Write Every Day: Erotica Edition J. M. Snyder, 2013-12 Last year I published a book of writing prompts to help jumpstart muses and get the creative juices flowing Many of the prompts that didn't make the cut in that book were salacious to say the least As an erotica writer I sometimes like to think outside my own boundaries and try to tackle the art of writing sex in new and exciting ways Let's be honest there are only so many things you can say about sex before you start feeling as if the scene has become rote or mechanical The romance of your first sex story soon dulls with time almost like a marriage and you're left wondering what happened to the excitement you felt when you first fell in love with writing about well love That's why I decided to write a book of writing prompts geared specifically towards the erotica writer Maybe you want a different position or a new way of thinking about a familiar scene Maybe you want to try your hand at something you've never dared write before Maybe you just want to write about two people getting it on and don't really know where to begin This collection of 366 writing prompts can be used daily throughout the year leap years too as a starting point to get you writing and keep you writing Each day of the year has its own unique prompt Set a timer for fifteen or twenty minutes and write wherever the prompt takes you Or if you're between stories and looking for something different to work on flip to the prompt for today or any random page and start fresh This book will kick start your writing or take you in exciting new directions every day of the year

Confessions of a Military Wife Mollie Gross,2015-11-15 This book will have you laughing so hard you cry As Confessions aptly demonstrates military spouses lead interesting lives Tara E Crooks cofounder of Army Wife Network As the wife of a Marine Corps officer Mollie Gross learned the hard way to laugh instead of cry at what she could not control and as she quickly discovered nearly everything was out of her control A standup comedienne Mollie explores everything about the issued spouse from deployment and the stress of having a husband in a combat zone to the realization that marriage changes when your husband returns home from war Nothing is taboo or out of bounds in this funny poignant memoir including the parties military wives throw for themselves before hubby returns You ll have to read the book to find out about those Mollie Gross is the Chelsea Handler of the milspouse community She s unfiltered honest and hilarious with an underlying message to stop whining and be proud Think of it as heartfelt humor for the home front Military Spouse magazine Mollie s no holds barred account of what it was like during her first four years of being married to a Marine dealing with the moves wartime deployments and life on the home front will leave you laughing crying and shaking your head in disbelief asking Did she really just say that Kristine Schellhaas founder of USMC Life

The Complete Idiot's Guide to Getting Your Romance Published Julie Beard,2000-01-01 Takes the budding romance novelist through the entire process of developing story ideas editing finding publishers and marketing

At Home with Pornography Jane Juffer,1998-07-01 Twenty five years after the start of the feminist sex wars pornography remains a flashpoint issue with feminists locked in a familiar argument Are women victims or agents In *At Home with Pornography* Jane Juffer exposes the fruitlessness of this debate and suggests that it has prevented us from realizing women s changing relationship to erotica and porn Over the course of these same twenty five years there has been a proliferation of sexually explicit materials geared toward women made available in increasingly mainstream venues In asking what is the relationship of women to pornography Juffer maintains that we need to stop obsessing over pornography s transgressive aspects and start focusing on the place of porn and erotica in women s everyday lives Where she asks do women routinely find it for how much and how is it circulated and consumed within the home How is this circulation and consumption shaped by the different marketing categories that attempt to distinguish erotica from porn such as women s literary erotica and sexual self help videos for couples *At Home with Pornography* responds to these questions by viewing women s erotica within the context of governmental regulation that attempts to counterpose a dangerous pornography with the sanctity of the home Juffer explores how women s consumption of erotica and porn for

their own pleasure can be empowering while still acting to reinforce conservative ideals She shows how for instance the Victoria s Secret catalog is able to function as a kind of pornography whose circulation is facilitated both by its reliance on Victorian themes of secrecy and privacy and on its appeals to the selfish pleasures of modern career women In her pursuit to understand what women like and how they get it Juffer delves into adult cable channels erotic literary anthologies sex therapy guides cyberporn masturbation and sex toys showing the varying degrees to which these materials have been domesticated for home consumption Representing the next generation of scholarship on pornography At Home with Pornography will transform our understanding of women s everyday sexuality **Eric Arvin's Greatest Hits** Eric Arvin,2016-02-12 From Urban Fantasy to Contemporary enjoy these four romances from Eric Arvin in this exclusive bundle In Simple Men Chip is a football coach at a small college but his personal life is in a bit of a rut Then he meets the new school chaplain Foster Chip decides to go for it but love is never simple and sometimes it s a downright mess In Another Enchanted April three men stay at a bed and breakfast with a breathtakingly beautiful garden that has an air of the supernatural Jerry s there for love Doug s there for sex and Tony is practically dragged along Three men clinging stubbornly to their self destructive ways can the magic of the garden prevent love s labors from being lost In Woke Up in a Strange Place Joe wakes up in a barley field with no clothes no memories and no idea how he got there He sets off through a fantastical changing landscape to confront his past If he wants to find peace and reunite with the Stranger he is so strongly drawn to he must continue on until the end In Galley Proof fiction writer Logan is perfectly happy until he meets the editor of his next book Brock Soon his life and his new manuscript are in a shambles To take his mind off the mess Logan goes on a trip but he might have to admit there are some things you can t run from **Book Wars** John B. Thompson,2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new

players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future
