Transvestism Masculinity And Latin American Literature Genders Share Flesh:

Transvestism, Masculinity, and Latin American Literature B. Sifuentes-Jáuregui, 2002-02-22 This book is about transvestism and the performance of gender in Latin American literature and culture Ben Sifuentes Jáuregui explores the figure of the transvestite and his/her relation to the body through a series of canonical Latin American texts By analyzing works by Alejo Carpentier José Donoso Severo Sarduy and Manuel Puig author of *Kiss of the Spiderwoman* alongside critical works in gender studies and queer theory Sifuentes Jáuregui shows how transvestism operates not only to destabilize but often to affirm sexual gender national and political identities The Avowal of Difference Ben.

Sifuentes-Jauregui, 2014-11-19 Discusses how theories of queer performativity as articulated within the US Academy are unable to capture the whole of Latino American queer subjectivity and experience *The Avowal of Difference* explores the potentialities and limitations that queer theory offers in the context of Latino American texts and subjects Ben Sifuentes Jáuregui contrasts Latino American sexual genealogies with the Anglo European coming out narrative and interrogates the centrality of the coming out story as the regulating metaphor for gay lesbian or queer identities In its place the book looks at other strategies from silence to circumlocution from disavowal to indifference to theorize queer subject formation in a Latino American cultural context The analysis of texts by José Lezama Lima Luis Zapata Manuel Puig Severo Sarduy Junot Díaz and others offers a comparative approach to understanding how queer sexualities are shaped and written in other cultural contexts *The Avowal of Difference* is a delightful critical encounter between queer criticism and Latino American literature and culture I wish I had written it myself Ramón E Soto Crespo author of *Mainland Passage The Cultural Anomaly of Puerto Rico* *The Cambridge Companion to Latin American Poetry* Stephen M. Hart, 2018-03-15 *The Cambridge Companion to Latin American Poetry* provides historical context on the evolution of the Latin American poetic tradition from the sixteenth century to the present day It is organized into three parts Part I provides a comprehensive chronological survey of Latin American poetry and includes separate chapters on Colonial poetry Romanticism modernism the avant garde conversational poetry and contemporary poetry Part II contains six succinct essays on the major figures Sor Juana Inés de la Cruz Gabriela Mistral César Vallejo Pablo Neruda Carlos Drummond de Andrade and Octavio Paz Part III analyses specific and distinctive trends within the poetic canon including women's LGBT Quechua Afro-Hispanic Latino a and New Media poetry This Companion also contains a guide to further reading as well as an essay on the best English translations of Latin American poetry It will be a key resource for students and instructors of Latin American literature and poetry **Today's**

society Latin American Fiction and the Narratives of the Perverse P. O'Connor, 2004-12-02 Latin American Fiction and the Narratives of the Perverse contains analysis of sexual perversion and narrative creativity in fictions from the Latin American boom and post boom O Connor s main argument is that orthodox criticism of Latin American literature has neglected the eccentric singularities of other fictive trends in the corpus especially in the second half of the twentieth century At the same time by examining these eccentric singularities in their relationship to mainstream trends in the Latin American corpus O Connor forces his readers to view these master narratives and major trends such as modernismo or magical realism from surprisingly new angles Five of the authors discussed Puig Lezama Lima Cortazar and Sarduy have an established place in the Latin American literary canon A fifth one Rosario Ferre may have come close to achieving that status with her earlier fictions Others Felisberto Hernandez Alicia Borinsky Cristina Peri Rossi and Silvia Molloy are less well known but they are certainly highly significant authors for scholars and students of contemporary Latin American fiction **Critical Terms in Caribbean and Latin American Thought** Yolanda Martínez-San Miguel, Ben. Janssen, 2008 International in scope this guide lists references by world region selected nations selected American ethnic minorities and Christianity and Judaism Specific ethnic minorities covered include American Indians African Americans and Asian Americans **The Hispanic American Historical Review** James Alexander Robertson, 2002 Includes Bibliographical section **GLQ** , 1993 *Gender and the Mexican Revolution* Stephanie J.
