Transnational Transcendence Essays On Religion And Globalization:

Transnational Transcendence Thomas J. Csordas, 2009 This innovative collection examines the transnational movements effects and transformations of religion in the contemporary world offering a fresh perspective on the interrelation between globalization and religion Taken as a whole Transnational Transcendence challenges some widely accepted ideas about this relationship in particular that international contemporary religious manifestations are secondary to the primary economic phenomenon of globalization P 4 of cover

Research Handbook on the Sociology of Globalization Christian Karner, Dirk Hofäcker, 2023-07-01 This Research Handbook takes stock of the state of the art in sociological research on globalization and the contributors outline future trajectories for this one of the most pressing and challenging sociological themes of our time

Religion, Politics, and Globalization Galina Lindquist, Don Handelmann, 2012-11 While social scientists beginning with Weber envisioned a secularized world religion today is forthrightly becoming a defining feature of life all around the globe The complex connections between religion and politics and the ways in which globalization shapes these processes are central themes explored in this volume by leading scholars in the field of religion Does the holism of numerous past and present day cosmologies mean that religions with their holistic orientations are integral to human existence What happens when political ideologies and projects are framed as transcendental truths and justified by Divine authority How are individual and collective identities shaped by religious rhetoric and what are the consequences Can mass murder deemed terrorism be understood as a form of ritual sacrifice and if so what are the implications for our sensibilities and practices as scholars and citizens Using empirical material from historical analyses of established religions to the everyday strife of marginalized groups such as migrants and dissident movements this volume deepens the understanding of processes that shape the contemporary world

Asian Migrants and Religious Experience Bernardo Brown, Brenda Yeoh, 2025-10-01 Typically scholars approach migrants religions as a safeguard of cultural identity something that connects migrants to their communities of origin This ethnographic anthology challenges that position by reframing the religious experiences of migrants as a transformative force capable of refashioning narratives of displacement into journeys of spiritual awakening and missionary calling These essays explore migrants motivations in support of an argument that to travel inspires a search for new meaning in religion

Annual Review of the Sociology of Religion. Volume 14 (2023), 2024-03-04 This volume of the Annual Review for the Sociology of Religion addresses the challenges of the diversity and complexity of sociological approaches to Asian forms and dynamics of Asian or Asian inspired ascetic ideas and practices Eleven papers written by scholars conducting researches in different geographic and cultural contexts all contribute to enrich discussion on the relevance of sociological studies of Yoga meditation and other ascetic techniques and traditions Contributors are Zuzana Brtová, Loïc Bawidamann, Jørn Borup, Sally S. J. Brown, Ugo Dess, Marianne Qvortrup, Fibiger, Marc Lebranchu, Patrick S. D. McCartney, Lionel Obadia, Matteo Di Placido, Alexandros Sakellariou, João Paulo P. Silveira and Rafael Walthert

The Oxford

Flows of Faith Lenore Manderson, Wendy Smith, Matt Tomlinson, 2012-02-16 Unique local transformations of the practice of established religions in Asia and the Pacific are juxtaposed with the emergence of new religious movements whose incidence is growing across the region In *Flows of Faith* the contributing authors take as their starting point questions of how religions manifest outside their cultural boundaries and provide the basis for new social identities political movements and social transformations With fresh insights into the globalization of beliefs their local inflections and their institutionalization the authors explore how old and new religions work in different settings and how their reception and membership challenge orthodox understandings of religion and culture The chapters set in Asia the Pacific Australia and the US illustrate the contrasts and commonalities of these belief systems and their allegiances and networks in the region and beyond They include new religious movements Falun Gong Brahma Kumaris the Hare Krishna movement based in East and South Asia with outreach posts in Australia and the U S and established old religions Christianity Buddhism Hinduism and Islam that are revitalized and recreated in different settings and places *Flows of Faith* describes the transnational reaches of faith Religious practices and their local manifestations track the movement of peoples through mission outreach flight migration and pilgrimage In each new setting religions are shaped by and in turn shape political and cultural forces proving that they are resilient and generative originary and distinctive The volume is a major contribution providing readers with a fresh and creative approach into the living experience of religious communities in a contemporary globalised world

Handbook of Contemporary Religions in Brazil Bettina Schmidt, Steven Engler, 2016-09-19 The Brill Handbook of Contemporary Religions in Brazil provides an unprecedented overview of Brazil's religious landscape

It offers a full balanced and contextualized portrait of contemporary religions in Brazil bringing together leading scholars from both Brazil and abroad drawing on both fieldwork and detailed reviews of the literatures For the first time a single volume offers overviews by leading scholars of the full range of Brazilian religions alongside more theoretically oriented discussions of relevant religious and culture themes This Handbook s three sections present specific religions and groups of traditions Brazilian religions in the diaspora and issues in Brazilian religions e g women possession politics race and material culture Christian Congregational Music Monique Ingalls,Carolyn Landau,Tom Wagner,2016-05-23 Christian

Congregational Music explores the role of congregational music in Christian religious experience examining how musicians and worshippers perform identify with and experience belief through musical praxis Contributors from a broad range of fields including music studies theology literature and cultural anthropology present interdisciplinary perspectives on a variety of congregational musical styles from African American gospel music to evangelical praise and worship music to Mennonite hymnody within contemporary Europe and North America In addressing the themes of performance identity and experience the volume explores several topics of interest to a broader humanities and social sciences readership including the influence of globalization and mass mediation on congregational music style and performance the use of congregational music to shape multifaceted identities the role of mass mediated congregational music in shaping transnational communities and the function of music in embodying and imparting religious belief and knowledge In demonstrating the complex relationship between traditional and contemporary sounds and local and global identifications within the practice of congregational music the plurality of approaches represented in this book as well as the range of musical repertoires explored aims to serve as a model for future congregational music scholarship **Global Religious Movements Across**

Borders Stephen M. Cherry,Helen Rose Ebaugh,2016-04-22 From global missionizing among proselytic faiths to mass migration through religious diasporas religion has traveled from one side of the world and back again It continues to play a prominent role in shaping world politics and has been a vital force in the continued emergence spread and creation of a transnational civil society Exploring how religious roots are shaping organizations that seek to aid people across political and geographic boundaries service movements this book focuses on how religious movements establish structures to assist people with basic human needs such as food clothing shelter education and health Examining a multitude of faith traditions with origins in different parts of the world seven contributing chapters with an introduction and conclusions by the senior author offer a unique discussion of the intersections between religious transnationalism and social movements Babaylan Sing Back Grace Nono,2021-11-15 Babaylan Sing Back depicts the embodied voices of Native Philippine ritual specialists popularly known as babaylan These ritual specialists are widely believed to have perished during colonial times or to survive on the margins in the present day They are either persecuted as witches and purveyors of superstition or valorized as symbols of gender equality and anticolonial resistance Drawing on fieldwork in the Philippines and in the Philippine diaspora

Grace Nono's deep engagement with the song and speech of a number of living ritual specialists demonstrates Native historical agency in the 500th year anniversary of the contact between the people of the Philippine Islands and the European colonizers *Glocal Religions* Victor Roudometof, 2018-11-07 This book is a printed edition of the Special Issue *Glocal Religions* that was published in *Religions* *From Belonging to Belief* Julie McBrien, 2017-06-08 *From Belonging to Belief* presents a nuanced ethnographic study of Islam and secularism in post Soviet Central Asia as seen from the small town of Bazaar Korgon in southern Kyrgyzstan Opening with the juxtaposition of a statue of Lenin and a mosque in the town square Julie McBrien proceeds to peel away the multiple layers that have shaped the return of public Islam in the region She explores belief and nonbelief varying practices of Islam discourses of extremism and the role of the state to elucidate the everyday experiences of Bazaar Korgonians McBrien shows how Islam is explored lived and debated in both conventional and novel sites a Soviet era cleric who continues to hold great influence popular television programs religious instruction at wedding parties clothing celebrations and others Through ethnographic research McBrien reveals how moving toward Islam is not a simple step but rather a deliberate and personal journey of experimentation testing and knowledge acquisition Moreover she argues that religion is not always a matter of belief sometimes it is essentially about belonging *From Belonging to Belief* offers an important corrective to studies that focus only on the pious turns among Muslims in Central Asia and instead shows the complex process of evolving religion in a region that has experienced both Soviet atheism and post Soviet secularism each of which has profoundly formed the way Muslims interpret and live Islam **Faith in Flux** Devaka Premawardhana, 2018-03-02 Pentecostalism Africa's fastest growing form of Christianity is known for displacing that which came before Yet anthropologist Devaka Premawardhana witnessed neither massive growth nor dramatic rupture in the part of Mozambique where he worked His research opens a new paradigm for the study of global Christianity one centered on religious fluidity and existential mobility and on how indigenous traditions remain vibrant and influential even in the lives of converts In *Faith in Flux* Premawardhana narrates a range of everyday hardships faced by a rural Makhuwa speaking people snakebites and elephant invasions chronic illnesses and recurring wars disputes within families and conflicts with the state to explore how wellbeing sometimes entails not stability but mobility In their ambivalent response to Pentecostalism as in their historical resistance to sedentarization and other modernizing projects the Makhuwa reveal crucial insights about what it is to be human about changing as a means of enduring becoming as a mode of being and converting as a way of life

Constructions of Self and Other in Yoga, Travel, and Tourism Lori G. Beaman, Sonia Sikka, 2016-08-01 This volume considers the phenomenon of yoga travel as an instance of a broader genre of spiritual travel involving journeys to places elsewhere which are imagined to offer the possibility of profound personal transformation These imaginings are tied up in a continued exoticization of the East but they are not limited to that Contributors identify various themes such as authenticity suffering space material markers and the idea of the spiritual tracing how these ideas manifest in conceptions and

fetishizations of elsewhere To deepen its analysis of this phenomenon the book incorporates a wide range of disciplines including architecture sociology anthropology philosophy women s studies religious studies and history While the book s primary focus is yoga and yoga travel contributors offer up an array of other case studies Chapters delve into the complex questions of agency and authenticity that accompany the concept of spiritual travel and ideas of elsewhere **Moebius**

Anthropology Don Handelman,Matan Shapiro,Jackie Feldman,2020-10-07 Don Handelman s groundbreaking work in anthropology is showcased in this collection of his most powerful essays edited by Matan Shapiro and Jackie Feldman The book looks at the intellectual and spiritual roots of Handelman s initiation into anthropology his work on ritual and on bureaucratic logic analyses of cosmology and innovative essays on Anthropology and Deleuzian thinking Handelman reconsiders his theory of the forming of form and how this relates to a new theory of the dynamics of time This will be the definitive collection of articles by one of the most important anthropologists of the late 20th Century **Intersections of**

Religion and Migration Jennifer B. Saunders,Elena Fiddian-Qasmiyeh,Susanna Snyder,2016-09-28 This innovative volume introduces readers to a variety of disciplinary and methodological approaches used to examine the intersections of religion and migration A range of leading figures in this field consider the roles of religion throughout various types of migration including forced voluntary and economic They discuss examples of migrations at all levels from local to global and critically examine case studies from various regional contexts across the globe The book grapples with the linkages and feedback between religion and migration exploring immigrant congregations activism among and between religious groups and innovations in religious thought in light of migration experiences among other themes The contributors demonstrate that religion is an important factor in migration studies and that attention to the intersection between religion and migration augments and enriches our understandings of religion Ultimately this volume provides a crucial survey of a burgeoning cross disciplinary interreligious and global area of study **Zorba the Buddha**

Hugh B. Urban,2016-01-12 Zorba the Buddha is the first comprehensive study of the life teachings and following of the controversial Indian guru known in his youth as Bhagwan Shree Rajneesh and in his later years as Osho 1931 1990 Most Americans today remember him only as the sex guru and the Rolls Royce guru who built a hugely successful but scandal ridden utopian community in central Oregon during the 1980s Yet Osho was arguably the first truly global guru of the twentieth century creating a large transnational movement that traced a complex global circuit from post Independence India of the 1960s to Reagan s America of the 1980s and back to a developing new India in the 1990s The Osho movement embodies some of the most important economic and spiritual currents of the past forty years emerging and adapting within an increasingly interconnected and conflicted late capitalist world order Based on extensive ethnographic and archival research Hugh Urban has created a rich and powerful narrative that is a must read for anyone interested in religion and globalization **Economics of Religion**

Lionel Obadia,Donald C. Wood,2011-10-25 Explores the fresh paradigms of religious economics and economies of religion under the scope of

transdisciplinary and international perspectives This title examines and appraises some of the theoretical developments and methodological innovations in religious and social sciences **Routledge Handbook of Religions in Asia** Bryan Turner,Oscar Salemink,2014-09-25 The Routledge Handbook of Religions in Asia provides a contemporary and comprehensive overview of religion in contemporary Asia Compiled and introduced by Bryan S Turner and Oscar Salemink the Handbook contains specially written chapters by experts in their respective fields The wide ranging introduction discusses issues surrounding Orientalism and the historical development of the discipline of Religious Studies It conveys how there have been many centuries of interaction between different religious traditions in Asia and discusses the problem of world religions and the range of concepts such as high and low traditions folk and formal religions popular and orthodox developments Individual chapters are presented in the following five sections Asian Origins religious formations Missions States and Religious Competition Reform Movements and Modernity Popular Religions Religion and Globalization social dimensions Striking a balance between offering basic information about religious cultures in Asia and addressing the complexity of employing a western terminology in societies with radically different traditions this advanced level reference work will be essential reading for students researchers and scholars of Asian Religions Sociology Anthropology Asian Studies and Religious Studies

Transnational Transcendence Essays On Religion And Globalization: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Pappen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
