Bangs, 2010-07-22 It would be reasonable to estimate that multiple hundreds of thousands of people have become followers of Jesus Christ as a result of the modern church planting movement One characteristic of the literature of this movement has been an almost singular focus on the individual who is sent out to lead the new congregation rather than on the vital role of the sending or sponsoring church Practically all the books are written with one target in mind this individual leader the pioneer pastor usually referred to as the church planter *The Mother Church* is not written for pioneer pastors it is written for the leaders of potential mother churches It is designed to help leaders assess whether and when the birthing of a new church is a good idea for their congregation and to provide them with tools to birth and nurture healthy thriving life giving new churches Church leaders who desire to see their mission efforts survive and thrive need to give special attention to the hard won insights of John Bangs *The Mother Church* Bangs is not only a mission planter and pastor but he brings the broader view of a church planting leader Charles J Scalise Ph D Professor of Church History Fuller Theological Seminary *The Mother Church* will revolutionize the way we view and do birthing of mission churches Kent J Ingle D Min Dean College of Ministry Northwest University

The Apostolic Congregation Dr. George G. Hunter III, 2010-09-01 A church in the heart of Manhattan and a congregation among the Inuit people of Northern Canada would seem to have little in common with one another Yet in one way they are surprisingly similar They are both apostolic congregations churches whose every program exists for the purpose of presenting the gospel to non Christians and making disciples of Jesus Christ What is the secret of churches like these how have they learned to make evangelism central to everything they do In studying apostolic congregations around the world George G Hunter III has discovered a set of perspectives and practices that they all share With the passion and insight for which he is so well known Hunter demonstrates how your congregation can learn to focus on the one thing that most matters bringing people into a saving relationship with Jesus Christ *The Mentoring Church* Phil A. D. Payne,2009-08-04 J D Payne explores the biblical historical and missiological principles of global church planting and suggests ways that readers can apply international church planting practices to their own contexts **Love Your Church** Tony Merida,2021-06-01 How to grow in love for your church God calls us to be devoted to one another in love Romans 12 10 What does this look like for us today How can we be the kind of church member who makes a real difference This engaging book by Tony Merida explores what church is why being part of it is exciting and why it s worthy of our love and commitment He sets out eight privileges and responsibilities of a church member to belong to welcome to gather to care to serve to honour to witness and to send As we see how wonderful it is to belong to God s family and be a part of his amazing witness to both the earthly and the heavenly realms we ll grow in our love for and commitment to our local church This is a great book for every churchgoer to read whether they re new or have been attending for some time but need re energising with God s vision for the local church With a discussion guide at the end of the book *Love Your Church* is also a great resource for small groups **Foundations for Fruitful Church Planting** Ken L.
