What Are You Seeking ? J Krishnamurti,2022-09-09 In these talks given in Ojai and India Krishnamurti discusses the nature of the observer He states in the beginning to understand the confusion and misery that exist in ourselves and in the world we must first find clarity within ourselves and this clarity comes about through right thinking Right thinking comes with self knowledge Without understanding yourself you have no basis for thought without self knowledge what you think is not true

Anti-Constitutional Populism Martin Krygier,Adam Czarnota,Wojciech Sadurski,2022-03-31 Around the world populist parties have sprung up in formerly and formally liberal democratic polities challenging their existing political parties and leaders and frequently overwhelming them These challenges and successes were rarely predicted arriving so soon after the wave of liberal democratic and constitutional enthusiasms proclamations and institution building which peaked in the 1990s Bringing together scholars from law political science and philosophy this collection explores the character of contemporary populisms and their relationships to constitutional democracy With contributors from around the world it offers a diverse range of nuanced perspectives on populism as a global phenomenon Using comparative and multi disciplinary techniques this book considers the specifics and similarities of populisms and raises general questions about their nature and potential futures

Power to the People Mark V. Tushnet,Bojan Bugarič,2021 Power to the People proposes that some forms of populism are inconsistent with constitutionalism while others aren t By providing a series of case studies some organized by nation others by topic the book identifies these populist inconsistencies with constitutionalism and importantly when and how they are not Opening a dialogue for the possibility of a deeper populist democracy the book examines recent challenges to the idea that democracy is a good form of government by exploring possibilities for new institutions that can determine and implement a majority s views without always threatening constitutionalism
