was 80 years old 3 The children of Israel wondered around in the wilderness then came to Jordan and refused to cross over Their faith was weak God sent them back into the wilderness to ramble some more For a total of 40 years they wandered in the wilderness Then God took Moses on his 120 birthday Because their faith was so weak they were sent back out to wander another 40 years and that generation was not allowed to see the promise land 4 After wandering around for a 40 year period in the wilderness then Joshua led the Children of Israel across Jordan and took Jericho 5 Isaac was 40 years old when he took Rebekah to wife 6 Esau was 40 years old when he took the Hittite to wife 7 Joshua was 40 years old when Moses assigned him to go into Jericho as a spy 8 40 years later Joshua led the children of Israel into Jericho 9 In Judges the land had rest 40 years 10 Also in Judges the land was in quite for 40 years peace 11 When the children of Israel did not obey God in Judges he delivered them up to the Philistines control for 40 years 12 Samuel judged Israel forty years 13 Sauls son was 40 years old when he be

Watt, 2010-04-01 In a world full of self help books and personal growth seminars we are bombarded with images of what life should be and what success really is From the moment of our birth we are surrounded by temptation and by pressure to conform and we are conditioned to adhere to society's standards It is this problem says author Mark D Watt that distracts us from the true issue What is success and where does it really come from Speaking from his own life experience Watt reminds us that success only comes from one book the Bible A life focused on man's goals and successes ignores that these principles stem from the Bible itself which Watt refers to as the Basic Instructions Before Leaving Earth and that earthly successes are not inspired by earthly creators Using his own biblical interpretations Watt asserts that man should focus not on monetary gain for spreading wisdom but on the wisdom itself Mark D Watt is an author and entrepreneur The 8 Principles of Goals and S U C C E S S was inspired by Watt's study of the Bible and was written in the hope that his philosophies may spread the truth about goals and success to the world He currently lives in Raleigh North Carolina and is working on his next book Publisher's website <http://www.strategicpublishinggroup.com/title/The8PrinciplesOfGoalsAndSUCCESS.htm> **Write Right from God** Tom Bird, 2003-01-01 Make the Ultimate of all connections a direct line to your Highest Power through writing Solve your problems and live your life purpose as a result
