Unlock Your Potential Mitchell R. Petanick,2017-01-31 Do you ever wonder why the same people always seem successful Do you feel stuck Do you want more from life but don t know what to do next I felt that way for a long time I felt like I had gone as far as I was going to go in life I decided I wanted more and began to study what it takes to be successful I found that success wasn t designated for a select few like I previously believed Since making that discovery I turned my life around and now experience success in every endeavor I began coaching others on the concepts I have learned and applied in my life and they too are experiencing similar success I wrote this book as a guide for anyone who may be interested in making a change but don t know where to start This book will show you the steps I took to be successful and my four keys to creating success
