A Primer of the Novel David Madden, Charles Bane, Sean M. Flory, 2006-06-22 When the first edition of David Madden's A Primer of the Novel For Readers and Writers was published more than twenty five years ago there were no other books of its kind available Since then many authors and editors have produced works that attempt the same comprehensive coverage of

the genre However these works tend to be either written solely for writers or solely for readers More often than not those written for readers tend to be aimed at advanced students or critics of the novel In this revised edition David Madden Charles Bane and Sean Flory have produced an updated work that is intended for a general readership including writers teachers and students who are just being introduced to the genre This unique handbook provides a definition and history of the novel a description of early narratives and a discussion of critical approaches to this literary form A Primer of the Novel also identifies terms definitions commentary and examples in the form of quotations for almost 50 types of novels and 15 artistic techniques A chronology of narrative in general and of the novel in particular from 850 B C to the present is also included along with indexes to authors titles novel types and techniques as well as a selective bibliography of criticism Although all novel types present in the first edition are still represented many have become more clearly defined This revised edition also cites several types of novels that did not appear in the first edition such as the graphic novel and the novel of Magical Realism As well as keeping all of the original examples from representative texts the authors have added new examples of more recent works While this book was conceived for a general audience it will be a valuable resource for students teachers and libraries It may be used in any English literature courses at any level including graduate and is suited for creative writing courses as well With its clear and immediately accessible features this handbo

Mastering the Process Elizabeth George, 2020-04-07 As the author of twenty four novels Elizabeth George is one of the most successful and prolific novelists today In *Mastering the Process* George offers readers a master class in the art and science of crafting a novel This is a subject she knows well having taught creative writing both nationally and internationally for over thirty years I have never before read a book about writing that is so thorough thoughtful and most of all helpful Lisa See New York Times bestselling author of *The Island of Sea Women* For many writers the biggest challenge is figuring out how to take that earliest glimmer of inspiration and shape it into a full length novel How do you even begin to transform a single idea into a complete book In these pages award winning number one New York Times bestselling author Elizabeth George takes us behind the scenes through each step of her writing process revealing exactly what it takes to craft a novel Drawing from her personal photos early notes character analyses and rough drafts George shows us every stage of how she wrote her novel *Careless in Red* from researching location to imagining plot to creating characters to the actual writing and revision processes themselves George offers us an intimate look at the procedures she follows while also providing invaluable advice for writers about what has worked for her and what hasn't *Mastering the Process* gives writers practical prescriptive and achievable tools for creating a novel editing a novel and problem solving when in the midst of a novel from a master storyteller writing at the top of her game
