Urban Life Readings In The Anthropology Of The City:

Urban Life Walter P. Zenner, 2002 Extrait de la couverture This authoritative introduction to the study of human beings and their cultural institutions in cities offers twenty six readings more than one half new or revised for the fourth edition that form a rich blend of classic studies of enduring interest and important new research Impressive in scope the latest edition offers an entirely new section on globalism and transnationalism **Urban Life** George Gmelch, Petra

Kuppinger, 2018-01-03 More than half of the world's population lives in cities What are their lives like in very different global and globalizing cities How can urban anthropologists study and understand the diverse and complex experiences of urban dwellers all over the globe The latest edition of *Urban Life* explores questions about how to study urban lives and examines experiences of urban inhabitants in cities across the globe Authors ask questions such as how can one study the activities in a huge fish market in Tokyo How do elderly residents benefit from urban agriculture in New York City How do people maneuver ever present traffic jams in Istanbul How do low income residents in Cairo manage their lives drawing on neighborhood social networks How do immigrants fight for green spaces in Paris How do families manage transnational ties between New York City and Ecuador The book is organized into six parts Urban Fieldwork Communities Urban Structure Inequality and Survival Immigrants Migrants and Refugees Changing Cities and Current Topics in Urban Anthropology The last part addresses issues at the forefront of anthropological research and broader political debates like environmental justice disability and accessibility and access to water supplies Each part includes an introduction and each chapter is preceded by notes about its context and relevance The rich ethnographic content of the chapters makes them highly accessible to students while addressing relevant topics and themes *Urban Life* George Gmelch, Robert V. Kemper, Walter

P. Zenner, 2010 The book is organized into six parts urban fieldwork communities urban structure inequality and survival immigrants migrants and refugees changing cities and current topics in urban anthropology The last part addresses issues at the forefront of anthropological research and broader political debates like environmental justice disability and accessibility and access to water supplies Each part includes an introduction and each chapter is preceded by notes about its context and relevance The rich ethnographic content of the chapters makes them highly accessible to students while addressing relevant topics and themes Back cover Introducing Urban Anthropology Rivke Jaffe, Anouk de Koning, 2022-12-30 This book

provides an up to date introduction to the important field of urban anthropology This is a critical area of study as more than half of the world's population now lives in cities and anthropological research is increasingly done in an urban context Exploring contemporary anthropological approaches to the urban the authors consider How can we define urban anthropology What are the main themes of twenty first century urban anthropological research What are the possible future directions in the field The chapters cover topics such as urban mobilities place making and public space production and consumption and politics and governance These are illustrated by lively case studies drawn from urban settings across the

world Accessible yet theoretically incisive Introducing Urban Anthropology will be a valuable resource for anthropology students and also for those working in urban studies and related disciplines such as sociology and geography The revised second edition includes updated theoretical discussions and new ethnographic case studies It features a new chapter on neoliberalism austerity and solidarity and engages more extensively with digital transformations of urban life

Urban People and Places Daniel Joseph Monti, Michael Ian Borer, Lyn C. Macgregor, 2014-02-10 Providing a thorough and comprehensive survey of the contemporary urban world that is accessible to students Urban People and Places The Sociology of Cities Suburbs and Towns will give balanced treatment to both the process by which cities are built i e urbanization and the ways of life practiced by people that live and work in more urban places i e urbanism unlike most core texts in this area Whereas most texts focus on the socio economic causes of urbanization this text analyses the cultural component how the physical construction of places is in part a product of cultural beliefs ideas and practices and also how the culture of those who live work and play in various places is shaped structured and controlled by the built environment Inasmuch as the primary focus will be on the United States global discussion is composed with an eye toward showing how U S cities suburbs and towns are different and alike from their counterparts in Africa Asia and Central and South America

Theory in Social and Cultural Anthropology R. Jon McGee, Richard L. Warms, 2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will In response SAGE Reference plans to publish the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader s Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion

New Perspectives on Urban Deathscapes Avril Maddrell, 2023-02-14 Establishing a new set of international perspectives on experiences of death disposition and remembrance in urban

environments this book brings deathscapes material embodied and emotional places associated with dying and death to life It pushes the boundaries of established empirical and conceptual understandings of death in urban spaces through anthropological geographical and ethnographic insights Building the Inclusive City Nilson Ariel Espino,2015-03-24 Urban segregation is one of the main challenges facing urban development around the globe The usual outcome of many urban development patterns is an unequal social geography with the urban poor living in large clusters that are remote isolated dangerous or unhealthy The result is inequality in a number of dimensions of urban life from deficient urban access services or infrastructure to social isolation neighbourhood violence and lack of economic opportunity This book brings together debates on ethnic and economic segregation combining theory and practical solutions to create a guide for those trying to understand and address urban segregation in any part of the world and integrate ameliorating policies to contemporary urban development agendas **Istanbul** Nora Fisher-Onar,Susan C. Pearce,E. Fuat Keyman,2018-02-28 Istanbul explores how to live with difference through the prism of an age old cutting edge city whose people have long confronted the challenge of sharing space with the Other Located at the intersection of trade networks connecting Europe Asia and Africa Istanbul is western and eastern northern and southern religious and secular Heir of ancient empires Istanbul is the premier city of a proud nation state even as it has become a global city of multinational corporations NGOs and capital flows Rather than exploring Istanbul as one place at one time the contributors to this volume focus on the city s experience of migration and globalization over the last two centuries Asking what Istanbul teaches us about living with people whose hopes jostle with one s own contributors explore the rise collapse and fragile rebirth of cosmopolitan conviviality in a once and future world city The result is a cogent interdisciplinary exchange about an urban space that is microcosmic of dilemmas of diversity across time and space *Cities* Ian Douglas,2013-05-30 Cities are amongst our greatest creations Yet at the start of the twenty first century there is increasing concern over their unchecked expansion and the detrimental effect this is having on the planet as induced climate change and ever increasing demands upon the world s resources take effect How can we make the world s cities more sustainable Ian Douglas tells the story of cities why they exist how they have evolved the problems they have encountered and those they will face as our century progresses Global in geographical coverage and ranging from the cities of the classical world to the megacities of today it is the first comprehensive environmental history of cities **Population Displacements and Multiple Mobilities in the Late Ottoman Empire** ,2023-05-25 The long lasting Ottoman Empire was a theatre of armed conflict and human displacement Whereas military victories in the early modern period enabled its territorial expansion and internal consolidation the later centuries were shaped by military defeat and domestic turmoil setting hundreds of thousands sometimes even millions of people in motion Spanning from Europe to Asia the book reassesses these movements Rather than adopting a teleological approach to the study of the Ottoman defeat it connects late Ottoman history to wider dynamics extending or challenging existing concepts and narratives **The**

Archaeology of Israelite Society in Iron Age II Avraham Faust, 2012-06-01 Referring to several important introductory books written about the archaeology of the land of Israel William Dever once stated However adequate these may be as introductions to the basic data none makes any attempt to organize the data in terms of social structure This is a serious deficiency in Syro Palestinian and biblical archaeology when one considers that the general field of archaeology has been moving toward social archaeology for 20 years or more Dever Social Structure in Palestine in the Iron Age II Period on the Eve of Destruction in The Archaeology of Society in the Holy Land ed T E Levy London 1995 p 416 Lack of discussion of social questions has characterized the archaeology of the land of Israel for some time even though around the world these questions constitute an important component of archaeological research see for instance the work of Renfrew Flannery Gibbon Blanton Dark Bahn Hodder Trigger and many others The Archaeology of Israelite Society in Iron Age II fills this gap and analyzes the structure of society in the ancient kingdoms of Israel and Judah from an archaeological viewpoint It also applies models and theories from the field of social and cognitive archaeology using the tools of various social science disciplines anthropology sociology economics geography and so on Due to his ability to use what is probably the largest archaeological data set in the world hundreds of planned excavations thousands of salvage excavations and extensive surveys all from the small region that was ancient Israel Avi Faust contributes not only to the study of ancient Israelite society but to the most fundamental questions about ancient societies These questions include the identification of socioeconomic stratification in the archaeological record the study of family and community organization the significance of pottery small finds and architecture as indicators of wealth and more This groundbreaking monograph is one of the first attempts at a large scale study of Israelite society based primarily on the archaeological evidence The following acknowledgments were inadvertently omitted from the front matter of the volume Amihai Mazar figure 31 Amnon Ben Tor figures 40 41 Israel Antiquities Authority figures 21 24 25 26 29 30 32 33 36 and Photo 5 Israel Exploration Society figures 11 13 15 17 18 19 27 42 Israel Finkelstein figure 28 Izhak Beit Arie figures 34 35 Shimon Dar figures 22 23 The Institute of Archaeology Tel Aviv University figures 7 8 The Institute of Archaeology the Hebrew University figures 40 41 Zeev Herzog figures 6 9 10 12 14 16 20

Bhagmati: Why Hyderabad's Lost Queen Is the Soul of the City Moupia Basu, 2024 THE HISTORY OF THE CITY OF HYDERABAD AND THE LOVE STORY THAT UNDERLIES IT Sixteenth century India The Golconda Sultanate is under the dominion of the Qutb Shahis whose reign is marked as much by grandeur and power as it is by political intrigue and cultural resurgence Set against this backdrop the remarkable love story of Mohammed Quli Qutb Shah a legendary poet king and Bhagmati a Hindu devadasi from Chinchlam unfolds The stories say that the moment Quli lays eyes on Bhagmati dancing at the Nagamalleswara temple he becomes utterly captivated by her beauty He even braves the treacherous flooding Musi river just to be by her side In defiance of the prevailing societal norms their love blossoms into a connection so profound that it ignites the conception of a new city one we know today as Hyderabad From the construction of the iconic Purana Pul bridge

to the founding of Bhagnagar in Bhagmati s honour the story of Bhagmati and Mohammed Quli is one of the enduring power of love The result of deep research as well as Moupia Basu s passion for both Hyderabad and poetry this book pays homage to not only the woman who continues to be the subject of endless debates but also to the love story that keeps alive the intrinsic spirit of present day Hyderabad An absolute must read for history buffs and anyone who loves a great story **That Sinking Feeling** Stefan Wellgraf,2023-08-11 Emotions especially those of impoverished migrant families have long been underrepresented in German social and cultural studies That Sinking Feeling raises the visibility of the emotional dimensions of exclusion processes and locates students in current social transformations Drawing from a year of ethnographic fieldwork with grade ten students Stefan Wellgraf s study on an array of both classic emotions and affectively charged phenomena reveals a culture of devaluation and self assertion of the youthful post migrant urban underclass in neoliberal times

Aging in a Changing World Molly George,2021-10-15 Aging in a Changing World challenges simplified images of old people as racist nostalgic and resistant to change stereotypes that have only grown more prevalent with the Brexit vote and the 2016 election of Donald Trump This book takes a deep nuanced look at the experiences of older people who while aging in place have been profoundly impacted by global population movement and the dramatic development of modern multiculturalism around them *Urban Life* George Gmelch,Walter P. Zenner,1996 Thirty two anthropologists social scientists provide an authoritative introduction to the study of human beings their cultural institutions in cities

Encyclopedia of Social Problems Vincent N.
