Principles for Women Karol Ladd, 2013 In *A Couple After God's Own Heart Interactive Workbook*, Jim and Elizabeth George build on the content of their book *A Couple After God's Own Heart* to create a companion guide that leads husbands and wives through a fascinating study on God's plan for marriage. Through a unique blend of Bible study material, questions for thought, and "What Can I Do Today" applications, couples will grow a closer and deeper union as they learn from the successes and failures of key couples in the Bible, discover the essentials to a better marriage, participate in discussions designed to stimulate communication with each other, set and apply goals that help husbands and wives be all God designed them to be, determine how to make the best of the strengths and weaknesses in their relationship. This friendly and practical study offers life lessons from a variety of well-known couples in Scripture and will equip spouses to experience more and more of the incredible bliss only God can bring into a marriage. *The Stress Cure* Linda Evans Shepherd, 2014-09-09 We live in a world filled to the brim with advice, and when it comes to dealing with stress, there's plenty of advice to go around. Through captivating stories, explorations of fascinating biblical characters, and examples of deeper-than-ever prayers, she brings within readers' grasp the peace that passes understanding.
