Humanist Reason

Eric Hayot, 2021-02-16 Ask just about any humanist and you will hear that the humanities are in a crisis Facing utilitarian approaches to education the corporatization of the university plummeting enrollments budget cuts and political critiques from right left and center humanists find themselves on the defensive Eric Hayot argues that it is time to make a positive case for what the humanities are and what they can become Hayot challenges scholars and students in the humanities to rethink and reconsider the work they do Examining the origins of the humanist ethos in nineteenth century Germany and

tracing its philosophical roots back to Immanuel Kant Hayot returns to the history of justifications for the humanities in order to build the groundwork for their future development He develops the concept of humanist reason to understand the nature of humanist intellectual work and lays out a series of principles that undergird this core idea Together they constitute a provocative intellectual and practical program for a new way of thinking about the humanities humanist thought and their role in the university and beyond Rather than appealing to familiar ethical or moral rationales for the importance of the humanities Humanist Reason lays out a new vision that moves beyond traditional disciplines to demonstrate what the humanities can tell us about our world

The Beginner Writer Geetanjali Mukherjee,2020-08-30 Review The Beginner Writer How to write and finish your first book is a great place for the new writer to start and offers plenty of reminders and refreshers for those further into their craft A valuable resource Sarah Jackson book blogger People often say I wish I had the time to write a book I wish I could take six months off to write or I don t have the discipline There are many reasons to write a book Some people want to write a book for the same reason that others decide to climb a mountain or join an Ironman competition it is a challenge and you feel a sense of achievement when you have completed it Maybe you would like to be able to tell your peers that you wrote a book Or you want to become a speaker or consultant and writing a book on your method or ideas will give you added credibility Perhaps you would like to write a book for your grandchildren telling them what it was like to live through the Vietnam war or the historic era of Obama s presidency or the global pandemic Maybe you want to ensure that your family s favorite recipes are recorded for posterity Whatever the reason if you have always wanted to write a book but didn t think that you could do it or didn t know how to go about it this book will help you get from the blank page to a finished book The book covers the basics of writing a book whether it is non fiction or a novel from getting the initial idea to writing a first draft all the way to a finished book You will learn how to find time to write dealing with writer s block and editing If you have wanted to write a book for years but did not know where to start this book will give you the tools to finally have a completed book that you can hold in your hands I want to show you how to finally finish writing your book To show you that you can take your dream from I wish to I did

57 Ways to Screw Up in Grad School Kevin D. Haggerty,Aaron Doyle,2015-08-15 Don t think about why you re applying Select a topic for entirely strategic reasons Choose the coolest supervisor Write only to deadlines Expect people to hold your hand Become that student When it comes to a masters or PhD program most graduate students don t deliberately set out to fail Yet of the nearly 500 000 people

who start a graduate program each year up to half will never complete their degree Books abound on acing the admissions process but there is little on what to do once the acceptance letter arrives Veteran graduate directors Kevin D Haggerty and Aaron Doyle have set out to demystify the world of advanced education Taking a wry frank approach they explain the common mistakes that can trip up a new graduate student and lay out practical advice about how to avoid the pitfalls Along the way they relate stories from their decades of mentorship and even share some slip ups from their own grad experiences The litany of foul ups is organized by theme and covers the grad school experience from beginning to end selecting the university and program interacting with advisors and fellow students balancing personal and scholarly lives navigating a thesis and creating a life after academia Although the tone is engagingly tongue in cheek the lessons are crucial to anyone attending or contemplating grad school 57 Ways to Screw Up in Grad School allows you to learn from others mistakes rather than making them yourself

The Top Books of the Year Write It Up Paul Silvia The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Write It Up Paul Silvia : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Write It Up Paul Silvia : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
