Urban Myths Urban Myths:

Mysterious Urban Myths John Townsend, 2004-05-04 Discusses mysterious urban legends with codes as to their truthfulness Includes a page by page glossary of words and phrases Urban Legends Gillian Bennett, Paul Smith, 2007-04-30 Presents the basic stories behind urban myths and legends from around the world along with examples of each and groups them by theme which includes city life horror accidents disease animals sex merchandise murder and the supernatural *Urban Myths & Legends* Albert Jack, 2016-02-03 The subject of urban myths and legends is one I have been interested in for a couple of years now It occurred to me one day at lunch with friends on the Isle of Dogs that many long rambling conversations and ours are certainly long and always rambling will include a tall tale or two One person will then be reminded of a story he or she once heard which is then presented as near or actual fact The story will be introduced like this That reminds me of a story I once heard or I remember my uncle aunt sister hairdresser telling me what happened to a friend of theirs So urban legends are easy to spot and always have a ring of truth about them The events they describe could happen or might have happened to any of us Each of us could have been as unfortunate or stupid as the character s in the story and that is one of the reasons we all enjoy urban legends so much that the misfortune involved didn't happen to us but to somebody else And that makes us laugh The stories come in many different forms Some involve ghostly goings on some are about love found or lost Some centre on plain stupidity and some on unfortunate coincidences although some do have happy endings The connecting feature is that all are told and then retold and come back around in altered forms and all of them are passed around by word of mouth or especially these days via the internet where they spread like wildfire These legends so called urban although they don't need to have an urban setting are the modern day version of medieval folklore and all of the anecdotes in this collection can be recited the next time you are at lunch dinner or in the pub with friends They can make even the most unimaginative person seem interesting I promise They seem to be working for me at any rate I should point out here that many of the tales told in this collection are probably not true and that any names given apart from when they are used to back up evidence in genuine accounts are made up by me So for example if there really is a Peter Patsalides who worked at the World Trade Centre in New York prior to 11 September 2001 see Caught with his Trousers Down then I am not suggesting he was having an affair because that is also the name of a friend of mine the one who told me the story in the first place So please don't sue and leave me penniless if your marriage collapses as a result of something I have written I am sure many of the stories included must be untrue despite their ring of truth but that is part of the fun of urban legends any one of them could be true and it is up to us to decide for ourselves what to believe and what not to Some well known urban legends are bound to be missing from this book but they may well pop up in a second volume if this one proves to be popular It is only meant to be a little bit of fun and perhaps to provoke some thought and conversation Anything that does that must be a good thing and also reading this book and reciting a few of the tales might make you more popular

you never know Albert Jack **Urban Myths**, A collection of common urban legends **Urban Myths** Phil Healey, Rick Glanvill, 1992 **The Fact or Fiction Behind Urban Myths** Paul Mason, 2015-12-15 There are urban myths about all kinds of different things but how many of these myths are actually true This book takes a look at many different myths exploring their origins and assigning a fact or phony label to each after careful evaluation Fun fact boxes and amusing cartoons and illustrations help explore common beliefs can people get sucked out of an airplane bathroom s toilet Do human fingernails keep growing after a person dies The only way to find the truth is to keep turning the page **The Urban Myths of Popular Modern Atheism** Paul E. Hill, 2019-02-22 How Atheists rely on urban myths about religion to buttress their case against God God and the whole business of being dependent upon him is being downgraded downsized downplayed and most of all just plain dismissed in the modern cultured educated parts of Europe and in academia This process is powered and driven by a whole growing series of interlocked urban myths about what is supposed to be involved in being a religious and often specifically Christian believer This book examines and critiques those myths showing how the Christian faith can be intelligent and supported by reason **Urban Legends Uncovered** Mark Barber, 2007 From campfire classics that send shivers down the spine to the paranoia that followed the events of 9 11 this compelling book relates and then investigates the origins of urban myths **The Best Book of Urban Myths Ever!** Yorick Brown, Mike Flynn, 1998 From phantom hitchhikers to poodles on the menu The Best Book of Urban Myths Ever presents a collection of tall tales of extremely dubious origin The Complete Idiot's Guide to Urban Legends Brandon Toropov, 2001 A collection of modern day urban myths and folklore explores questions relating to famous figures government conspiracies paranoia revenge chain letters and humiliating experiences Scottish Urban Myths Sheena Blackhall, Grace Banks, 2014-10-06 Monsters lunatics vampires werewolves and evil dolls stones entombing bodies faces appearing in walls curses and meetings with the Devil all this and more are contained within this book of myths and ancient legends Well known storytellers Grace Banks and Sheena Blackhall recount a range of intriguing tales from the top to the bottom of Scotland from ancient times to the present day Folklore embeds itself in a local community often to the extent that some people believe all manner of mysteries and take them as fact Whether they re stories passed around the school playground through the Internet or round a flickering campfire such legends are everywhere Scottish Urban Myths and Ancient Legends is a quirky and downright spooky ride into the heart of Celtic folklore Urban Myths about Learning and Education Pedro De Bruyckere, Paul A. Kirschner, Casper D. Hulshof, 2015-03-06 Many things people commonly believe to be true about education are not supported by scientific evidence Urban Myths about Learning and Education examines commonly held incorrect beliefs and then provides the truth of what research has shown Each chapter examines a different myth with sections on learning the brain technology and educational policy A final section discusses why these myths are so persistent Written in an engaging style the book separates fact from fiction regarding learning and education Recognize any of these myths People have different styles of

learning Boys are naturally better at mathematics than girls We only use 10% of our brains The left half of the brain is analytical the right half is creative Men have a different kind of brain from women We can learn while we are asleep Babies become smarter if they listen to classical music These myths and more are systematically debunked with useful correct information about the topic in question Debunks common myths about learning and education Provides empirical research on the facts relating to the myths Utilizes light hearted approachable language for easy reading **Stranger Than Fiction**,2000 **The Baby Train and Other Lusty Urban Legends** Jan Harold Brunvand,1994-10-17 America s foremost folk detective is back sniffing out those zany but dubious stories that really happened to your sister s boyfriend s accountant Here Brunvand tracks the tales making today s dinner party circuit tales such as The Body in the Bed **Urban Legends** Ngaire E. Genge,2010-06-09 Urban Legends is a remarkably complete collection of the modern myths that make the rounds in offices college dorms and every other place where people tell the stories that spring from our deepest fears and fascinations Every culture has its folktales including ours Except instead of involving gods and goddesses or princes and princesses ours involve some guy my sister s best friend knows or someone who woke up in a motel room They happened supposedly to real people usually recently in a particular place And they touch the most sensitive nerves of our psyches with ironic twists gross out shocks and moral lessons learned the hard way From the classic tale The Mexican Pet in which the dog turns out to be no Chihuahua to the more unappetizing story of condoms as fast food burger garnish from surgically skilled kidney thieves to sexual experiments that end in the emergency room Urban Legends relates more 300 of the most enticing macabre and unforgettable tales Expertly told they are arranged in such chapters as Crazy Little Thang Called Sex Oh Scare Me Campus Capers Corporate Convolutions and So Much For Comfort Food Fascinating chilling and occasionally repulsive Urban Legends has all your favorites and hundreds more *Encyclopedia of Urban Legends* Jan Harold Brunvand,2002 Presents descriptions of hundreds of urban legends and their variations themes and scholarly approaches to the genre including such tales as disappearing hitchhikers and hypodermic needles left in the coin slots of pay telephones Urban Legends Unwrapped Barrett Williams,ChatGPT,2025-04-10 Unveil the hidden mysteries of modern folklore with Urban Legends Unwrapped an enthralling journey into the heart of the myths that captivate our imagination This eBook delves into the rich tapestry of urban legends unraveling the cultural and psychological threads that make these tales both irresistible and revealing Begin your exploration with the foundational elements of urban legends understanding the role they play in society as mirrors of our deepest fears and moral lessons As you move through the chapters discover how these legends have evolved from oral traditions into the digital folklore that permeates today s internet driven world From email chain letters to viral mythology see how these stories adapt and thrive in the age of technology Dive into specific spine chilling tales such as the vanishing hitchhikers and haunted houses examining the common threads and regional variations that give each legend its unique flavor Explore the dark corners of society through myths like the sewer alligators and the organ stealing kidney

heist uncovering the blurred lines between fact and fiction Confront the chilling narratives of ghostly apparitions including the universal figure of the White Lady and analyze the worldwide phenomenon of Black Eyed Children Each legend is more than a mere story it s a reflection of our collective anxieties and societal challenges Unravel technology based myths like the CPU candle and trace the evolution of traditional legends like vampires as they adapt to contemporary urban landscapes The book also takes you inside the creation of new legends using Slender Man as a case study to explore the cultural impacts of user generated myths Finally Urban Legends Unwrapped dissects the psychological allure that keeps us captivated by these stories and considers their lasting impact on behavior in an ever changing world Immerse yourself in this compelling analysis and see how urban myths shape and are shaped by the societies that spin them [History Of Urban Legends](#) Nicky Huys,2025-10-25 History Of Urban Legends delves into the captivating world of urban legends exploring the origins cultural significance and evolution of these haunting tales From the chilling whispers of the Hookman to the eerie presence of Slender Man this book investigates how these stories shape our fears and reflect societal anxieties With thorough research and engaging narratives readers will journey through time uncovering the roots of each legend and its impact on our collective consciousness The interplay between folklore and modern life is examined showcasing how these narratives adapt and thrive in contemporary culture Whether you are a skeptic or a believer this book offers a fascinating glimpse into the stories that haunt our cities and minds revealing the truth behind the legends that have intrigued generations Join us as we unravel the mystery and allure of urban legends one chilling tale at a time *Urban Legends of Theology* Michael E. Wittmer,2023-05-01 Urban Legends of Theology by Michael Wittmer tackles commonly held beliefs that are misconceptions of Christian teaching gently demonstrating a more accurate understanding of each one **Film, Folklore and Urban Legends** Mikel J. Koven,2008 From Alien to When a Stranger Calls many films are based on folklore or employ an urban legend element to propel the narrative But once those traditional aspects have been identified do they warrant further scrutiny Indeed why is the study of folklore in popular film important In Films Folklore and Urban Legends Mikel J Koven addresses this issue by exploring the convergence of folklore with popular cinema studies Well beyond the identification of traditional motifs in popular cinema Koven reveals new paradigms of filmic analysis which open up when one looks at movies through the lens of folklore In particular this book focuses on the study of urban legends and how these narratives are used as inspiration for a number of films Divided into five sections the book begins with a general survey of the existing literature on folklore film predominantly from the perspective of folklore studies Subsequent chapters address discourses of belief how urban legends provide the organizing principle of some films and how certain films act out or perform a legend Movies discussed in this book include Alligator Candyman The Curve Dead Man on Campus I Know What You Did Last Summer Urban Legend Weekend at Bernie s and The Wicker Man as well as zombie films killer bee movies and slasher films including Halloween Black Christmas The Burning and Terror Train Koven also devotes attention to key television shows such as The X

Files and Most Haunted In his analysis Koven explains not only how film and television narratives are built upon already existing popular culture beliefs but also how films and television shows recycle those beliefs back into popular culture Taken as a whole Film Folklore and Urban Legends both stands on its own as the first book length study of folklore and popular cinema and as an introductory textbook for the study of folklore and film
