Reading, Writing, and Bookish Circles in the Ancient Mediterranean Jonathan D.H. Norton, Garrick Allen, Lindsey A. Askin, 2022-06-30 By integrating conversations across disciplines especially focusing on classical studies and Jewish and Christian studies this volume addresses several imbalances in scholarship on reading and textual activity in the ancient Mediterranean Contributors intentionally place Jewish Christian Roman Greek and other reading circles back into their encompassing historical context avoiding subdivisions along modern subject lines divisions still bearing marks of cultural and ideological interests In their examination contributors avoid dwelling upon traditional methodological debates over orality vs literacy and social classifications of literacy instead turning their attention to the social historical groups of people circles and networks strata and class scribal culture material culture epigraphic and papyrological evidence functions and types of literacy and the social relationships that all of these entail Overall the volume contributes to an emerging and important interdisciplinary collaboration between specialists in ancient literacy encouraging future discussion between two currently divided fields

Herald of Gospel Liberty Elias Smith, 1904 Prefaces: Writing Sampler Søren Kierkegaard, 2009-10-11 Prefaces was

the last of four books by Søren Kierkegaard to appear within two weeks in June 1844 Three Upbuilding Discourses and Philosophical Fragments were published first followed by The Concept of Anxiety and its companion published on the same day the comically ironic Prefaces Presented as a set of prefaces without a book to follow this work is a satire on literary life in nineteenth century Copenhagen a lampoon of Danish Hegelianism and a prefiguring of Kierkegaard's final collision with Danish Christendom Shortly after publishing Prefaces Kierkegaard began to prepare Writing Sampler as a sequel Writing Sampler considers the same themes taken up in Prefaces but in yet a more ironical and satirical vein Although Writing Sampler remained unpublished during his lifetime it is presented here as Kierkegaard originally envisioned it in the company of Prefaces

Christian Advocate, 1910 **Writing and Holiness** Derek Krueger, 2013-04-03 Drawing on comparative literature ritual and performance studies and the history of asceticism Derek Krueger explores how early Christian writers came to view writing as salvific as worship through the production of art Exploring the emergence of new and distinctly Christian ideas about authorship in late antiquity Writing and Holiness probes saints' lives and hymns produced in the Greek East to reveal how the ascetic call to imitate Christ's humility rendered artistic and literary creativity problematic In claiming authority and power hagiographers appeared to violate the saintly practices that they sought to promote Christian writers meditated within their texts on these tensions and ultimately developed a new set of answers to the question What is an author Each of the texts examined here used writing as a technique for the representation of holiness Some are narrative representations of saints that facilitate veneration others are collections of accounts of miracles composed to publicize a shrine Rather than viewing an author's piety as a barrier to historical inquiry Krueger argues that consideration of writing as a form of piety opens windows onto new modes of practice He interprets Christian authors as participants in the religious system they described as devotees monastics and faithful emulators of the saints and he shows how their literary practice integrated authorship into other Christian practices such as asceticism devotion pilgrimage liturgy and sacrifice In considering the distinctly literary contributions to the formation of Christian piety in late antiquity Writing and Holiness uncovers Christian literary theories with implications for both Eastern and Western medieval literatures
