Upgrade Your Spanish Abigail Lee Six, 2014-04-04 *Upgrade your Spanish* is the ideal guide for students wanting a better grade in their Spanish exams It offers a thirty day revision programme that is guaranteed to improve your results In the countdown to exams students should simply spend between 30 minutes to an hour a day with this book and see their mark go up a grade This short revision guide focuses on three key strategies for improving your exam results 1 Eliminating basic errors and slips of the pen 2 Increasing and consolidating your vocabulary 3 Moving on from school book Spanish

Spanish Vampire Fiction since 1900 Abigail Lee Six, 2019-02-18 *Spanish Vampire Fiction since 1900* Blood Relations as that subtitle suggests makes the case for considering Spanish vampire fiction an index of the complex relationship between intercultural phenomena and the specifics of a time place and author Supernatural beings that drink blood are found in folklore worldwide Spain included and writers ranging from the most canonical to the most marginal have written vampire stories Spanish ones included too When they do they choose between various strategies of characterization or blend different ones together How much will they draw on conventions of the transnational corpus Are their vampires to be local or foreign alluring or repulsive pitiable or pure evil for instance Decisions like these determine the messages texts carry and when made by Spanish authors may reveal aspects of their culture with striking candidness perhaps because the fantasy premise seems to give the false sense of security that this is harmless escapism and since metaphorical meaning is implicit it is open to argument and if necessary denial Part I gives a chronological text by text appreciation of all the texts included in this volume many of them little known even to Hispanists and few if any to non Spanish Gothic scholars It also provides a plot summary and brief background on the author of each These entries are free standing and designed to be consulted for

reference or read together to give a sense of the evolution of the paradigm since 1900 Part II considers the corpus comparatively first with regard to its relationship to folklore and religion and then contagion and transmission Spanish Vampire Fiction since 1900 Blood Relations will be of interest to Anglophone Gothic scholars who want to develop their knowledge of the Spanish dimension of the mode and to Hispanists who want to look at some canonical texts and authors from a new perspective but also gain an awareness of some interesting and decidedly non canonical material *Studies in Language*, 2001 Gothic Terrors Abigail Lee Six, 2010 Gothic Terrors brings together two discursive fields that have had very little contact hitherto Gothic Studies and Hispanism Though widely accepted in English studies Hispanists seldom invoke the concept of a Gothic mode existing beyond its first appearance in the eighteenth century Highlighting Gothic elements in mainstream Spanish fiction from the nineteenth century until the present day Lee Six challenges the view that Spanish writers rejected what the Gothic had to offer Through close study of texts by Benito P rez Gald s Emilia Pardo Baz n Miguel de Unamuno Camilo Jos Cela Adelaida Garc a Morales Espido Freire and Javier Garc a S nchez Lee Six traces the evolution of three staples of the Gothic the heroine imprisoned on grounds of madness the doubled or split character and the use of violent gory description Persuasively argued and well researched Gothic Terrors reflects on the Gothic presence in Spanish mainstream literature and identifies two important ways in which it crosses cultural divides the traditional gulf between high and low culture within Spain and the engagement of Spanish creative writers with transnational literary trends Gothic Terrors will thus appeal to Gothic scholars who are interested in the Spanish dimension of their field as well as to Hispanists who may have been unaware of how relevant and useful Gothic studies could be for them Publisher s website

The British National Bibliography Arthur James Wells, 2009 **Contemporary Spanish Gothic** Ann Davies, 2016-10-27 Examines Spain s contribution to international interest in Gothic culture film and literature With the success of novels such as *The Shadow of the Wind* and films like *The Others* contemporary Spanish culture has contributed a great deal to the imagery and experience of the Gothic although such contributions are not always recognised as being specifically Spanish in origin *Contemporary Spanish Gothic* is the first book to study how the Gothic mode intersects with cultural production in Spain today considering some of the ways in which such production feeds off and simultaneously feeds into Gothic production more widely Examining the works of writers and filmmakers like Carlos Ruiz ZafAn Arturo PA c rez Reverte Pedro AlmodAvar and Alejandro AmenA bar as well as the further reaches of Spanish Gothic influence in the *Twilight* film series the book considers images and themes like the mad surgeon and the vulnerable body the role of the haunted house and the heritage biopics of Francisco de Goya **Gothic Topographies** Matti Savolainen, 2016-04-22 In demonstrating the global reach of Gothic literatures this collection takes up the influence of the Gothic mode in literatures that may be geographically remote from one another but still share related issues of minor languages nation building place and race Suggesting that there is a parallel between certain motifs and themes found in the Gothic of the North Scandinavia Northern Europe and Canada and

South Australia South Africa and the US South the essays explore the transgressions and confusion of borders and limits whether they be linguistic literary generic class based gendered or sexual The volume includes essays on a wide diversity of authors and topics Jan Potocki Gustav Meyrink William Godwin Alan Hollinghurst Marlene van Niekerk John Richardson antislavery discourse and the Gothic imagination the Australian aboriginal Gothic vampires of Post Soviet Gothic society Danish Swedish and Finnish fiction and film and the Canadian female Gothic and the death drive What distinguishes this book from other collections on the Gothic is the coverage of themes and literatures that are either lacking in the mainstream research on the Gothic or are referred to only briefly in other book length studies Experts in the Gothic and those new to the field will appreciate the book's commitment to situating Gothic sensibilities in an international context Children's Books in Print, 2007, 2006 **Book Review Index**, 2004 Every 3rd issue is a quarterly cumulation *New Statesman Society*, 1990-05 A Time of Silence Michael Richards, 1998-09-17 An account of the fierce repression and economic misery in wartime Spain 1936-45 **The Cumulative Book Index**, 1997 A world list of books in the English language

Subversive Seduction Travis Landry, 2013-01-10 Male male rivalry and female passive choice the two principal tenets of Darwinian sexual selection raise important ethical questions in *The Descent of Man* and in the decades since about the subjugation of women If female choice is a key component of evolutionary success what impact does the constraint of women's choices have on society The elaborate courtship plots of 19th century Spanish novels with their fixation on suitors and selectors rivalry and seduction were attempts to grapple with the question of female agency in a patriarchal society By reading Darwin through the lens of the Spanish realist novel and vice versa Travis Landry brings new insights to our understanding of both while Darwin's theories have often been seen as biologically deterministic Landry asserts that Darwin's theory of sexual selection was characterized by an open ended dynamic whose oxymoronic emphasis on passive female choice carries the potential for revolutionary change in the status of women **The Spectator**, 1990 Books in Print Supplement, 2002 Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 *Historical Reflections*, 2005 **The Writers Directory**, 2013
