Traveling Companions Walking With The Saints Of The Church:

Traveling Companions Chris Moorey, 2013-04-25 Do you long to establish a relationship with the saints but find them or the volumes written about them a little intimidating The saints started out as ordinary Christians just like us and they are waiting to accompany us on our journey to heaven if we will only reach out our hands Traveling Companions is a manageable volume that briefly introduces saints from a variety of times places and walks of life all in language that brings them close to contemporary readers lives You re sure to find companions here that you will be happy to walk with all the way to the Kingdom The saints are inexhaustibly varied each of them expressing the gifts of the Holy Spirit in his or her unique and unrepeatable way Christopher Moorey has presented us with an admirable selection of examples from the great cloud of witnesses by whom we are surrounded He writes in a vivid and lively style I am convinced that his book will help many to rediscover the saints and to choose among them some whom in a distinctive way they will make their personal friends

Metropolitan Kallistos Ware describing the original Greek edition of Traveling Companions **A History of Crete** Chris Moorey, 2020-08-15 Known by the Greeks as Megal nisos or the Great Island the island of Crete has a long and varied history Steeped in historical and cultural heritage Crete is the most visited of the Greek islands It has also been of paramount strategic importance for thousands of years thanks to its location close to the junction of three continents and at the heart of the eastern Mediterranean Sea For much of its long history the island has been ruled by foreign invaders Under the rule of the Mycenaeans Dorians Romans Byzantines Arabs Venetians Ottoman Turks and briefly the Third Reich Cretans who are fierce lovers of freedom have adapted to living with their conquerors and to the influence of foreign rule on their culture In a dazzling contrast to these three thousand years of domination we see two periods of the island s independence the vibrant apogee of the Minoan civilization and the brief period of autonomy before union with Greece at the beginning of the twentieth century To guide us through this spectacular history Chris Moorey who has lived in Crete for over twenty years provides an engaging and lively account of the island spanning from the Stone Age to the present day A History of Crete steps in to fill a gap in scholarship on this fascinating island providing the first complete history of Crete to be published for over twenty years and the first ever that is written with a wide readership in mind **To Follow You, Light of Life** Bruno
