District of Columbia Appropriations United States. Congress. Senate. Committee on Appropriations,1968 **Writing Program Architecture** Bryna Siegel Finer,Jamie White-Farnham,2017-11-01 Writing Program Architecture offers an unprecedented abundance of information concerning the significant material logistical and rhetorical features of writing programs Presenting the realities of thirty diverse and award winning programs contributors to the volume describe reporting lines funding sources jurisdictions curricula and other critical programmatic matters and provide insight into their program histories politics and philosophies Each chapter opens with a program snapshot that includes summary demographic and historical information and then addresses the profile of the WPA program conception population served funding assessment technology curriculum and more The architecture of the book itself makes comparison across programs and contexts easy not only among the programs described in each chapter but also between the program in any given chapter and the reader s own program An online web companion to the book includes access to the primary documents that have been of major importance to the development or sustainability of the program described in a Primary Document section of each chapter The metaphor of architecture allows us to imagine the constituent parts of a writing program as its

foundation beams posts scaffolding the institutional structures that alongside its people anchor a program to the ground and keep it standing The most extensive resource on program structure available to the field Writing Program Architecture illuminates structural choices made by leaders of exemplary programs around the United States and provides an authoritative source of standard practice that a WPA might use to articulate programmatic choices to higher administration Contributors Susan Naomi Bernstein Remica Bingham Risher Brent Chappelow Malkiel Chosed Angela Clark Oates Patrick Clauss Emily W Cosgrove Thomas Deans Bridget Draxler Leigh Ann Dunning Greg A Giberson Maggie Griffin Taylor Paula Harrington Sandra Jamieson Marshall Kitchens Michael Knieval Amy Lannin Christopher LeCluyse Sarah Liggett Deborah Marrott Mark McBeth Tim McCormack John McCormick Heather McGrew Heather McKay Heidi A McKee Julianne Newmark Lori Ostergaard Joannah Portman Daley Jacqueline Preston James P Purdy Ben Rafoth Dara Regaignon Nedra Reynolds Shirley Rose Bonnie Selting Stacey Sheriff Steve Simpson Patricia Sullivan Kathleen Tonry Sanford Tweedie Meg Van Baalen Wood Shevaun Watson Christy I Wenger Lisa Wilkinson Candace Zepeda

In! College Admissions and Beyond: The Experts' Proven Strategy for Success Lillian Luterman, Jennifer Bloom, 2011-07-05 An award winning step by step guide to college admissions that helps students through every aspect of the application process and gives them a proven approach to make their application stand out from the rest Two expert college admissions consultants a mother daughter team share their step by step proven strategy for creating an application that stands out and gets you IN College admissions has never been more stressful Not only is admission ruthlessly competitive with more and more qualified students applying each year but the application process has become more confusing than ever before Most parents and students feel anxious overwhelmed and confused by the choices and trade offs In is based on the authors 20 years of experience working privately on boarding college and graduate school admissions with students from all over the world While there is no shortage of college admissions guidebooks on the market In offers students and their parents a crucial element that none of the others do a clear step by step strategy that helps students not only compete academically with other qualified applicants but also develop a defining interest in incremental attainable steps that distinguishes them from their peers and gives them an edge with college admissions officers This strategy is summed up in a four word phrase be alike but spike This means that the applicant must perform on par with other students applying to similar colleges while also working to stand out from the pack like a spike on a graph in one area Ironically it s often the well rounded student an ideal many applicants strive for who gets rejected In shows students how to create that distinction by identifying and layering their passion showcasing their interest in many different ways and circumstances Enlivened with instructive case studies as well as entertaining New Yorker cartoons this book carefully guides students through the application process showing them how to rise to the top of an applicant pool of thousands And unlike most books about getting in In s lessons do not end at college acceptance Rather than viewing college admissions as a hurdle to be quickly and painlessly cleared mother daughter team Luterman and Bloom
