

# THUNDER OUT OF CHINA

The book cover features a dramatic landscape. The upper half shows a dark, stormy sky with heavy, grey clouds. Below the sky is a body of water, possibly a sea or a large river, with a white, misty or foggy horizon. The lower half of the cover is a bright red field with a black grid pattern. A black, wavy line, resembling a river or a path, winds across the red field. The title 'THUNDER OUT OF CHINA' is printed in large, bold, yellow capital letters across the top half of the cover.

*Thunder Out of China* De Trenck,2001-01-01      *Thunder Out of China - Primary Source Edition* Theodore H. White,Annalee Jacoby,2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

**Thunder Out of China** Theodore Harold White,1947      *Taste of War* Lizzie Collingham,2012-03-29 A New York Times Notable Book of 2012 Food and in particular the lack of it was central to the experience of World War II In this richly detailed and engaging history Lizzie Collingham establishes how control of food and its production is crucial to total war How were the imperial ambitions of Germany and Japan ambitions which sowed the seeds of war informed by a desire for self sufficiency in food production How was the outcome of the war affected by the decisions that the Allies and the Axis took over how to feed their troops And how did the distinctive ideologies of the different combatant countries determine their attitudes towards those they had to feed Tracing the interaction between food and strategy on both the military and home fronts this gripping original account demonstrates how the issue of access to food was a driving force within Nazi policy and contributed to the decision to murder hundreds of thousands of useless eaters in Europe Focusing on both the winners and losers in the battle for food The Taste of War brings to light the striking fact that war related hunger and famine was not only caused by Nazi Germany and Imperial Japan but was also the result of Allied mismanagement and neglect particularly in

India Africa and China American dominance both during and after the war was not only a result of the United States immense industrial production but also of its abundance of food This book traces the establishment of a global pattern of food production and distribution and shows how the war subsequently promoted the pervasive influence of American food habits and tastes in the post war world A work of great scope *The Taste of War* connects the broad sweep of history to its intimate impact upon the lives of individuals

*Edgar Snow* John Maxwell Hamilton,2003-09-25 Edgar Snow 1905 1972 was one of the most notable Western journalists to report on China in both the revolutionary and postrevolutionary periods He first became famous in the mid 1930s when he broke through a Nationalist blockade and reached the Communists in northwest China For nearly a decade no foreign reporter had seen the Communists who were widely regarded as a ragtag bandit army Snow took them seriously as a national movement His reporting in the now famous book *Red Star over China* was major news even to the Chinese thousands of whom joined the Communists after reading it It has remained a seminal reference on the early Chinese Communist movement In this award winning biography journalist John Maxwell Hamilton follows Snow from his birth in Kansas City to his rise as a celebrated foreign correspondent for the *Saturday Evening Post* his ostracism during the cold war and his role as a singular journalistic bridge between Communist China and the United States With a new preface by the author this revealing portrait of the widely misunderstood Snow firmly establishes him as a model for the kind of committed reporting that is crucial to understanding our interdependent world
