

THROUGH A SPECULUM THAT SHINES

VISION AND IMAGINATION IN
MEDIEVAL JEWISH MYSTICISM

Elliot R. Wolfson

Through A Speculum That Shines

Daniel Reiser

Through A Speculum That Shines:

Through a Speculum that Shines Elliot R. Wolfson, 1994 Judaic scholar Elliot Wolfson's triple award winning study examines Jewish mystical texts from late antiquity pre kabbalistic sources from the 10th to the 12th centuries and 12th and 13th century kabbalistic literature describing Jewish mysticism and the overwhelmingly visual nature of religious experience in Jewish spirituality from antiquity through the late Middle Ages *New Paths in Jewish and Religious Studies* Glenn Dynner, Susannah Heschel, Shaul Magid, 2024-06-15 The work of Elliot R Wolfson has profoundly influenced the fields of Jewish studies as well as philosophy and religion more broadly His radically new approaches have created pioneering ways of analyzing texts and thinking about religion through the lens of gender sexuality and feminist theory The contributors to *New Paths in Jewish and Religious Studies* Essays in Honor of Professor Elliot R Wolfson many of whom are internationally renowned scholars hearken from diverse fields Each has learned from and collaborated with Wolfson as student or colleague and each has expanded the new scholarly directions initiated by Wolfson's groundbreaking work Wolfson's scholarship gives us innovative ways to think about Judaism and a fresh understanding of religion Not only a scholar Wolfson is one of the most important Jewish thinkers of our day Chapters are grouped according to the categories of religion Jewish thought and philosophy and a focused section on Kabbalah Wolfson's primary specialization The volume concludes with a bibliography of Wolfson's published work and a selection of his poetry *The Zohar* Daniel Chanan Matt, 2007 *Sefer ha Zohar* The Book of Radiance has amazed and overwhelmed readers ever since it emerged mysteriously in medieval Spain toward the end of the thirteenth century Written in a unique lyrical Aramaic this masterpiece of Kabbalah exceeds the dimensions of a normal book it is virtually a body of literature comprising over twenty discrete sections The bulk of the Zohar consists of a running commentary on the Torah from Genesis through Deuteronomy This fourth volume of The Zohar Pritzker Edition covers the first half of Exodus Here we find mystical explorations of Pharaoh's enslavement of the Israelites the birth of Moses the deliverance from Egypt the crossing of the Red Sea and the Revelation at Mount Sinai Throughout the Zohar probes the biblical text and seeks deeper meaning for example the nature of evil and its relation to the divine realm the romance of Moses and Shekhinah and the inner meaning of the Ten Commandments In the context of the miraculous splitting of the Red Sea Rabbi Shim'on reveals the mysterious Name of 72 a complex divine name consisting of 216 letters 72 triads formed out of three verses in Exodus 14 These mystical interpretations are interwoven with tales of the Companions rabbis wandering through the hills of Galilee sharing their insights coming upon wisdom in the most astonishing ways from a colorful cast of characters they meet on the road **Autobiographical Biblical Criticism**, 2019-05-21 The autobiographical turn in biblical criticism reveals the interpreter's I and reclaims it as an essential critical category issuing a challenge to traditional objective criticism Pioneers in the field have contributed essays both practical and theoretical They offer stimulating autobiographical readings of Hebrew Bible and New Testament texts and address hermeneutical issues that are at stake in

this young field of criticism The Zohar: Reception and Impact Boaz Huss, 2016-05-12 National Jewish Book Awards Finalist for the Nahum N Sarna Memorial Award for Scholarship 2016 From its first appearance the Zohar has been one of the most sacred authoritative and influential books in Jewish culture Many scholarly works have been dedicated to its mystical content its literary style and the question of its authorship This book focuses on different issues it examines the various ways in which the Zohar has been received by its readers and the impact it has had on Jewish culture including the fluctuations in its status and value and the various cultural practices linked to these changes This dynamic and multi layered history throws important new light on many aspects of Jewish cultural history over the last seven centuries Boaz Huss has broken new ground with this study which examines of the reception and canonization of the Zohar as well as its criticism and rejection from its inception to the present day His underlying assumption is that the different values attributed to the Zohar are not inherent qualities of the zoharic texts but rather represent the way it has been perceived by its readers in different cultural contexts He therefore considers not only the attribution of different qualities to the Zohar through time but also the people who were engaged in attributing such qualities and the social and cultural functions associated with their creation re creation and rejection For each historical period from the beginning of Zohar scholarship to the present Huss considers the social conditions that stimulated the veneration of the Zohar as well as the factors that contributed to its rejection alongside the cultural functions and consequences of each approach Because the multiple modes of the reception of the Zohar have had a decisive influence on the history of Jewish culture this highly innovative and wide ranging approach to Zohar scholarship will have important repercussions for many areas of Jewish studies **The Encyclopedia of Jewish Myth, Magic & Mysticism** Geoffrey W. Dennis, 2016-02-08 An erudite lively compendium of Jewish magical beliefs practices texts and individuals superb comprehensive belongs in every serious library Richard M Golden Director of the Jewish Studies Program University of North Texas and editor of The Encyclopedia of Witchcraft The Western Tradition Jewish esotericism is the oldest and most influential continuous occult tradition in the West Presenting lore that can spiritually enrich your life this one of a kind encyclopedia is devoted to the esoteric in Judaism the miraculous and the mysterious In this second edition Rabbi Geoffrey W Dennis has added over thirty new entries and significantly expanded over one hundred other entries incorporating more knowledge and passages from primary sources This comprehensive treasury of Jewish teachings drawn from sources spanning Jewish scripture the Talmud the Midrash the Kabbalah and other esoteric branches of Judaism is exhaustively researched yet easy to use It includes over one thousand alphabetical entries from Aaron to Zohar Chadash with extensive cross references to related topics and new illustrations throughout Drawn from the well of a great spiritual tradition the secret wisdom within these pages will enlighten and empower you Rabbi Dennis has performed a tremendously important service for both the scholar and the novice in composing a work of concise information about aspects of Judaism unbeknownst to most and intriguing to all Rabbi Gershon Winkler author of Magic of the Ordinary Recovering the Shamanic

in Judaism **On Wings of Moonlight** Barbara Ellen Galli, 2007-03-07 On Wings of Moonlight a phrase taken from one of the poems illuminates the poetic and philosophic kinship between Wolfson Franz Rosenzweig one of his influences since graduate school and Paul Celan Displaying a deep knowledge of the literary philosophical Jewish and feminist traditions informing Wolfson s academic work Galli argues that his prose cannot be fully appreciated without consideration of its poetic dimensions *Imagery Techniques in Modern Jewish Mysticism* Daniel Reiser, 2018-07-09 This book analyzes and describes the development and aspects of imagery techniques a primary mode of mystical experience in twentieth century Jewish mysticism These techniques in contrast to linguistic techniques in medieval Kabbalah and in contrast to early Hasidism have all the characteristics of a full screenplay a long and complicated plot woven together from many scenes a kind of a feature film Research on this development and nature of the imagery experience is carried out through comparison to similar developments in philosophy and psychology and is fruitfully contextualized within broader trends of western and eastern mysticism Nahmanides Moshe Halbertal, 2020-09-22 A broad systematic account of one of the most original and creative kabbalists biblical interpreters and Talmudic scholars the Jewish tradition has ever produced Rabbi Moses b Nahman 1194 1270 known in English as Nahmanides was the greatest Talmudic scholar of the thirteenth century and one of the deepest and most original biblical interpreters Beyond his monumental scholastic achievements Nahmanides was a distinguished kabbalist and mystic and in his commentary on the Torah he dispensed esoteric kabbalistic teachings that he termed By Way of Truth This broad systematic account of Nahmanides s thought explores his conception of halakhah and his approach to the central concerns of medieval Jewish thought including notions of God history revelation and the reasons for the commandments The relationship between Nahmanides s kabbalah and mysticism and the existential religious drive that nourishes them as well as the legal and exoteric aspects of his thinking are at the center of Moshe Halbertal s portrayal of Nahmanides as a complex and transformative thinker **Is there a Judeo-Christian Tradition?** Emmanuel Nathan, Anya Topolski, 2016-03-21 The term Judeo Christian in reference to a tradition heritage ethic civilization faith etc has been used in a wide variety of contexts with widely diverging meanings Contrary to popular belief the term was not coined in the United States in the middle of the 20th century but in 1831 in Germany by Ferdinand Christian Baur By acknowledging and returning to this European perspective and context the volume engages the historical theological philosophical and political dimensions of the term s development Scholars of European intellectual history will find this volume timely and relevant
