Time Continuity And Indeterminacy A Pragmatic Engagement With Contemporary Perspectives:

Time, Continuity, and Indeterminacy Sandra B. Rosenthal, 2000-02-10 Focusing on the issue of temporality this book explores the assumptions guiding the frameworks of philosophers who have shaped the contours of the contemporary philosophical landscape including Whitehead Weiss Derrida McTaggart and Heidegger In the process it remaps the terrain often finding similarities where differences some quite radical are generally accepted and finding differences where similarities are generally accepted Rosenthal exposes the pragmatic perspective of temporality involving a radical rethinking of traditional ways of understanding and interrelating the key issues of time discreteness and continuity fixity and indeterminacy potentiality actuality and possibility past present and future **The Bloomsbury Companion to Pragmatism** Sami Pihlström, 2015-05-21 Pragmatism provides not just a theoretical perspective on science and inquiry but ways of being in the world of knowing the reality we inhabit Approaching this philosophical tradition as a diverse set of philosophies that it is The Bloomsbury Companion to Pragmatism introduces many of the ideas and debates at the centre of the field today Focusing on issues in 12 different subject areas this up to date companion covers current research in aesthetics economics education ethics history law metaphysics politics race religion science and technology language and social theory Supported by an introduction to research methods and problems as well as a guide to past and future directions in the field the chapters are also enhanced by a glossary research guide and an annotated bibliography For anyone working in contemporary pragmatism or modern American philosophy more generally this companion provides a practical means of navigating what can sometimes feel like a disparate field Showing where important work continues to be done the tensions that exist and most valuably the exciting new directions the field is taking The Bloomsbury Companion to Pragmatism expands our understanding of the role of pragmatism in 21st century philosophy **God the Created** Benjamin J. Chicka, 2022-02-01 In God the Created Benjamin Chicka develops a method of inquiry and program for theology that he labels pragmatic constructive realism While influenced most heavily by American pragmatism especially that of Charles S Peirce Chicka s method draws upon a variety of sources ranging from Plato to Karl Popper Paul Tillich and the field of biosemiotics Chicka presents pragmatic constructive realism as a means of moving past binary debates between realism and antirealism in both philosophy and theology and its fruitfulness is displayed by examining the philosophical theologies of John Cobb and Robert Cummings Neville The result of that engagement is a novel hypothesis about God that embraces legitimate criticisms of both process theology Cobb and ground of being theology Neville while integrating insights from both ways of thinking God s transcendence and immanence indeterminacy and determinacy are fully affirmed The entire argument serves as an example of why a fallible and pluralistic form of theology one that embraces and learns from difference instead of trying to eliminate it is important for the future of theology *Process Pragmatism* , 2022-06-08 This book discusses Process Pragmatism the view that whatever is derives from interactions The contributors examine and defend its merits by focusing

on major topics including truth the existence of unobservables the origin of knowledge scientific activity mathematical functions laws of nature and moral agency **The Continuum Companion to Pragmatism** Sami Pihlström, 2011-06-30 The Continuum Companion to Pragmatism offers the definitive guide to a key area of contemporary philosophy The book covers all the fundamental questions asked by pragmatism areas that have continued to attract interest historically as well as topics that have emerged more recently as active areas of research Twelve specially commissioned essays from an international team of experts reveal where important work continues to be done in the area and most valuably the exciting new directions the field is taking The Companion explores issues pertaining to aesthetics economics education ethics history law metaphysics politics race religion science and technology language and social theory Featuring a series of indispensable research tools including an A to Z of key terms and concepts a chronology a detailed list of resources and a fully annotated bibliography this is the essential reference tool for anyone working in contemporary pragmatism or modern American philosophy more generally **The Significance of Indeterminacy** Robert H. Scott, Gregory S. Moss, 2018-07-20 While indeterminacy is a recurrent theme in philosophy less progress has been made in clarifying its significance for various philosophical and interdisciplinary contexts This collection brings together early career and well known philosophers including Graham Priest Trish Glazebrook Steven Crowell Robert Neville Todd May and William Desmond to explore indeterminacy in greater detail The volume is unique in that its essays demonstrate the positive significance of indeterminacy insofar as indeterminacy opens up new fields of discourse and illuminates neglected aspects of various concepts and phenomena The essays are organized thematically around indeterminacy's impact on various areas of philosophy including post Kantian idealism phenomenology ethics hermeneutics aesthetics and East Asian philosophy They also take an interdisciplinary approach by elaborating the conceptual connections between indeterminacy and literature music religion and science *exlibris* Giovanni Corbellini, 2022-05-18 Architects write a lot especially now when conceptual aspects have become central in the advanced reflections and narrative forms increasingly intersect the quest of design practices far an ultimate legitimation In the growing mass of the publishing offer these keywords try to highlight recurrent issues tracking synthetic paths of orientation between different critical positions with particular attention to what happens in the neighbouring fields of the arts and sciences **Pragmatism and Religion** Stuart E. Rosenbaum, 2003 This distinctive collection of classical and contemporary readings comes at a time when pragmatism is undergoing a renaissance across a spectrum of disciplines Pragmatism and Religion addresses an important but overlooked issue whether or not the deep passions and commitments of American pragmatism's central figures are independent of Western religious traditions The first of the book's three sections samples pragmatism's religious roots Classical Sources includes works by John Winthrop Jonathan Edwards Henry David Thoreau and Ralph Waldo Emerson as well as Charles Sanders Peirce's Evolutionary Love William James's Philosophy chapter 18 of The Varieties of Religious Experience and selections by John Dewey W E B Du Bois

John McDermott and Richard Rorty Part 2 Contemporary Essays on the American Tradition of Religious Thought features Richard Bernstein's Pragmatism's Common Faith Stuart Rosenbaum's Morality and Religion and Robert Westbrook's Uncommon Faith among others Part 3 Theism Secularism and Religion Seeking a Common Faith includes Raymond D Boisvert's What Is Religion Sandra B Rosenthal's Spirituality and the Spirit of American Pragmatism Carl Vaught's Dewey's Conception of the Religious Dimension of Experience and Steven C Rockefeller's Faith and Ethics in an Interdependent World among others Stuart Rosenbaum's contemporary contributors are among the best in the fields of pragmatism and pragmatism in religion A unique resource Pragmatism and Religion will serve students of religion history and philosophy as well as those in interdisciplinary core courses
