Unstoppable Gospel Living Out The World Changing Vision Of Jesus's First Followers:

Unstoppable Gospel Gregg Matte, 2015-10-27 The path of least resistance is seldom the path of greatest impact This is a truth that the apostles knew intrinsically but from which we the modern church seem to shy away They boldly proclaimed the Gospel in season and out of season We want to avoid risk avoid stepping on toes avoid any bad publicity that might come with going out on a limb But much like the first rockets to leave Earth's atmosphere giant leaps forward in God's kingdom don't come without a big vision and a great big dose of risk In *Unstoppable Gospel* pastor Gregg Matte calls readers to take up the task of the early church and go change the world He shows how using ordinary everyday people has been God's plan from the beginning and how we all have a part in that plan He shares many practical ways Christians can get involved in their churches and communities to take advantage of the countless opportunities God provides for us to make a lasting kingdom impact in our world

Controversies in Mission Rochelle Cathcart Scheuermann, Edward L. Smither, 2016-09-15 Crossing social cultural and religious barriers and making disciples of all nations has probably never been without some level of controversy This book is an attempt to hit the pause button on this rapid paced world and to reflect on how we do mission especially in light of the new layers of complexity that globalization brings While the contributors engage in new aspects of mission and cultural encounter unique to the twenty first century the underlying issues of each chapter are age old topics that have reared their heads at various times throughout history priorities in mission power struggles perspectives on cultural others and contextualization With that in mind our aims are twofold 1 to carefully consider issues causing tension and contention within current mission thought practice and strategy and then 2 to engage in serious but charitable dialogue for the sake of God's mission and the salvation of all peoples

From Members to Disciples Rev. Dr. Michael W. Foss, 2010-09-01 The book of Acts serves as our playbook for ministry as it prepares us for the active presence of God Studying the book of Acts takes us back to the future It shows the church how to trust in the active presence of God and inspire people to move from being mere members to bold disciples As members become disciples of faith they experience the unstoppable power of disciplined growth and divine purpose in Christian living

The Jesus Revolution Leith Anderson, 2009 Anderson challenges readers to step out in faith and be part of the ongoing movement to change the world with Jesus revolutionary message

Biblical Studies Into the Fray Matt Mihalatos, 2015-07-28 In the earliest days of the Christian church the gospel spread out from Jerusalem in a burst of incredible stories A man who could calm a stormy sea with a word who healed the lame and the blind who raised the ire of the religious leaders and who even raised people from the dead Compare this organic even entertaining method of spreading the Good News to how we are often encouraged to evangelize today with clever arguments and our defenses already up in anticipation of rebuttal Somewhere along the way we've lost the plot to the greatest story ever told Now Matt Mihalatos invites us back into God's story both to find our place in it and to rediscover the wonder that the apostles saw in their listeners as they told the story of Jesus the Messiah they knew

personally and loved fiercely As they lose themselves in modern retellings of the events of the book of Acts readers will find that sharing the story is easier and more rewarding than they ever imagined *What Jesus Started* Steve

Addison,2012-11-14 Sometimes we get so caught up in the power of Jesus shouting from the cross It is finished that we forget that Jesus started something too Uncovering the inner dynamics of Jesus s work with the disciples veteran church planter Steve Addison reminds us that Christianity is a movement with a unique design for expansion Let God Change

Your Life Greg Laurie,2011-06-01 Evangelist Greg Laurie calls all Christians back to radical New Testament living in his latest offering Let God Change Your Life Imagine what it would have been like to be a follower of Jesus first century Christians walked away from their old lives just to be where He was What they learned sitting at His feet was discipleship And when His work on earth was done first century Christians took His words and example and spread out teaching the gospel to everyone The good news is that we too can participate in this lifestyle Laurie drills it down in three simple ideas get to know Jesus follow His plan for discipleship and use it to tell others what we know Laurie s tone is clear direct and biblical

The Vision of His Glory Anne Graham Lotz,1997-05-16 With a focus on Jesus Christ Anne Graham Lotz brings clarity and understanding to the book of Revelation Lotz explains God s faithfulness regardless of circumstance All who feel depressed deluded or discouraged can find hope in all of life s difficult situations When life seems too small and problems seem too great when personal insignificance outweighs God s significance when overwhelmed by the ungodly majority or when facing death or choosing life Sharing her passion for God s word Anne Graham Lotz leads the reader step by step through the apostle John s glorious eyewitness account of God s plan for our future Living Water Peter

DeHaan,2021-04-24 Do you have a spiritual thirst Do you want to drink Living Water that only Jesus offers Whether you are yet to take your first sip of Living Water or have been quenching your spiritual thirst for a long time dig deeper into the Gospel of John to move forward on your spiritual journey Embrace John s and Jesus s recurring themes of eternal life love and the need to believe It could it should change everything Explore profound truths in Living Water a devotional Bible study based on John s biography of Jesus In Living Water lifetime student of the Bible and founder of the ABibleADay website Peter DeHaan PhD celebrates the poetic rhythm of the Gospel of John In doing so he digs into the disciple s evocative writing to uncover profound spiritual truth and life changing insights with eternal ramifications You ll never look at John the same way In Living Water you ll discover Why John s biography of Jesus is beloved by so many Jesus s gift of living water so we ll never thirst again The power of Jesus s longest prayer and what it means for us today Jesus as the Good Shepherd who cares for us his sheep The role of the Holy Spirit in Jesus s ministry and in our lives Learn more about Thomas s disappearing doubt Peter s redemptive restoration and Nicodemus s born again confusion Find out who Jesus s first missionary was how Joseph of Arimathea risked everything for Jesus and the truth about Mary Magdalene Get Living Water today to celebrate Jesus s life and embrace his love **Starfish Movement** Daniel Grider,2017-01-02 Jesus birthed a movement that was designed to

include engage and inspire However somewhere along the way Christian leaders began imitating the leaders who went before them instead of imitating Jesus They became immeshed in church programs and issues of Christian sub culture As a result most never experienced the power of the unstoppable mission of Jesus Which is based on the reality that every Christ follower can launch a life change movement **Following Jesus** David Lowry,2020-05-12 We live in a time when many view the church as a relic of ancient traditions and cosmologies often reactionary mean spirited nationalist and racist They see those who call themselves Christians reacting in fear to the changes around them rather than like Jesus boldly declaring and living out God s compassion and justice Some who view themselves as nonbelievers point out often with great clarity the distance between so called Christian witness and the teaching of Jesus This book takes us back to the first followers of Jesus and their attraction to Jesus and his teaching It reexamines what they encountered in Jesus that led them to follow him and it analyzes the dynamics of following This exploration becomes a call to let Jesus lead us into God s presence and liberating action By doing so we experience a stripping away of our false religiosity misplaced commitments and idolatries As we join with others in a community of Jesus s followers gathered by Jesus to be sent out we exercise true society altering witness

Taking the World for Jesus Kevin Swanson,2017-11-10 This is the account of the most exciting story in all of human history Something truly remarkable occurred when Jesus Christ rose from the dead and gave His disciples a great commission The world would never be the same again Kevin Swanson takes the reader through the 2 000 year worldwide saga of this epochal mission to the world From Judea to Rome Ireland Denmark China Japan Uganda New Zealand and to the uttermost parts of the earth the light of Christ shines into the darkness transforming every nation throughout the centuries This book describes the condition of the nations before Jesus came and follows the missionary work that confronted formidable strongholds and brought about the transformation of nations This book tells the story of the Lord Jesus Christ s transforming influence in countries across every continent over the last 2 000 years [Changing the Stories of the World](#) Jonathan Williams,2014-08-23 What is the Gospel Do we really need to ask this question Wasn t it answered 2000 years ago or during the Reformation Well yes but new developments in the world change us and all of the changes are not good Is it possible that large segments of the Church have forgotten the context or the Storyline in which the Gospel was presented causing us to truncate and weaken our presentation of the most powerful message in the world In his latest book Jonathan Williams challenges us to revisit the Gospel and relearn the Story to which prophets pointed Jesus inaugurated and apostles preached to a world that was believing a false story about God mankind and the future of the world [Keeping the Main Thing](#) Timothy C. Tennent,2018-11-13 Never changing gospel Ever changing world What gives On the one hand the gospel message does not change Jesus Christ was crucified on a cross and raised from the dead to deliver condemned sinners like you and me That basic message does not change On the other hand entering many churches today feels more like walking into a Starbucks or Panera Bread than entering a sanctuary of worship And the truth This is not a problem until it is Through

this series of incisive scriptural reflections Timothy Tennent helps readers discern the challenges of living out an uncompromising gospel in an increasingly compromised culture **The Mystery of the Gospel** Evangelist Victor A. Sackey, 2016-11-18 The Mystery of the Gospel Revealing the First Century Truths about the Kingdom of God is an attempt to expose the messages of the coming Kingdom of God to earth which Christ brought down from the Father unto mankind This knowledge is not known by majority of professing Christendom but which God wants the latter to be encompassed by the truth Because it is evident that there is an undeniable force power and sovereignty of the Spirit of God moving within the true Church of God and also the end time charismatic movement of Christians The coming of Christ and His establishment of the Church of God became the standard and benchmark for living the Christian life at the time However due to opposing forces to the Church of God and the first followers of Christ the truth became suppressed In other words the first Century message and essence of the coming of Christ to proclaim His coming kingdom became lost or seriously flawed Fortunately Christ gave a promise concerning His Church He said I will build my Church and the gates of Hell shall not prevail against it Despite the continuous existence of God's true Church God is still real and moving in the lives of all professing Christians who are in the majority but are ignorant of the existence of the true Church of God God is not out to save all of humanity in this lifetime but will introduce and re educate humanity to the laws and government of heaven in the millennial rule of Christ here on earth God is a family and as Christ is the first born of many brethren so shall the first fruit saints be called begotten and then born or resurrected as sons and daughters and the rest of professing Christians as the children being retaught the truths laws statutes and commandments of God in the kingdom Extraordinary Jesus Dave Holland, 2020-11-10 Extraordinary Jesus is a 40 Day devotional Bible study from the Gospel of Luke My great discovery in writing my first book Every Day Jesus is that Christ is neither controversial nor hard on people I have a mission to make this gracious loving Jesus known to the world Not the religious Christ or the denominational or theological Jesus but the Jesus who embraces our humanity and brings us to the Father
