Church Usher's Manual Clyde Jackson, 2016-12-20 Church Usher's Manual A Systematic Approach to Church Ushering by Clyde Jackson Church Usher's Manual A Systematic Approach to Church Ushering has prayerfully been written for the specific purpose of giving a clear insight into how to

effectively serve as a church usher Please be advised that nothing in this book takes the place of any instructions your pastor might have given you related to ushering in your church As you study this book you will learn that at no time should a parishioner walk the aisle looking for seats Assign them immediately Ushers should be alert at all times This book if necessary can be used in conjunction with any other church ushering materials *Ushering with a Mission* VICTOR L. DAVIS, 2012-10 As we enter our church the first person we often see is the usher While many may look at the position of usher as simply a social one it can be so much more In *Ushering with a Mission* author Victor L Davis presents the first comprehensive guide specifically addressed to the needs of the usher The traditional approach to ushering focused on the task of meeting seating and greeting worshippers The typical training manual addressed techniques ushers should use in carrying out those duties Davis's *Ushering with a Mission* goes a step further and emphasizes the importance of disciplining the individual usher Ushering is viewed as a ministry rather than a committee or board activity The ministry of ushering is approached from a Christ centered biblical perspective Ushering is not something we simply do because It's our Sunday to usher We do it because it is a lifestyle resulting from the overflow of the Spirit filled life *Ushering with a Mission* stresses the importance of Bible study prayer and personal evangelism with nonbelievers Ushers will find fellowship with other believers in the Body of Christ as they explore ways to fulfill the great commission and commandment of our Lord and Savior Jesus Christ
