Unspeakable Susan Burch, 2009-11 Junius Wilson 1908 2001 spent seventy six years at a state mental hospital in Goldsboro North Carolina including six in the criminal ward He had never been declared insane by a medical professional or found guilty of any criminal charge But he was deaf and black in the Jim Crow South *Unspeakable* is the story of his life Wilson was born and lived the first years of his life with his family in a small town near Wilmington North Carolina At age seven he was sent to the residential State School for the Colored Blind and Deaf where he learned Raleigh Sign Language a unique form of signing taught only to blacks at that school After a minor infraction at age sixteen he was dismissed from school and sent back home where he was falsely accused of attempted rape in 1925 Judged insane by the court he was committed to the criminal ward of the State Hospital for the Colored Insane Wilson was castrated and forced to work on the hospital farm for decades He remained incarcerated for almost all of his life Although authorities knew from the 1960s onward that Wilson was not insane they did not know how to integrate him into society They determined that keeping him institutionalized was the most benevolent course of action In 1990 when social worker John Wasson reviewed Wilson s records he was shocked by what he read Lawsuits brought against the state by disability rights lawyers led to Wilson s release from the locked wards in the 1990s He spent the final years of his life in a cottage on the grounds of the hospital where staff continued to look after his daily needs Junius Wilson s life was shaped by some of the major developments of twentieth century America Jim Crow segregation the civil rights movement deinstitutionalization the rise of professional social work and the emergence of the deaf and disability rights movements There is much to learn and remember about Junius Wilson and the countless others who have lived unspeakable histories

The SAGE Deaf Studies Encyclopedia Genie Gertz, Patrick Boudreault, 2016-01-05 The time has come for a new in depth encyclopedic collection of articles defining the current state of Deaf Studies at an international level and using the critical and intersectional lens encompassing the field The emergence of Deaf Studies programs at colleges and universities and the broadened knowledge of social sciences including but not limited to Deaf History Deaf Culture Signed Languages Deaf Bilingual Education Deaf Art and more have served to expand the activities of research teaching analysis and curriculum development The field has experienced a major shift due to increasing awareness of Deaf Studies research since the mid 1960s The field has been further influenced by the Deaf community's movement resistance activism and politics worldwide as well as the impact of technological advances such as in communications with cell phones computers and other devices A major goal of this new encyclopedia is to shift focus away from the Medical Pathological Model that would view Deaf individuals as needing to be fixed in order to correct hearing and speaking deficiencies for the sole purpose of assimilating into mainstream society By contrast The Deaf Studies Encyclopedia seeks to carve out a new and critical perspective on Deaf Studies with the focus that the Deaf are not a people with a disability to be treated and cured medically but rather are members of a distinct cultural group with a distinct and vibrant community and way of being **Deaf Players in Major League Baseball** R.A.R. Edwards, 2020-08-06 The first deaf baseball player joined the pro ranks in 1883 By 1901 four played in the major leagues most notably outfielder William Dummy Hoy and pitcher Luther Dummy Taylor Along the way deaf players developed a distinctive approach bringing visual acuity and sign language to the sport They crossed paths with other pioneers including Moses Fleetwood Walker and Jackie Robinson This book recounts their great moments in the game from the first all deaf barnstorming team to the only meeting of a deaf batter and a deaf pitcher in a major league game The true story often dismissed as legend of Hoy together with umpire Silk O Loughlin bringing hand signals to baseball is told *Teacher Preparation as Social Activism at Historically Black Colleges and Universities* Eugene Pringle, Shalander "Shelly" Samuels, Amanda Wilkerson, Anthony Broughton, 2025-02-12 *Teacher Preparation as Social Activism at Historically Black Colleges and Universities* offers new insights into the historical educational perspectives of teacher preparation at Historically Black Colleges and Universities HBCUs Centering insightful research that chronicles the contributions of teacher preparation at HBCUs it has a specific focus on activism in the form of fugitive pedagogy social activism organizing and inclusive educational practices It highlights and explores the ways in which such programs developed technical pedagogical skills for teaching and learning while leveraging society as an incubator to engage students in practices necessary to destabilize oppressive systems The chapter authors examine historical social movements at the intersection of teacher preparation at HBCUs and race to impact societal change over time and explore teacher preparation at HBCUs as tools for activism social justice and liberatory practices Reimagining educational history through the context of race relations and its contributing factors to the educational ecosystem this significant contribution to the body of research on HBCUs will appeal

to scholars and researchers with interests in teacher education history of education race and ethnic studies urban studies and higher education

Out of the Horrors of War Audra Jennings, 2016-10-18 Drawing from extensive archival research *Out of the Horrors of War* demonstrates that disabled citizens in the World War II era organized a national movement for economic security and full citizenship reshaping the U S welfare state and laying the foundation for the disability rights movement

A Rhetoric of Remnants Zosha Stuckey, 2014-10-07 In the nineteenth century language rather than biology created what we think of as disability Much of the rhetorical nature of idiocy and even intelligence itself can be traced to the period when the New York State Asylum for Idiots in Syracuse first opened in 1854 memorialized today as the first public school for people considered feeble minded or idiotic The asylum school pupil is a monumental example of how education attempts to mold and rehabilitate one s being Zosha Stuckey demonstrates how all education is in some way complicit in the urge to normalize The broad unstable and cross cultural category of people with disabilities endures an interesting relationship with rhetoric education speaking and writing Stuckey demystifies some of that relationship which requires new modes of inquiry and new ways of thinking and she calls into question many of the assumptions about embodied differences as they relate to pedagogy history and public participation

The Ethics of Homelessness: Philosophical Perspectives, 2020-01-20 This new and expanded edition of G John M Abbarno s anthology *The Ethics of Homelessness* underscores what is ignored in plain sight people without a home or dwelling are also without privacy and dignity It is argued that they lack moral standing The chapters uncover the harsh realities of poverty where economic value overrides competing human values Naomi Zack argues that homelessness is symbolic of society s materialistic values It has a tendency to resist sufficient charity and perpetuates conditions of injustice Uma Narayan questions whether the homeless have protection under the U S Constitution Other authors present an enlarged sphere of homeless to include runaway children refugees adoptees and the disabled The book demonstrates the value of applied philosophy

The Oxford Handbook of Taboo Words and Language Keith Allan, 2019 This volume brings together experts from a wide range of disciplines to define and describe taboo words and language and to investigate the reasons and beliefs behind them It examines topics such as impoliteness swearing censorship taboo in deaf communities translation of tabooed words and the use of taboo in banter and comedy

Deaf Subjects Brenda Jo Brueggemann, 2009-05 In this probing exploration of what it means to be deaf Brenda Brueggemann goes beyond any simple notion of identity politics to explore the very nature of identity itself Looking at a variety of cultural texts she brings her fascination with borders and between places to expose and enrich our understanding of how deafness embodies itself in the world in the visual and in language Taking on the creation of the modern deaf subject Brueggemann ranges from the intersections of gender and deafness in the work of photographers Mary and Frances Allen at the turn of the last century to the state of the field of Deaf Studies at the beginning of our new century She explores the power and potential of American Sign Language wedged as she sees it between letter bound language and visual ways of learning and argues for a rhetorical approach and digital future for ASL literature The narration of deaf lives through writing becomes a pivot around which to imagine how digital media and documentary can be used to convey deaf life stories Finally she expands our notion of diversity within the deaf identity itself takes on the complex relationship between deaf and hearing people and offers compelling illustrations of the intertwined and sometimes knotted

nature of individual and collective identities within Deaf culture

Multiple Minority Identities Reginald Nettles, Rochelle

Balter, 2011-09-16 Very few texts cover such a broad range of diversity and intersecting identities **PsycCRITIQUES** This important volume chronicles a shift from the old multicultural paradigm that depicts members of a minority group as being limited to racial and ethnic categories to a modern definition of minorities Moreover many of these stigmatized individuals belong to more than one minority group resulting in stigmatization not only outside of their identified primary group but also within it Seeking to address the complex problems of individuals who claim more than one minority identification the volume culls the accumulated wisdom of leaders in the field of minority research and practice and integrates the three major areas of multicultural and diversity studies in a single volume It addresses social identity power and privilege AIDS multiculturalism as it relates to gender as well as ethnicity It also discusses therapeutic approaches supervisory issues and interpersonal issues for practitioners It provides self administered inventories to help clinicians assess their need for additional supervision or training **Key Features** Integrates ethnic and racial minority issues gender and sexual orientation studies and disability studies all in one volume Addresses diversity within and between cultural and minority groups Presents the latest findings from experts in minority research and practice Establishes a new paradigm for understanding the impact of membership in a minority group Offers practical advice bolstered by case studies

Black Madness : Therí Alyce Pickens, 2019-06-07 In

Black Madness Mad Blackness Ther Alyce Pickens rethinks the relationship between Blackness and disability unsettling the common theorization that they are mutually constitutive Pickens shows how Black speculative and science fiction authors such as Octavia Butler Nalo Hopkinson and Tananarive Due craft new worlds that reimagine the intersection of Blackness and madness These creative writer theorists formulate new parameters for thinking through Blackness and madness Pickens considers Butler s *Fledgling* as an archive of Black madness that demonstrates how race and ability shape subjectivity while constructing the building blocks for antiracist and anti ableist futures She examines how Hopkinson s *Midnight Robber* theorizes mad Blackness and how Due s *African Immortals* series contests dominant definitions of the human The theorizations of race and disability that emerge from these works Pickens demonstrates challenge the paradigms of subjectivity that white supremacy and ableism enforce thereby pointing to the potential for new forms of radical politics

Secrecy and Safety Rachel Elder, 2025-12-09 A history of epilepsy and the work required to manage it In the middle of the twentieth century medical advancements like anticonvulsant drugs and electroencephalograms promised new possibilities for managing seizures At the same time people with epilepsy were navigating a complex medical landscape and enduring social prejudice In **Secrecy and Safety** historian Rachel Elder presents a deeply researched history of epilepsy and the stories of individuals grappling with the dual burden of living with an unpredictable condition and concealing it to avoid stigma While new treatments offered the hope of control the era s emphasis on personal responsibility reinforced a culture of secrecy around disability Epilepsy became an invisible condition manageable in public life but requiring constant vigilance

and self regulation This thought provoking study examines case studies that reveal how postwar beliefs about control and normalcy shaped perceptions of disability and identity Rooted in rich historical research Secrecy and Safety is the first comprehensive examination of epilepsy during this pivotal period By examining the societal pressures placed on individuals to perform health and manage risk Elder offers a compelling lens through which to understand broader questions of autonomy visibility and belonging in modern America Secrecy and Safety reconsiders the narratives that define chronic illness and the enduring quest for control in the face of uncertainty

Disability Romel W. Mackelprang, Richard O. Salsgiver, Ryan C. Parrey, 2021-12-15 Disability Fourth Edition is an indispensable tool for human services students in understanding disability from an empowerment perspective The textbook is divided into three parts Part I establishes a nontraditional context of disability moving readers away from the perspective that people with disabilities are sick passive and deviant Part II looks at groupings of disabilities placed within the context of the social definition of disability Part III discusses human service practice with people with disabilities Authors Mackelprang Salsgiver and Parrey establish the historical and societal context in which those living with disabilities are marginalized while offering a social ecological model and its three biosocial psychosocial and social cultural dimensions that students and instructors can employ Readers will also be introduced to universal diversity theory which draws from feminist race disability and queer theories for an approach that is applicable across all diverse groups Written from a North American perspective the book also addresses disability laws policies and practices globally Learning objectives guide students reading and discussion questions highlight key ideas while text boxes and personal narratives bring the book to life
