Transformational Discipleship How People Really Grow:

Transformational Discipleship Eric Geiger, Michael Kelley, Philip Nation, 2012-06-01 A Christian's desire to grow in faith is beautiful and biblical best illustrated in Jeremiah 17 where Scripture describes The man who trusts in the LORD as being like a tree planted by water It will not worry in a year of drought or cease producing fruit But how do people really grow

Transformational Discipleship describes the process that brings to life that kind of person described in the Bible There's no magic formula or mantra to recite here but rather a substantive measure of research with churches and individuals who have wholeheartedly answered the call of Jesus to make disciples A compilation of their wisdom and stories it surely guides church leaders and members to practice the intentional efforts needed to foster an entire culture in which people grow in Christian faith And they will grow not because of human research but by the power of the Word and of the Holy Spirit working through the church the same way disciples have always been made When the people of God engage in the mission of God through the Spirit of God lives are transformed

Transformational Discipleship Eric Geiger, Michael Kelley, Philip Nation, 2012-06 A broadly experienced trio of rising church leaders share substantive research on churches and individuals that will help readers foster a culture wherein people intentionally grow in their Christian faith

Following Jesus Phillip C. Thrailkill, 2022-10-17 Two questions are braided together in Luke's Gospel Who is Jesus and what does it mean to be his student and apprentice The church has spent much of its intellectual energies on the first question but not so much on the second We are precise in our Christology and vague in our Discipleology my new word Of the four biographies that open the New Testament Luke is perhaps the best equipped to answer the question of what it means to follow Jesus along with others and what we can expect in the process Luke's Gospel is dense with story after story about Jesus's stumbling goofy persistent disciples And his second volume Acts continues the tale There is a deep continuity as Luke teaches between Jesus's original disciples and the ones who later declared their allegiance to him after his resurrection We walk in the footsteps of pioneers in this new way of living with a Jesus who is always near but just beyond sight The aim of this book is to plunder the fruits of New Testament scholarship especially the tools of rhetorical and narrative criticism to highlight what an incredible adventure came with the call to follow me

Transformational Groups Ed Stetzer, Eric Geiger, 2014-02-15 God declared through the Apostle Paul that the church would be a place of transformation In 2 Corinthians 5:17 we find Therefore if anyone is in Christ he is a new creation old things have passed away and look new things have come Despite this the church seems increasingly to be a place where transformation fails to occur Surveying the landscape however there are some bright spots where churches are faithfully producing transformed disciples Furthermore as shown in Scripture and supported by new research God designed such transformation to often happen in the context of smaller groups of people But what characteristics are true of churches that are making transformed disciples through group based ministry whether small groups missional communities Sunday school or some other expression of groups In *Transformational Groups* Ed Stetzer and

Eric Geiger have created a new scorecard that will provide a map to transformational success for your church's groups ministry Using data from the largest survey of pastors and laypersons ever done on the condition of groups in the church they define a simple process to lead your groups from where they are to where God wants them to be **Discipleship that Fits** Bobby Harrington, Alex Absalom, 2016-02-09 For far too long the church has tried to make disciples using a one size fits all approach Some churches advocate 1 on 1 discipling others try getting everyone into a small group while still others training through mission trips or service projects Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching But does one size really fit everyone Based on careful biblical study and years of experience making disciples in the local church Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context **Discipleship That Fits** shows you the five key ways discipleship occurs It looks at how Jesus made disciples and how disciples were formed in the early church Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ Public Relationships The church gathering corporately for worship Social Relationships Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it how the early church practiced it and how churches are discipling people today **The Message of Discipleship** Peter Morden, 2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden's conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups **The Message of Discipleship** will help you to see how the Bible's unified teaching on this vital theme can impact your life today **The Bible Speaks Today** series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture **Stride** Ken Willard, Mike

Schreiner, 2017-10-17 Churches of all types around the country are struggling. The more programs they try, the more evident it becomes that there is no quick fix or secret formula to help them out of their rut. John Wesley, the founder of the Methodist Movement, once said, "The way to keep a Methodist alive is to keep him moving." It is time to recapture this simple yet profound truth and get back to the basics of making fully devoted followers of Jesus Christ. The authors developed and launched a highly successful pathway to discipleship in their church, Morning Star UMC in St. Louis. Here they show others how to create a successful discipleship pathway for their own particular contexts based on the principles developed at Morning Star. Willard and Scheiner share the process of developing a discipleship pathway that meets individual people where they are. They provide examples of each element and practical instruction on how to plan, implement, and sustain the discipleship pathway. The authors are teaching this material in conferences around the UM connection from New Mexico to Missouri. They also share examples of how the pathway works in other churches. For small group study, participants working through *Stride the Stride Participant Book* (ISBN 9781501876257), a workbook designed to facilitate individual work on creating a discipleship pathway, is available to purchase separately. *Musings Of A 4th Quarter Guy (From His Camper) About Church*, Todd Wessels, 2024-01-22 As people inside and outside of the church in America become more disillusioned with what they experience or see from the outside, looking in, what will be the way forward for Jesus's bride, the Church? In this book, I hope you will join me in taking a look into where we have come from and what might be a path forward. If we are not willing to take a look and wrestle with the church in our wandering, instead of settling, can we forge that path forward? Join me as my wife and I took a trip around this country in our little camper, in part to do some of that wrestling and wandering. Join me as I look back on a twenty-year career in full-time church staff ministry and twenty-plus years in church ministry as a volunteer committed to making church work in a local setting. But also, I sense along with others, a new work that God is up to. Can a new mindset be instilled that will help us navigate that new way forward in a way that puts ministry back in the hands of all God's people? One that grasps a much more relational approach to bringing restoration to a waiting world. Like an orchestra tuning their instruments, Consumer Christianity is producing chaotic noise about God. Rather than adding to the noise, perhaps it is time for us to finally be silent, be still, and wait in anticipation for God to begin a new work. *The Divine Commodity* by Skye Jethani. My thoughts are not your thoughts, neither are your ways my ways, for as high as the heavens are higher than the earth, so are my ways higher than yours, and my thoughts than your thoughts. Isaiah 55:8-9. [Equipping Christians for Kingdom Purpose in Their Work](#) Tom Lutz, Heidi Unruh, 2022 Equipping Christians for Kingdom Purpose in Their Work. This book unpacks a strategy for anyone in ministry to disciple churchgoers in how to effectively live out their faith with their work. With short, readable chapters filled with case studies, examples, and practical resources, readers will learn how to equip others to fulfill their kingdom purpose in their work. **Eschatological Discipleship** Trevin Wax, 2018-04-01 Discipleship is eschatological in nature because the church that makes and receives disciples is

eschatological in nature Often eschatology is thought to refer only to last things doctrines However eschatology in its broader sense encompasses the Christian view of time and the future of the world informing both one's evangelism and ecclesiology Failing to relate the eschatological dimension to discipleship leaves one with an incomplete worldview imbalanced discipleship and eventually a tragic inability to model the Christian way of life By answering questions like What time is it and Where is history going Trevin Wax helps Christians view the past present and future biblically and shapes their understanding of following Jesus

The Pursuit of Holistic Holiness Daniel Spurgeon Tankersley, 2020-10-15 The greatest pursuit in life is holiness Without holiness no one will see the Lord Heb 12:14 Unfortunately individuals churches even entire denominations often practice distorted spiritual formation As a result spiritual growth is hindered personal witness is damaged the Great Commission is inhibited and God is dishonored The solution to distorted spiritual formation is a holistic approach centered on the Great Commandment *The Pursuit of Holistic Holiness* provides a biblical theology of spiritual formation identifies pitfalls of imbalanced spiritual growth and offers practical solutions to help Christians recognize and overcome deficiencies in the transformation process Whatever your spiritual maturity level this book will facilitate your path forward The pursuit of holistic holiness has the potential to spark a reformation in the Church

Measuring Spiritual Maturity Randy Tompkins, 2019-10-21 Jesus commissioned His apostles and by extension the church to make disciples Many church leaders have come to the conclusion that attending worship services and Bible study classes will result in making disciples A review of statistical reports indicates a majority of church members and attenders do not believe this process will work or they have come to the conclusion they do not want to become disciples The 2010 US Religion Census report indicated 79% of the 150,686,156 members children and other attenders did not attend worship services It also reported over 60% of the same group did not attend Bible study classes In 2014 one of the major denominations in the United States reported 63% of church members did not attend worship services and 62% did not attend Bible study classes There are literally thousands of spiritual surveys available to church leaders A majority of these surveys develop conclusions based on a single survey being administered or two surveys being administered several months apart If a disciple making process is to be effective there needs to be a method of measuring the progress of individuals moving toward spiritual maturity This type of measurement would produce a visual of spiritual growth spiritual decline or spiritual non growth The only way to measure the spiritual progress of an individual is to create a measurement of the various elements of the spiritual life The process of measuring spiritual maturity in this book is self contained within the

participating church and the responses of the participating individuals are highly confidential and warehoused by the participating church **Every Believer a Disciple!** David E. Bjork, 2015-06-14 The growth of Christianity in recent decades has been remarkable but has it been growth with depth Are our communities of faith our churches creating and nurturing deeply committed followers of Jesus This book was born out of the realization that churches throughout the world despite their numerous evangelization and spiritual development activities are struggling to produce true disciples of Jesus How can we explain why so many of us in our churches are so unlike Jesus in the way we think and act What can we change in our understanding and practices to facilitate life transformation and spiritual multiplication And as Christians what are we called to do In answering these questions the author proposes an alternative ecclesial and missional paradigm that will enable us to better equip and mobilize believers in the mission that Christ gave to his disciples and gives to us all to make disciples

D2 Phil McKinney II,2019-03-12 Following Jesus is a lifelong journey of transformation Follow me These two words changed the lives of twelve unlikely individuals in the first century and they can change the course of your life as well Many people claim to follow Jesus but truly following him involves a commitment to transformational discipleship not just nominal acceptance Discipleship was the mission of Christ and therefore as disciples it is our mission as well both to be disciples and to make disciples Following as a disciple of Jesus begins with hearing his call and then desiring to grow in our relationship with him However we are too often satisfied with simply receiving God's grace and neglect to give it back We desire to gain all the privileges of a disciple minus the commitment to be one As a result we need to develop a consistent coordinated and intentional plan for greater spiritual growth and discipleship focused on gaining an everincreasing ability to apply God's Word to life If you want more than sitting in pews and checking off church participation boxes if you are ready to live the life Christ calls you to by following him with all your heart soul mind and strength this book is for you

Re-Envisioning Transformation David C. Scott,2018-09-14 In today's church use of the term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed *Re Envisioning Transformation* looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from which to develop a comprehensive and integrated framework of transformational theology pointing God's people toward the need to express and live out a distinctly Christian vision

Dedicated Jason Houser,Bobby Harrington,Chad Harrington,2015-03-10 In the Great Commission Jesus commanded his followers to go into the world and make disciples teaching them to obey all that Jesus had said But the very first great commission was really given much earlier to parents In Deuteronomy 6 God calls parents to the task of discipleship in raising their children Discipleship is the greatest test for the Christian family today In today's busy world many parents feel overwhelmed and aren't sure what to do or even where to begin In *Dedicated* Jason Houser is joined by Bobby Harrington and his son Chad as they unpack the simple practical and essential practices of spiritually parenting and discipling children in the home An inspirational training manual to equip parents *Dedicated* will empower parents to pass along their faith to the next generation

Reflections on Issues in Music and Worship Michael G. Coleman,2019-03-19 Lest you think that Dr Coleman has quit preachin and gone to meddlin in this sensitive topic

of music and especially church appropriate music please give this book a chance Coleman draws from many sources both Seventh day Adventist and non Adventist to explain just how the type of music we use in church worship services affects our worship experience and our Christian experience When addressing the current trend of Contemporary Christian Music CCM he assures the reader that he is not against all CCM but cautions against using a song just because it may be popular or may draw a certain crowd into the church He shows how merely the use of contemporary music may attract people to attend church but it doesn't necessarily lead to a true conversion or the intentional discipling of those people Dr Coleman states The seeker sensitive model involved a de emphasis of traditional methods of evangelism and discipleship such as doctrinal preaching calling for repentance from sin and committing oneself to give Bible studies rather it focused on innovation and meeting the wants of people often dubbed felt needs The seeker sensitive model also caused people to view Christianity as something cool and made them feel comfortable in dressing down to attend church worship service sometimes in jeans and a t shirt However it resulted in producing spiritually weak Christians who were pastor dependent and not committed to making disciples for Christ Music ministry leaders and anyone who enjoys music in church will learn to be a little more discriminating in the choice of music after gaining the insights provided in this book
