Wyland 25 Years At Sea:

Wyland: 25 Years at Sea The Wyland Foundation, John Yow, 2006-09-01 Out of the earth's 6 billion people we probably have 5.9 billion to go but that's the goal I'd like nothing better than to have 6 billion people talking and thinking about protecting our planet and I see no reason to stop trying. Wyland Muralists naturally think big. But Wyland arguably the world's best known marine painter whose images span thousands of square feet of walls, canvases and sculpted forms makes an impact far beyond the art world. Wyland combines his incredible talents with those of a dedicated team of educators, scientists and environmentalists to truly change the way we view the planet. Wyland 25 Years at Sea opens the door to Wyland's fascinating world of art and its power to make a difference in the earth's future. Through its pages we experience the wonder of nature as seen through the eyes of this extraordinary artist while deepening our understanding of the importance of our environment and all creatures that share it. Like an artist's palette, this book mixes Wyland's breathtaking work with a narrative that reveals the man's personal world and his commitment to the earth. Woven throughout the whales, sea turtles and ocean waves is the absorbing story of how Wyland grew from his Detroit roots to become a successful fine artist to his mission today of delivering a lasting worldwide message of concern, hope and needed action. Swimming Lessons The Wyland Foundation, Steve Creech, 2011-03-01 Wyland is a marine life Michelangelo. USA Today Premier marine life artist Wyland whose galleries are visited by more than five million people each year offers a photographic tribute to the bond between mother and child. Easily the world's most recognizable and influential marine life artist, Wyland pairs his emotive photography of mother sea lions and their pups with a touching narrative by Steve Creech. Imparting a warm homage to Mom, *Swimming Lessons* also provides a greater lesson about the commonalities shared by all momkind. After all, who knew mother sea lions went grocery shopping and gave swimming lessons? Important numbers: Wyland's mural projects can be found in 70 cities throughout four continents. There are more than 40 Wyland galleries worldwide.
