The resisters did not stop the war of course but their impact would be felt for decades Many of them went on to lead the civil rights and anti Vietnam War movements the two most important social stands of the second half of the twentieth century The various World War II resisters pioneered non violent protest in America popularized Gandhian principles and desegregated the first prison mess halls Theirs is a story that has never been told **Japan's Holocaust**

Bryan Mark Rigg,2024-03-19 Japan s Holocaust is a comprehensive exploration of Japan s mass murder and sexual crimes during the Pacific and Asian Wars from 1927 to 1945 Japan s Holocaust combines research conducted in over eighteen research facilities in five nations to explore Imperial Japan s atrocities from 1927 to 1945 during its military expansions and reckless campaigns throughout Asia and the Pacific This book brings together the most recent scholarship and new primary research to ascertain that Japan claimed a minimum of thirty million lives slaughtering far more than Hitler s Nazi Germany Japan s Holocaust shows that Emperor Hirohito not only knew about the atrocities his legions committed but actually ordered them He did nothing to stop them when they exceeded even the most depraved person s imagination as illustrated during the Rape of Nanking as well as many other events Japan s Holocaust will document in painful detail that the Rape of Nanking was not an isolated event during the Asian War but rather representative of how Japan behaved for all its campaigns throughout Asia and the Pacific from 1927 to 1945 Mass murder rape and economic exploitation was Japan s modus operandi during this time period and whereas Hitler s SS Death s Head outfits attempted to hide their atrocities Hirohito s legions committed their atrocities out in the open with fanfare and enthusiasm Moreover whereas Germany has done much since World War II to atone for its crimes and to document them Japan has been absolutely disgraceful with its reparations for its crimes and in its efforts to educate its population about its wartime past Shockingly Japan continues in general to glorify its criminals and its wartime past **American Jewish Year Book 2015** Arnold Dashefsky,Ira M.
