Permar,2015-03-14 If you ve ever

stared in awe at the Rocky Mountains and wondered how early travelers could possibly traverse those peaks then this is the book for you In a time of smartphones GPS devices and voice automated navigation systems it s difficult to imagine crossing unknown desserts mountains and prairies with just a few ancient techniques and the heavens above This history of movement across the American West brings three centuries of travel to life It shows how four different cultures in four different areas migrated across this harsh and beautiful land the native travelers on foot Spanish conquistadors on horseback Frenchmen by canoe and American settlers by wagon In this history the who where and when take a back seat to the fascinating how How

did they find their way from place to place How did they measure time distance and direction traveled How did they provide themselves with food water and shelter the barest necessities of human existence Travel the myth and reality of the raw land that made the American West Discover the depth of human bravery determination and ingenuity And enjoy the adventure

Trail and Timberline ,1927 **Hiking Wyoming's Wind River Range** Ben Adkison,2018 Detailed descriptions and maps to get you to 40 wilderness trails in the range and offering suggestions for day hikes extended trips and off trail exploration Bridger-Teton National Forest (N.F.), Land and Resource(s) Management Plan (LRMP) ,1990 Wyoming Wildlife Paul Johnsgard,Tom Mangelsen,2019-06-26 This book surveys Wyoming s mammal bird reptile and amphibian faunas In addition to introducing the state s geography geology climate and major ecosystems it provides 65 biological profiles of 72 mammal species 195 profiles of 196 birds 9 profiles of 12 reptiles and 6 profiles of 9 amphibians There are also species lists of Wyoming s 117 mammals 445 birds 22 reptiles and 12 amphibians Also included are descriptions of nearly 50 national and state properties including parks forests preserves and other public access natural areas in Wyoming The book includes a text of more than 150 000 words nearly 700 references a glossary of 115 biological terms nearly 50 maps and line drawings by the author and 33 black white photographs by Thomas D Mangelsen **The Bear River Massacre and the Making of History** Kass Fleisher,2004-04-12 Explores how a pivotal event in U S history the killing of nearly 300 Shoshoni men women and children in 1863 has been contested forgotten and remembered North American Exploration John Logan Allen,1997-01-01 The third volume of North American Exploration covering 1784 to 1914 charts a dramatic shift in the purpose priorities and results of the exploration of North America As the nineteenth century opened exploration was still fostered by the growth of empire but by the 1830s commercial interests came to drive most exploratory ventures particularly through the fur trade By midcentury however as imperial rivalries lessened and the fur trade declined exploration was driven by the growing scientific spirit of the age although the science was often conducted in the service of a search for railroad routes or natural resources linked to military concerns A clear transition took place as the spirit of the Enlightenment gave way to economic imperatives and to the science of the post Darwinian age and exploration passed beyond discovery and geographical definition This volume explores the resultant beginnings of an understanding of the continent and its native peoples **The Anthropocene** David R. Butler,2021-12-21 This book is devoted to the Anthropocene the period of unprecedented human impacts on Earth s environmental systems and illustrates how Geographers envision the concept of the Anthropocene This edited volume illustrates that geographers have a diverse perspective on what the Anthropocene is and represents The chapters also show that geographers do not feel it necessary to identify only one starting point for the temporal onset of the Anthropocene Several starting points are suggested and some authors support the concept of a time transgressive Anthropocene Chapters in this book are organized into six sections but many of them transcend easy categorization and could have fit into two or even three different sections Geographers embrace the concept of the

Anthropocene while defining it and studying it in a variety of ways that clearly show the breadth and diversity of the discipline This book will be of great value to scholars researchers and students interested in geography environmental humanities environmental studies and anthropology The chapters in this book were originally published as a special issue of the journal *Annals of the American Association of Geographers* Resource Bulletin INT ,1987 **Our United States Geography** Beverly Vaillancourt,1994 *Ecology and Ethnogenesis* Adam R. Hodge,2019-01-01 In *Ecology and Ethnogenesis* Adam R Hodge argues that the Eastern Shoshone tribe now located on the Wind River Reservation in Wyoming underwent a process of ethnogenesis through cultural attachment to its physical environment that proved integral to its survival and existence He explores the intersection of environmental indigenous and gender history to illuminate the historic roots of the Eastern Shoshone bands that inhabited the intermountain West during the nineteenth century Hodge presents an impressive longue dur e narrative of Eastern Shoshone history from roughly 1000 CE to 1868 analyzing the major developments that influenced Shoshone culture and identity Geographically spanning the Great Basin Rocky Mountain Columbia Plateau and Great Plains regions *Ecology and Ethnogenesis* engages environmental history to explore the synergistic relationship between the subsistence methods of indigenous people and the lands that they inhabited prior to the reservation era In examining that history Hodge treats Shoshones other Native peoples and Euroamericans as agents who through their use of the environment were major components of much broader ecosystems The story of the Eastern Shoshones over eight hundred years is an epic story of ecological transformation human agency and cultural adaptation *Ecology and Ethnogenesis* is a major contribution to environmental history ethnohistory and Native American history It explores Eastern Shoshone ethnogenesis based on interdisciplinary research in history archaeology anthropology and the natural sciences in devoting more attention to the dynamic and often traumatic history of precontact Native America and to how the deeper past profoundly influenced the postcontact era Wildflowers of Wyoming: Second Edition Diantha States,Jack States,2015-07-08 Wyoming is home to a host of spectacular wildflowers which collectively are unique to the Rocky Mountain West In their extensive Wyoming travels Diantha and Jack States photographed over 325 of the most common and showy wildflowers that inhabit vegetation zones from prairie steppe foothills montane subalpine to alpine They are presented in this 2nd edition of their full color field guide that includes thumbnail photos of flowers by color and shape for ease of identification Also included is a key to plant families with line drawings of 16 of those most commonly encountered families Thus this guide is useable and appropriate for flower enthusiasts at all levels of experience

Wyomings Wind River Range Wyoming Geographic Series Introduction

In the digital age, access to information has become easier than ever before. The ability to download Wyomings Wind River Range Wyoming Geographic Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Wyomings Wind River Range Wyoming Geographic Series has opened up a world of possibilities. Downloading Wyomings Wind River Range Wyoming Geographic Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Wyomings Wind River Range Wyoming Geographic Series has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Wyomings Wind River Range Wyoming Geographic Series. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Wyomings Wind River Range Wyoming Geographic Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Wyomings Wind River Range Wyoming Geographic Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Wyomings Wind River Range Wyoming Geographic Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
