Tierras De Sangre Historia:

Tierras de sangre Timothy Snyder, 2011 Es sabido que la Alemania nazi asesinó cerca de seis millones de judíos. Lo que no lo es tanto es que junto al horror del Holocausto los regímenes de Hitler y de Stalin asesinaron a otros ocho millones de civiles, la mayoría mujeres, niños y ancianos, solo en lo que Timothy Snyder denomina las Tierras de Sangre. Se suele identificar el horror del siglo XX con los campos de concentración. Sin embargo, la mayoría de las víctimas del nacionalsocialismo y del estalinismo nunca vio un campo de concentración ni de exterminio. Del mismo modo, los asesinatos en masa en Europa suelen asociarse con la muerte en cámaras de gas. Pero no fue el gas el método más empleado. Más de siete millones de civiles y prisioneros de guerra murieron porque se les negó la comida. Por primera vez, el historiador Timothy Snyder describe en este libro la amplitud del horror que supuso el asesinato de catorce millones de ciudadanos europeos en solo doce años, los que van desde 1933 a 1945. El presente estudio implica aspectos militares, políticos, económicos, sociales, culturales e intelectuales, y se basa en la extensa documentación aparecida con la apertura de los archivos de la Europa oriental y los testimonios de las víctimas y de algunos verdugos. Las Tierras de sangre no son un territorio político real o imaginario; son simplemente los lugares donde los regímenes políticos de Europa realizaron su obra más mortífera.

Guía de estudio de la historia de la Iglesia, parte 1 Randal S. Chase, 2016-11-20

Las víctimas del terrorismo en España José Manuel Rodríguez Uribe, 2013

Las páginas que componen este libro no son ni unas memorias ni unos diarios ni unos escritos personales vivenciales sobre los años que tuve la responsabilidad de dirigir la atención a las víctimas del terrorismo en España. Por supuesto, este libro recoge experiencias y datos de ese tiempo apasionante y difícil entre diciembre de 2004 y diciembre de 2011, cuando cesé en el cargo tras la victoria del Partido Popular en las elecciones generales del 20-N. Sin embargo, es un trabajo fundamentalmente teórico, académico y de investigación sobre el fenómeno terrorista y sus efectos sobre las personas, muy especialmente en relación con sus víctimas. Aspira a recoger una fotografía lo más ajustada posible de un colectivo más complejo o menos uniforme de lo que suele presentarse en sus clichés habituales, relevante en términos políticos y visible socialmente tanto en España, sobre todo desde 2004, como en el mundo a raíz de los atentados de 11 de septiembre de 2001. El libro que el lector tiene en sus manos arranca así con una propuesta de definición o de comprensión del fenómeno terrorista desde una mirada amplia filosófica si se quiere, particularmente en clave política y jurídica. Esta mirada también ha estado presente en la segunda parte. En concreto, para fundamentar los valores que impulsan los derechos de las víctimas del terrorismo y algunos aspectos o dimensiones de su concepto. La solidaridad como valor central o la noción de reconocimiento jurídico que supone la dignificación política y política de las personas que han padecido el azote terrorista aparecen como centrales en uno y otro fundamento y concepto. El análisis más particular se ha referido a las víctimas del terrorismo en España, cuestión que da título al libro y a las razones que han llevado a la positivación de sus derechos, especialmente tras el 11 de marzo de 2004. La ley 29/2011 de 22 de septiembre de Reconocimiento y Protección Integral a las Víctimas del Terrorismo.

publicada en el BOE el 23 de septiembre al día siguiente de su aprobación definitiva y por unanimidad en el Senado a la que se dedica el último capítulo de este libro representa el corolario de un modelo en el que todo tiempo pasado fue peor Por último el trabajo contiene tres anexos que pretenden ilustrar y en buena medida apuntalar los argumentos sostenidos en las páginas precedentes desde una selección de artículos y discursos que realicé en mi condición de Director General en el Alto Comisionado primero y en el Ministerio del Interior después signo de nuestra filosofía de trabajo de nuestro compromiso y de nuestras aspiraciones en la materia hasta una relación de la normativa histórica principal sobre reparación y atención a víctimas del terrorismo en España que refleja toda una evolución progresiva sistemática y finalmente con vocación integral
