Through The Valley Vietnam 1967 1968:

Through the Valley James F. Humphries, 2008-10-13 The fierce close combat in the remote areas of South Vietnam's northern provinces in 1967-68 the battles of Hiep Duc March 11 Nhi Ha and Hill 406 has been a strangely underreported slice of the Vietnam War Through the Valley brings those battles into sharp focus chronicling the efforts of the proud units of the Americal Division and the 196th Light Infantry Brigade against a stubborn enemy in long forgotten villages and on torturous hills Colonel Humphries draws on both his own combat experience and the eyewitness reports of fifty former veterans to reconstruct what it was like to fight in Vietnam

Through the Valley James F. Humphries, 2022 Recounts the fierce close combat in the remote areas of South Vietnam's northern provinces in 1967-1968 *Through the Valley* James F. Humphries, 2008-10-13 Based upon his own recollections while serving with the 196th Light Infantry Brigade those of fifty other Vietnam veterans and declassified documents from both sides of the war Col Humphries recounts the battles of South Vietnam's northern provinces in 1967-1968

Supplement to Vietnam 1964-1973, 2005 **Army**, 1999 *Supplement to Vietnam 1964-1973* Elwood L. On War and Leadership Michael Owen Connelly, 2009-01-10 What can we learn about leadership and the experience of war from the best combat leaders the world has ever known This book takes us behind the scenes and to the front lines of the major wars of the past 250 years through the words of twenty combat commanders What they have to say which is remarkably similar across generational national and ideological divides is a fascinating take on military history by those who lived it It is also worthwhile reading for anyone from any walk of life who makes executive decisions The leaders showcased here range from Frederick the Great to Norman Schwarzkopf They include such diverse figures as Napoleon Bonaparte commanders on both sides of the Civil War William Tecumseh Sherman and Stonewall Jackson German and American World War II generals Rommel and Patton a veteran of the Arab Israeli wars Moshe Dayan and leaders from both sides of the Vietnam War Vo Nguyen Giap and Harold Moore What they have had in common is an unrivaled understanding of the art of command and a willingness to lead from the front All earned the respect and loyalty of those they led and moved them to risk death The practices of these commanders apply to any leadership situation whether

military business political athletic or other Their words reveal techniques for anticipating the competition leading through example taking care of the troops staying informed turning bad luck to advantage improvising and making bold decisions Leader after leader emphasizes the importance of up front muddy boots leadership and reveals what it takes to persevere and win Identifying a pattern of proven leadership this book will benefit anyone who aspires to lead a country a squadron a company or a basketball team It is a unique distillation of two and a half centuries of military wisdom *Military Review* ,2000 Looking for a Hero Peter Maslowski,Don Winslow,2020-10-08 Widely acclaimed as the Vietnam War s most highly decorated soldier Joe Ronnie Hooper in many ways serves as a symbol for that conflict His troubled tempestuous life paralleled the upheavals in American society during the 1960s and 1970s and his desperate quest to prove his manhood was uncomfortably akin to the macho image projected by three successive presidents in their tough policy in Southeast Asia Looking for a Hero extracts the real Joe Hooper from the welter of lies and myths that swirl around his story in doing so the book uncovers not only the complicated truth about an American hero but also the story of how Hooper s war was lost in Vietnam not at home Extensive interviews with friends fellow soldiers and family members reveal Hooper as a complex gifted and disturbed man They also expose the flaws in his most famous and treasured accomplishment earning the Medal of Honor In the distortions half truths and outright lies that mar Hooper s medal of honor file authors Peter Maslowski and Don Winslow find a painful reflection of the army s inability to be honest with itself and the American public with all the dire consequences that this dishonesty ultimately entailed In the inextricably linked stories of Hooper and the Vietnam War the nature of that deceit and of America s defeat becomes clear **Parameters** ,2000
