Constitutional Culture, Independence, and Rights Javier Garcia Oliva, Helen Hall, 2023-05-26 In Constitutional Culture Independence and Rights Javier Garc a Oliva and Helen Hall coin the term constitutional culture to encapsulate the collective rules and expectations that govern the collective life within a jurisdiction Significantly these shared norms have both legal and social elements including matters as diverse as standards of parenting the modus operandi of police officers and taboos around sexuality Using Quebec Scotland and Catalonia as case studies the book delves into what these constitutional battles mean for the rights identity and needs of everyday people and it powerfully demonstrates why the

hypothetical future independence of these regions would have far reaching practical consequences beyond the realm of political structures and academic theory The book does not present a magic bullet to resolve debates around independence this is not its purpose and the text in fact demonstrates why there is no objectively optimal approach in any or all contexts Instead it seeks to shed light on aspects of these situations often overlooked in discussions around the fate of nations and it addresses what the consequences of constitutional paradigm shifts might be for individuals Constitutional culture is a complex web of interconnected understandings and behaviours and the vibrations from shaking or cutting a fundamental strand will be felt throughout the structure

Accountability and the Law Piotr Mikuli, Grzegorz Kuca, 2021-08-12 This book discusses contemporary accountability and transparency mechanisms by presenting a selection of case studies The authors deal with various problems connected to controlling public institutions and incumbents responsibility in state bodies The work is divided into three parts Part I Law examines the institutional and objective approach Part II Fairness and Rights considers the subject approach referring to a recipient of rights Part III Authority looks at the functional approach referring to the executors of law Providing insights into increasing understanding of various concepts principles and institutions characteristic of the modern state the book makes a valuable contribution to the area of comparative constitutional change It will be a valuable resource for academics researchers and policy makers working in the areas of constitutional law and politics

The Veiled Sceptre Anne Twomey, 2018-04-12 The extension to other Realms of the reserve power to refuse a dissolution

The Crown and Constitutional Reform Cris Shore, Sally Raudon, David V Williams, 2020-09-10 The Crown and Constitutional Reform is an innovative interdisciplinary exchange between experts in law anthropology and politics about the Crown constitutional monarchy and the potential for constitutional reform in Commonwealth common law countries The constitutional foundation of many Commonwealth countries is the Crown an icon of ultimate authority at once familiar yet curiously enigmatic Is it a conceptual placeholder for the state a symbol of sovereignty or does its ambiguity make it a shapeshifter a legal fiction that can be deployed as an expedient mask for executive power and convenient instrument for undermining democratic accountability This volume offers a novel interdisciplinary exchange the contributors analyse how the Crown operates in the United Kingdom and the postcolonial settler societies of Canada Australia and New Zealand In doing so they examine fundamental theoretical questions about statehood sovereignty constitutionalism and postcolonial reconciliation As Queen Elizabeth II's long reign approaches its end questions about the Crown's future its changing forms and meanings the continuing value of constitutional monarchy and its potential for reform gain fresh urgency The chapters in this book were originally published in a special issue of The Round Table The Commonwealth Journal of International Affairs

Constitutions and Gender Helen Irving, 2017-06-30 Constitutions and gender is a new and exciting field attracting scholarly attention and influencing practice around the world This timely handbook features contributions from leading pioneers and younger scholars applying a gendered lens to constitution making and design constitutional practice and

citizenship and constitutional challenges to gender equality rights and values It offers a gendered perspective on the constitutional text and record of multiple jurisdictions from the long established to the world s newly emerging democracies Constitutions and Gender portrays a profound shift in our understanding of what constitutions stand for and what they do

The Process of Politicization Adam Jarosz,2017-11-06 The problem signalled in the title of this volume is of utmost importance today While envisioning a completely depoliticised society requires a big leap of imagination there can still be doubts as to the degree to which modern societies may or should be politicised in different dimensions This book gives a range of answers to this question using selected examples from modern history and the present time and it outlines the process of politicising the society together with the tools and means used for that It does not attempt an exhaustive coverage of the topic of politicisation but serves as a reference for persons interested in the discussed issues including students of political and social sciences

Global Pandemic, Security and Human Rights Ben Stanford,Steve Foster,Carlos Espaliu Berdud,2021-12-29 This book presents an international and comparative exploration of how the COVID 19 global pandemic has affected and impacted on issues of human rights security and law Throughout the world the COVID 19 global pandemic has fundamentally impacted and altered our way of life As this book sets out all states have had to contend with similar challenges as well as competing interests and obligations affecting human rights and security These challenges present very few simple choices but nonetheless carry enormous consequences Organised into two thematic and distinct yet interrelated parts first on theoretical and practical challenges for human rights and second on threats to personal collective and global security the book examines how the ability of states to safeguard our fundamental rights and security broadly defined has been challenged Questions about the legality and legal impact of recent responses to COVID 19 will persist for some time It is often said that global problems require coordinated global solutions but the various responses to the pandemic by states suggest a notable lack of a consensus amongst the international community The book will be of interest to academics and researchers working in the areas of human rights law and security law It will also appeal to constitutional lawyers given the nature of law making and the challenge of ensuring adequate scrutiny in emergency situations as well as the impact of COVID 19 upon the legal framework more generally It will provide a valuable resource for policymakers practitioners and public servants

Global Pandemic, Technology and Business Luo Li,Carlos Espaliu Berdud,Steve Foster,Ben Stanford,2021-12-28 This book presents an exploration of a wide range of issues in law regulation and legal rights in the sectors of information protection the creative economy and business activities following COVID 19 The debilitating effect of the global pandemic on information protection and creative and business activities is powerful widespread and deeply influential bringing a range of uncertainties to these sectors The effects of the crisis challenge the fundamentals of the legal systems of most countries in their attempt to govern them Written by international academics from a diversified background of law disciplines and legal systems this book offers a global vision in exploring the wide range of legal issues caused by the

COVID 19 crisis in these fields The book is organised into three clear thematic parts Part I looks at information protection and intellectual property rights and strategies Part II examines contracts cooperation and mediation in the post COVID 19 market arena and Part III discusses issues pertaining to corporate governance and employment rights The book explores the unprecedented challenges posed by the pandemic crisis from a global perspective It will provide invaluable information and guidance in this area to those in the fields of law politics and economics whose interests are related to information business and the creative industry as well as providing indispensable reading to business practitioners and public servants

Prisoners' Vote Martine Herzog-Evans, Jérôme Thomas, 2024-04-16 Through different legal and criminological angles and perspectives this book addresses the controversial question of whether prisoners should have the right to vote as well as the optimal modalities for such a vote By adopting a comparative approach to explore the legal systems of very different jurisdictions such as the former Eastern Bloc England Ireland the USA and France the book reveals a recent trend in opening up the right to vote It also looks at the recommendations of international and European institutions which while relatively cautious nevertheless support such progress Examining the issue from a criminological viewpoint the book investigates the role that prisoners votes could play in the social integration of these individuals into the community through political inclusion as citizens Offering legal theoretical and empirical bases it blends a variety of perspectives to help readers establish an understanding of how prisoners voting could contribute to improving their attachment to society and its values Concise and direct Prisoners Vote will be of great interest to upper level students and scholars of law criminology sociology criminal justice and political science It should also appeal to practitioners working in the criminal justice system and policy makers reflecting on whether and how to open the right to vote to prisoners

GLOBALISATION AND TRANSITIONAL IDEOLOGIES Ernest L. VEYU, Stephen A. MFORTEH, 2021-11-22 The papers in this volume define the departure from the margin to the centre assess emerging literatures and shifting language concerns dismantle the hegemony of colonial English propose alternatives to the imperialism that underlies globalisation and question hegemonic assumptions in language and literature

The State and Civil Society Nicole Bolleyer, 2018-10-25 State regulation of civil society is expanding yet widely contested often portrayed as illegitimate intrusion Despite ongoing debates about the nature of state voluntary relations in various disciplines we know surprisingly little about why long lived democracies adopt more or less constraining legal approaches in this sphere in which state intervention is generally considered contentious Drawing on insights from political science sociology comparative law as well as public administration research this book addresses this important question conceptually theoretically and empirically It addresses the conceptual and methodological challenges related to developing systematic comparative insights into the nature of complex legal environments affecting voluntary membership organizations when simultaneously covering a wide range of democracies and the regulation applicable to different types of voluntary organizations Proposing the analytical tools to tackle those challenges it studies in depth the intertwining and

overlapping legal environments of political parties interest groups and public benefit organizations across 19 long lived democracies After presenting an innovative interdisciplinary theoretical framework theorizing democratic states legal disposition towards or their disinclination against regulating voluntary membership organizations in a constraining or permissive fashion this framework is empirically tested Applying Qualitative Comparative Analysis QCA the comparative analysis identifies three main paths accounting for the relative constraints in the legal environments democracies have created for organized civil society defined by different configurations of political systems democratic history their legal family and voluntary sector traditions Providing the foundation for a mixed methods design three ideal typical representatives of each path Sweden the UK and France are selected for the in depth study of these legal environments long term evolution to capture reform dynamics and their drivers that have shaped group and party regulation over many decades

Constitutional and Administrative Law Neil Parpworth, 2016 Constitutional and Administrative Law is popular for its clear and concise style Self test questions and reading lists encourage students to expand their knowledge *The Political Question Doctrine in Taiwan* David KC Huang, 2019-11-08 Master s Thesis from the year 2012 in the subject Law Comparative Legal Systems Comparative Law grade Super Distinction School of Oriental and African Studies University of London language English abstract This thesis studies Judicial Yuan Interpretation No 328 1993 the first constitutional court decision specifically relating to the use of the political question doctrine in Taiwan Taiwan s constitutional court on the whole does not refuse to involve itself in political questions but this case represented an opportunity for the Justices of the Republic of China Taiwan to introduce the political question doctrine into Taiwan s legal system The Judicial Yuan s previous and subsequent judicial reviews included cases in which the constitutional court dismissed the authoritarian congress for democratisation or struck down an unconstitutional constitutional amendment It is therefore doubtful that the Justices would claim to be unable to determine the political question in Judicial Yuan Interpretation No 328 1993 The court had by then become too powerful to persuade people that it should address the political question doctrine The Justices applied the political question doctrine in this case only because they wished to avoid becoming mired in political controversy

Discrimination, Copyright and Equality Paul Harpur, 2017-04-03 While equality laws operate to enable access to information these laws have limited power over the overriding impact of market forces and copyright laws that focus on restricting access to information Technology now creates opportunities for everyone in the world regardless of their abilities or disabilities to be able to access the written word yet the print disabled are denied reading equality and have their access to information limited by laws protecting the mainstream use and consumption of information The Convention on the Rights of Persons with Disabilities and the World Intellectual Property Organization s Marrakesh Treaty have swept in a new legal paradigm This book contributes to disability rights scholarship and builds on ideas of digital equality and rights to access in its analysis of domestic disability anti discrimination civil rights human rights constitutional rights copyright and other

equality measures that promote and hinder reading equality

FAQs About Unlocking Constitutional And Administrative Law Unlocking The Law Books

What is a Unlocking Constitutional And Administrative Law Unlocking The Law PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Unlocking Constitutional And Administrative Law Unlocking The Law PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Unlocking Constitutional And Administrative Law Unlocking The Law PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Unlocking Constitutional And Administrative Law Unlocking The Law PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Unlocking Constitutional And Administrative Law Unlocking The Law PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to

share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
