Poetry Unbound Mike Chasar, 2020-04-28 It s become commonplace in contemporary culture for critics to proclaim the death of poetry Poetry they say is no longer relevant to the modern world mortally wounded by the emergence of new media technologies In Poetry Unbound Mike Chasar rebuts claims that poetry has become a marginal art form exploring how it has played a vibrant and culturally significant role by adapting to and shaping new media technologies in complex unexpected and powerful ways Beginning with the magic lantern and continuing through the dominance of the internet Chasar follows poetry s travels off the page into new media formats including silent film sound film and television Mass and nonprint media have not stolen poetry s audience he contends but have instead given people even more ways to experience poetry Examining the use of canonical as well as religious and popular verse forms in a variety of genres Chasar also traces how poetry has helped negotiate and legitimize the cultural status of emergent media Ranging from Citizen Kane to Leave It to Beaver to best selling Instapoet Rupi Kaur this book reveals poetry s ability to find new audiences and meanings in media forms with which it has often been thought to be incompatible Illuminating poetry s surprising multimedia history Poetry Unbound offers a new paradigm for understanding poetry s still evolving place in American culture

A Day Like Any Other Nathan Kernan, 2025-08-05 The long awaited biography of the mercurial troubled brilliant poet James Schuyler the Pulitzer Prize winner who helped shape the New York School of poetry in the 1960s Nathan Kernan s *A Day Like Any Other* The Life of James Schuyler is the definitive biography of the great American poet who along with Frank O Hara Barbara Guest John Ashbery and Kenneth Koch was an original member of the so called New York School of poetry Opening with Schuyler s legendary first public reading in 1988 Kernan goes back to trace the tumultuous arc of the poet s life and work Born in Chicago in 1923 James Schuyler grew up in

Washington DC and upstate New York before moving to New York City in 1944 where he fell into the social orbit of the poet W H Auden After two years in Italy he returned to New York in 1949 and began to publish his first poems There he met fellow poets O Hara Ashbery Guest and Koch For many years he lived outside the city in Southampton Long Island in a close relationship with the painter Fairfield Porter and his family and spent his summers in Maine Schuyler s subsequent years in New York City were marked by poverty and mental illness yet it was during this time that he wrote some of his greatest poems After his move to the Chelsea Hotel in 1979 the poet s circumstances began to turn around and when he died much too soon at sixty seven his life was stable and fulfilled In praise of Schuyler s poetry John Ashbery wrote To reread him is to live as though life were an experience one had just forgotten and been newly awakened to Schuyler s work embodies the quiet beauties of the natural world and the mundane stuff of everyday existence even as his own life was often messy and troubled A Day Like Any Other Kernan s absorbing biographical study explores this and other paradoxes of Schuyler s singular life within the vibrant milieu of mid century New York s poets and painters *The Art of Loving as Tree. Me, You and Us* María del Mar Cegarra Cervantes, 2018-03-30 This book is a reflection of the author s clinical and human experience as a Clinical Psychologist and Somatic Psychoterapist for Couples as well as of heart experience as a Woman The book is a divided in two parts The firts part is shaped as a novel and tells us the story of the therapeutic sessions of several couples their complaints requests and suffering as well as their psychoterapist Laura The second part is more clinical with ideas tools exercises and important figures that can be very useful for Psichotherapists Psichologists Doctors and Students of these areas as wellas to any Professional in the Social Intervention fielt It is mostly a book which goal is to expand the awareness by identifying the mines and traps that make it difficult for us to find a balance between being together and apart as well as giving and receiving Love with Soul Heart and Simplicity Living is simple the hard thing is to be simple The goal was to use a less clinical language more accessible to everyone so that the message could be better conveyed by making the reading easier for all of those that are not related to this area Being a psychotherapist and especially a body pychotherapist has to be continuously waching himself since his body is also a work instrument that gives much information about what is happening in the room or with the client The psychotherapist needs to know how to move touch put be in resonance tell the difference between what is his tone of voice gestures and look Everything can affect the other It is a very different scenario than the one that Laura got used to when she was only a clinical psychologist The more she moves forward in her professional career the more she realizes that leaming has no end and that the evolution must be constant As a psychologist the meeting was more clinical more with the purpose of diagnosing mostly using cognitive tools or test betteries *The Poetry Gymnasium* Tom C.
