He originally wanted to let him experience the suffering of reincarnation and become a nobody but he never would have thought that this act of kindness would shock the heavens, the earth, and the people. Fighting against a group of devils for the sake of beauties traveling with lightning speed through the wind and rain, his cultivation base was long and valiant, his body proud and unyielding as he battled against the heaven's pride level experts. Holding the Godkiller Axe in his hand, splitting the heavens and splitting the earth, causing the stars to tremble, cultivating the power of primal chaos, shaking both ancient and modern gods and ghosts to howl. *Psychic and New Age Topics Volume 2* Absolutely Psychic, 2014-05-27 Learn about Psychic Phenomena, New Age Topics, Meditation, Spirit Guides, Scrying, and many topics that are underwritten.
