Chinese Herbal Medicine Made Easy Thomas Richard Joiner, 2001 This comprehensive guide features alphabetical listings of more than 250 illnesses information on their treatment in both Western and Chinese medicine and more than 750 herbal formulas used to treat specific complaints **Clinical Manual of Chinese Herbal Patent Medicines, 3rd Edition**

Will MacLean, Kathryn Taylor, 2000 This is the eBook version of the third edition October 2016 of the Clinical Manual of Chinese Herbal Medicines The content is identical except for the use of color in the eVersion The content describes the actions indications dosages and potential combinations of over 330 medicines Since the first edition published in 2000 the number of medicines available in the marketplace has expanded considerably New companies have entered the market and some previously available medicines have disappeared Patent medicines are for many practitioners the cornerstone of herbal medicine practice The author believes that patent medicines carefully and correctly applied can be as effective as raw herb decoctions for many common conditions In addition they have numerous advantages not the least of which are improved compliance relatively low cost to the patient and a high degree of quality control The Clinical Manual of Chinese Herbal Patent Medicines is the most up to date text on what is actually available in the market and what is good and of good quality It is an essential addition to the desk and bookshelf of all serious practitioners and students of Chinese medicine In addition to the government registered medicines available in Australia the details a number of classical prescriptions currently available only in the US and Europe One of the nicest features of the text is its use of small icons in the left margin to indicate use information Each formula is discussed in terms of its TCM Actions Biomedical actions Indications Composition Combinations Dose and Method of Administration and Cautions and Contraindications A specially nice feature are the line drawings of persons illustrating elements of the patterns These are often expressive of the adittudinal and psychological characteristics of those matching the pattern indicated **Clinical Handbook of Chinese Prepared Medicines** Chun-Han Zhu, 1989 A presentation of TCM prepared patent medicines assembled from the work of a Chinese practitioner who has had years of experience training students and treating patients Each formula is identified by Chinese pinyin and a generic English name

War Soul Transformation Shao Guangxiajiu, 2019-11-20 Soul cultivation is his mission no matter what the difficulties he will always go forward On this continent if human beings want to be strong they can only achieve it by cultivating their own souls Some people are able to reach the seventh level or above which is very powerful Li Ye is a rare teenager who has reached the tenth level on the continent When he reaches the tenth level his soul can combine with the beast s souls to form a stronger soul However when he thought he would be a leader The elders of the family took advantage of his father s absence taking his force away from him and gave it to another more favored boy In order to survive he had to pretend to be foolish with hate After three years his father finally returned It was time for his revenge With anger full of his heart those who had hurt him had to accept the cruelest punishment In the future he will be even stronger About the Author
