Unpacking Forgiveness Chris Brauns, 2008-09-03 Helps readers move beyond the wounds and baggage of bitterness disagreements and broken relationships True or false most Christian pastors and counselors agree on what forgiveness is and how it should take place This question is part of Chris Brauns s Forgiveness Quiz that draws readers into his book and gets them thinking about the subject of forgiveness The truth is pastors and counselors disagree profoundly on this subject Unpacking Forgiveness combines sound theological thinking and honesty about the complicated questions many face to provide readers with a solid understanding of biblical forgiveness Only God s Word can unpack forgiveness The wounds are too deep for us to find healing on our own and the questions are too complex to be unraveled by anything but the wisdom of God This book goes beyond a feel good doctrine of automatic forgiveness balancing the beauty of God s grace and the necessity of forgiveness with the teaching that forgiveness must take place in a way that is consistent with justice

Flourishing in Tensions Michael Bräutigam, 2022-09-09 Following Jesus Christ presents unique challenges to disciples today In our current climate of relativism materialism and consumerism Christians are increasingly perplexed as to who they are and what following after Christ means today Drawing on the Protestant tradition in particular Dietrich Bonhoeffer Martin Luther and Adolf Schlatter and findings from psychology this book offers a fresh integrative interpretation of Jesus s radical call into discipleship This call is interpreted through a christological lens as Jesus Christ in his role as Prophet calls us to self denial in his role as Priest

invites us to cross bearing and as King demands us to follow him Jesus's call to discipleship challenges disciples to embrace various tensions by faith and to grow and even flourish in and through them By denying themselves they find their true self by taking up their cross they find real life and by following Christ they find the great friend and befriend the world as the community of disciples This book is for Christians who seek to mature in intentional self reflection and discover practical ways of living out Christ's radical call into discipleship today **Communion with God** Kelly M. Kopic,2024-09-03 The recent resurgence of interest in the Puritan John Owen has resulted in increasing requests for Kelly Kopic's Communion with God which was one of the books that helped foster renewed attention on this classic theologian This book is now back in print with a new preface by the author According to Kopic a variety of people today are rediscovering Owen including academic theologians ministers from different denominational backgrounds and laypeople interested in classic forms of spirituality With this diverse audience in mind Kopic focuses on the concept of communion with God in Owen's thought covering key areas such as anthropology Christology trinitarian studies and the Lord's supper Kopic shows that Owen remains a rich dialogue partner for those engaged both in contemporary theology and pastoral practice *Растешь ли ты?* Алексей Прокопенко,2024-10-22 **Through the Looking Glass** Kris Lundgaard,2000 What makes your favorite hero shine in your eyes Is it the courage of Indiana Jones swinging down into the snake filled Well of the Souls Is it the strength of Superman bringing to a screeching halt a locomotive that is bearing down on Lois and Jimmy Is it the nobility of Shakespeare's Henry V inspiring his sorely outnumbered troops before the battle of Agincourt Is it the wits of Sherlock Holmes dogging the trail of arch villain Moriarty Or is it the combination of fearlessness muscle dignity and brains in Doc Savage the consummate superhero Whatever heroic traits pop into your mind I suspect that obedience and suffering aren't among them Yet it's in his obedience to God's law and his suffering the curse of that law for us that we see Christ as our conquering Hero

Mirrors in Mark Edmond Smith,2014-09-23 Do you desire to go deeper still in your understanding of the New Testament Scriptures In *Mirrors in Mark* you will find a fresh and arresting approach to most of the New Testament drawing on the mnemonic methods that were common to the ancient world and employed by writers of the Scriptures Much of the fascination of Mark's Gospel Mark receives particular attention in this book lies in the use of catchwords and catch phrases to stamp on our minds the words and works of Jesus The other works of the New Testament treated in this way are Romans Galatians Ephesians Philippians Titus Philemon Hebrews James 1 and 2 Peter Jude and Revelation The book of Revelation features quite largely yielding up many invaluable insights into its apocalyptic nature This book will prove to be a constant companion to the serious student of the sacred writings *American Book Publishing Record* ,2000-07 **Forthcoming Books** Rose Arny,2001
