

***Wuthering Heights* Study Guide Questions**

Directions: Answer each question, citing textual evidence to support your answers. You may choose to record your answers on a separate sheet of paper or type your answers.

Chapter I

1. Briefly describe the landscape and the architecture found in the first chapter. Relate them to both the Gothic novel literary genre and Romanticism (look these up if you are unfamiliar with these terms).
2. What inscription over the door does Mr. Lockwood notice, and why does he not question Mr. Heathcliff about it?
3. What is the narrative point of view of the first chapter?
4. Characterize Mr. Lockwood. What is his present situation?
5. Why does Mr. Lockwood describe his location as a "perfect misanthropist's heaven"?
6. Reread the first full description of Heathcliff. Are you attracted, repelled, or merely interested in him from this description. Why?
9. How does Lockwood characterize Heathcliff's class in contrast to his appearance? How would you categorize Lockwood's class and why?
10. How do you think Brontë intended the reader to feel towards Mr. Lockwood at the end of the first chapter?

Chapter II

1. What drives Mr. Lockwood to return to Wuthering Heights? Evaluate his decision.
2. What does the dialect Joseph speaks in suggest about him? How does the use of dialect affect the story? Who else speaks with a dialect in this chapter?
3. Characterize Mrs. Heathcliff based on the descriptions of her in this chapter.
4. Why is Mr. Lockwood confused at first about the social position of Hareton Earnshaw? What appears to be the relationship between Hareton and the other house members?
5. Mr. Lockwood makes a series of mistaken assumptions about the inhabitants of Wuthering Heights. Identify his blunders, and Heathcliff's corrections.
6. What series of events leads to Mr. Lockwood's nosebleed? Who comes to his aide?

Chapter III

1. What insight into Heathcliff's character does Lockwood gain by perusing the antique books?
2. What mood is evoked by the description of Lockwood's dreams? Identify specific imagery that contributes to the mood.
3. What type of shift occurs in Heathcliff's attitude after Lockwood reveals himself?
4. What conclusions can be drawn from Heathcliff's behavior after Lockwood leaves the bedroom?
5. What does the exchange between Heathcliff and Mrs. Heathcliff reveal about their respective characters?

Chapter IV

1. In what way does the narrative change in this chapter? What effect does it have on the story?
2. How does Heathcliff come to reside at Wuthering Heights? What are the class implications of his background, given the setting?
3. How did Heathcliff's presence affect the relationships between other members of the family?
4. What is Heathcliff's attitude toward Mr. Earnshaw?
5. Relate Heathcliff's origins to the *Byronic Hero* character type (look this term up).
6. Identify the foreshadowing that occurs at the end of Chapter IV.

A Student's Guide to Wuthering Heights by Emily Brontë Richard E. Mezo,2002 A Student s Guide to Wuthering Heights by Emily Bronte is a general introduction to one of the great English novels of the nineteenth century Misunderstood by most critics and commentators upon its publication in 1847 the story of Catherine and Heathcliff and their peers and descendants slowly became recognized as the work of a genius and is now on nearly every list of recommended books for both high school and college students However many students today find the novel difficult to read and understand because of its language and its setting especially challenging to some are the sections in which characters speak in the Yorkshire dialect This guide provides an easy to use glossary of that dialect and translations of the dialogue It also includes discussions of the social economic and political background of the period the last part of the eighteenth and the first part of the nineteenth centuries Combined with a thorough coverage of language and background this guide offers a list of questions about the reading that are intended to lead the students to independent thinking about the work Unlike some better known guides this text contains no detailed summary of parts of the

novel Students must read chapters of the novel itself in order to answer the questions In a few instances readers must go outside Wuthering Heights to answer a question that is some basic research is required In addition the appendices contain materials intended to enrich the novel and to deepen the appreciation of each student for this outstanding work It is the desire of the author to make Wuthering Heights more readily accessible to students and at the same time to challenge them to engage in independent critical reading

Scoring the Free Response Section

The following guide explains typical free response scoring criteria

Score	Explanation of Score
8 9	The thesis is extremely well developed and is supported with concrete evidence all aspects of the question have been addressed thoroughly discussions presented are balanced
6 7	The thesis is defined and supported the evidence provided is very organized the essay may be slightly imbalanced with one strong argument and one weak argument and or discuss one topic more thoroughly than the next sporadic factual errors may appear
5	A basic argument or thesis is provided evidence given supports the argument or thesis but does not clearly connect with the argument or thesis only the formal facets of the question are dealt with and informal facets are not adequately covered not all aspects of the question are discussed
4	The thesis is not organized and is not referred to in the essay the essay is little more than a recounting of facts and events the essay may be overloaded with data only one facet of the questions may be discussed numerous factual errors may appear
3	The thesis is weak evidence provided in support does not apply to the thesis factual errors are apparent
2	The thesis is very weak little or no factual evidence is provided to support the thesis irrelevant and inaccurate information appears
1	An attempt is made to answer the question but the support given is insignificant and the coverage of topics is incomplete
0	The question is not answered with any significance

Free Response Part II Comparative only

Score	Explanation of Score

4	The thesis is defined and supported the evidence provided is very organized the essay may be slightly imbalanced with one strong argument and one weak argument likewise one topic may be more thoroughly explored than another may be marred by sporadic factual errors
3	A basic argument or thesis is presented evidence given supports the argument or thesis but does not clearly connect with the argument or thesis only the formal facets of the question are dealt with and informal facets are not adequately covered not all aspects of the question are discussed
2	The thesis is weak evidence provided in support does not apply to the thesis factual errors are apparent
1	An attempt is made to answer the question but the support given is insignificant and the coverage of topics is incomplete
0	The question is not answered with any significance

It would be extremely helpful to find someone who is willing to score your essay your teachers or anyone who is familiar with the test material If you do ask the person to assign each of your U S and Comparative Part I essays a score of 0 to 9 For your Comparative Part II essays use the 0 to 5 scale If you must grade your own essays try to be objective In addition you may want to give your essays three different grades For instance if you feel you did well try giving the essay a score of 5 6 or 7 to represent the various scores you may receive By underestimating what your score may be you are more

likely to receive a better score on the actual exam Use the following formulae to determine your raw score for the Free Response section United States Exam Free Response Response 1 score $\times$ 1 66 raw score Response 2 score $\times$ 1 66 raw score Response 3 score $\times$ 1 66 raw score Response 4 score $\times$ 1 66 raw score Comparative Exam Response 1 score $\times$ 1 66 raw score Response 2 score $\times$ 1 66 raw score Response 3 score $\times$ 3 raw score Response 4 score $\times$ 3 raw score The Composite Score Once you have obtained your raw scores for both the Multiple Choice and the Free Response sections add the scores together to get your composite score United States Exam Multiple Choice raw score Free Response raw score composite score round to nearest whole number Score Essay 1 Score Essay 2 Score Essay 3 Score Essay 4 raw score Comparative Exam Multiple Choice raw score Free Response raw score composite score round to nearest whole number Now compare your composite score with the scale below Composite Score AP Grade 88 120 5 74 87 4 54 73 3 35 53 2 0 34 1 AP grades are interpreted as follows 5 extremely well qualified 4 well qualified 3 qualified 2 possibly qualified and 1 no recommendation Scores that Earn College Credit and or Advanced Placement Most colleges grant students who earn a 3 or above college credit and or advanced placement You should check with your school guidance office about specific college requirements Studying for Your AP Examination It is never too early to start studying The earlier you begin the more time you will have to sharpen your skills Do not procrastinate Cramming is not an effective way to study since it does not allow you the time needed to learn the test material It is very important for you to choose the time and place for studying that works best for you Some students may set aside a certain number of hours every morning to study while others may choose to study at night before going to sleep Other students may study during the day while waiting on a line or even while eating lunch Only you can determine when and where your study time will be most effective But be consistent and use your time wisely Work out a study routine and stick to it When you take the practice exam s try to make your testing conditions as much like the actual test as possible Turn your television and radio off and sit down at a quiet table free from distraction Make sure to time yourself As you complete the practice test s score your test s and thoroughly review the explanations to the questions you answered incorrectly but do not review too much during any one sitting Concentrate on one problem area at a time by reviewing the question and explanation and by studying our review s until you are confident that you completely understand the material Since you will be allowed to write in your test booklet during the actual exam you may want to write in the margins and spaces of this book when practicing However do not make miscellaneous notes on your answer sheet Mark your answers clearly and make sure the answer you have chosen corresponds to the question you are answering Keep track of your scores By doing so you will be able to gauge your progress and discover general weaknesses in particular sections You should carefully study the reviews that cover the topics causing you difficulty as this will build your skills in those areas To get the most out of your studying time we recommend that you follow the Study Schedule which corresponds to the exam you are taking It details how you can best budget your time If you are taking both exams do not try to study for each at the same

time Try alternating days by studying for the United States exam one day and the Comparative exam the next

Test Taking Tips Although you may be unfamiliar with tests such as the Advanced Placement exams there are many ways to acquaint yourself with this type of examination and help alleviate your test taking anxieties Listed below are ways to help yourself become accustomed to the AP exam some of which may also be applied to other standardized tests Become comfortable with the format of the AP Examination in Government and Politics that you are taking When you are practicing to take the exam s simulate the conditions under which you will be taking the actual test s You should practice under the same time constraints as well Stay calm and pace yourself After simulating the test only a couple of times you will boost your chances of doing well and you will be able to sit down for the actual test much more confidently Know the directions and format for each section of the exam Familiarizing yourself with the directions and format of the different test sections will not only save you time but will also ensure that you are familiar enough with the AP exam to avoid nervousness and the mistakes caused by being nervous Work on the easier questions first If you find yourself working too long on one question make a mark next to it in your test booklet and continue After you have answered all of the questions that you can go back to the ones you have skipped Use the process of elimination when you are unsure of an answer If you can eliminate three of the answer choices you have given yourself a fifty fifty chance of getting the item correct since there will only be two choices left from which to make a guess If you cannot eliminate at least three of the answer choices you may choose not to guess as you will be penalized one quarter of a point for every incorrect answer Questions not answered will not be counted Be sure that you are marking your answer in the circle that corresponds to the number of the question in the test booklet Since the multiple choice section is graded by machine marking the wrong answer will throw off your score
