Time For Learning Presidents

Diane Holloway

Time For Learning Presidents:

Public Papers of the Presidents of the United States United States. President, 2005 Containing the public messages speeches and statements of the President 1956 1992 Public Papers of the Presidents of the United States, William J. Clinton United States. President (1993-2001 : Clinton), 1994 Public Papers of the Presidents of the United States, William J. Clinton: Jan. 20-July 31, 1993. bk. 2. Aug. 1-Dec. 31, 1993 United States. President (1993-2001 : Clinton), 1994

Presidents and the American Environment Otis L. Graham, Jr., 2015-06-23 In 1891 Benjamin Harrison the first president engaged in conservation had to have this new area of public policy explained to him by members of the Boone and Crockett Club This didn't take long as he was only asked to sign a few papers setting aside federal timberland But from such small moments great social movements grow and the course of natural resource protection policy through 22 presidents has altered Americans relationship to the natural world in then almost unimaginable ways Presidents and the American Environment charts this course Exploring the ways in which every president from Harrison to Obama has engaged the expanding agenda of the Nature protection impulse the book offers a clear close up view of the shifting and nation shaping mosaic of both green and brown policy directions over more than a century While the history of conservation generally focuses on the work of intellectuals such as Muir Leopold and Carson such efforts could only succeed or fail on a large scale with the involvement of the government and it is this side of the story that Presidents and the American Environment tells On the one hand we find a ready environmental engagement as in Theodore Roosevelt's establishment of Pelican Island bird refuge upon being informed that the Constitution did not explicitly forbid it On the other hand we have leaders like Calvin Coolidge playing hide and seek games in the Oval Office while ignoring reports of coastal industrial pollution The book moves from early cautious sponsors of the idea of preserving public lands to crusaders like Theodore Roosevelt from the environmental implications of the New Deal to the politics of pollution in the boom times of the forties and fifties from the emergence of environmentalism to recent presidential detractors of the cause From Harrison's act which established the American system of National Forests to Barack Obama's efforts on curbing climate change presidents have mattered as they resisted or used the ever changing tools and objectives of environmentalism In fact with a near even split between browns and greens over those 22 administrations the role of president has often been decisive How and how much distinguished historian Otis L. Graham Jr describes in full for the first time in this important contribution to American environmental history **Analyzing Leaders, Presidents and Terrorists** Diane Holloway, 2002 Analyzing Leaders Presidents and Terrorists will astonish entertain and inform those interested in what makes leaders tick Matters of the greatest moment hinge on the psychological health of world leaders and profoundly affect their administration How can we ensure that rational decisions are being made when the person elected or leaders affecting our nation are not psychologically healthy This book examines 13 leaders Truman Hitler Mao Khrushchev Castro Kennedy Johnson Meir Nixon Reagan Thatcher

Saddam Hussein and Osama bin Laden It explores their upbringing morals sexual behavior use and abuse of power leadership style what they do when the going gets tough accomplishments and shortcomings It is a disquieting thought provoking study This powerful analysis provides good information for parents employers governments and anyone who is interested in those who have shaped the modern world **Public Papers of the Presidents of the United States:**

William J. Clinton, 1997 Clinton, William J.,1998-01-01 Public Papers of the Presidents of the United States **Public Papers of the Presidents of the United States, William J. Clinton, 1997, Book 1, January 1 to June 30, 1997**

,1999-02 Public Papers of the Presidents of the United States William J Clinton 1997 Book 1 January 1 to June 30 1997 Public Papers of the Presidents William J Clinton 1997 by the Office of the Federal Register contains official public messages statements speeches and news conferences of the 42nd President of the United States William J Clinton released by the White House from January 1 through June 30 1997 The documents contained within this handsome hardbound edition of the Public Papers are arranged in chronological order Included in this handsome edition is an index and appendices Related items Public Papers of the Presidents collection can be found here <https://bookstore.gpo.gov/catalog/public/papers/presidents>

Public Papers of the Presidents of the United States, William J. Clinton, 1995, Bk. 1, January 1 to June 30, 1995 William J. Clinton, *Witness to Power: The Life of Fleet Admiral William D. Leahy* Henry H. Adams,2021-12-12 Fleet Admiral William Daniel Leahy 1875 1959 served as the most senior US military officer on active duty during World War II As Chief of Naval Operations 1937 1939 he oversaw the US Navy s preparations for war After retiring from the Navy he was appointed governor of Puerto Rico in 1939 by his close friend President Franklin D Roosevelt before serving as US Ambassador to France 1940 42 in Vichy where he had limited success keeping the Vichy government free of German control Leahy was recalled to active duty as personal Chief of Staff to FDR in 1942 and chaired the Joint Chiefs of Staff throughout World War II He continued as personal Chief of Staff under President Harry S Truman until his retirement in 1949 This is probably the definitive biography of Admiral Leahy Adams has worked hard on this book it is well written well researched and comprehensive James Leutze The American Historical Review A workmanlike and overdue biography of a naval officer too long relegated to the shadows Biographer Adams reminds us that the reticent admiral was a truly unique figure The author relates that Leahy once told an aide that when asked about him the aide should Tell him anything so long as it s the truth Professor Adams has heeded that admonition and while the result isn t racy it is certainly sound Richard S Cloward Naval War College Review Henry Adams has produced an excellent and much needed chronicle of a man generally ignored during most of his active life by the mass media In addition the book is enjoyable to read Burton Wright Armed Forces Society **San Francisco Daily Times** ,1902
