Athanasios Scott Tonk,2016-02-05 We human beings have messed up so badly We have atomized the Body of Christ so that only a miracle can heal the wounds of the Body again But God is already acting to heal the Body of His Son as you will see in part 1 of the book This book does not deal in generalities when it comes to Christians It views the Body of Christ as one big family complete with a mother our heavenly Father His Son who is the head of the Body and children kissin cousins aunts uncles and so forth Oh yes we have had our fights but they have all been family fights Now this book issues a challenge to all of the members of the family Appreciate one another s heritage and bring it to the table of the Lord This book is also a call to greater evangelism and mission but it by and large recognizes that the churches are going all out to bring the world to Christ Its Gods Time Its Kingdom Time Its the Fullness of Time Its Gods Opportunity
