Utopia: A Way of Life Hrabia Rudy Sikora, 2007-09      The Devil Has a Problem Rudy Sikora, 2014-10-30 This novel will continue to advocate the personal supreme spirit of evil He is not the author of evil He is the demon wicked and energetic reckless or dashing spirit He is the devil In Germany the poet Goethe named him Mephistopheles As a spirit he was kicked out of heaven for insisting that he should help God to administer the universe This is your text you will find all atrocities sharing among humans beasts foliage and bacteria In this novel I am changing the devils spiritual name to Fallengeist alone This means that he is a fallen spirit and he did it all alone People like this type of living because they can lie about their own existence Do women lie more than men If you are a child answer it please      **Religious Poems in English and Spanish** Rudy Sikora, 2012-12-17 This book is describing certain religious poems and transcribed into the Spanish Language This is not a true translation but gives the reader an understanding of the subject spoken The theme of the poems is an interpretation of religious life as it was lived by Jesus Christ Jesus philosophy was to teach humanity in good living standards Evil is the negative living standard which cannot be shaken away from them By believing Christ teaching makes it possible to enter the heavenly abode      A Voice in the Night Rudy Sikora, 2012-07-27 This is a story about romance at different levels at different times and with different people making life the essence of good and evil They are not aware of what they are doing because romance takes up all the time in loves expectations The young are eager to experience love which has two different connotations When you view Agape Love on the one hand and Erotic Love on the other you will notice a difference Here we will examine the very essence of love and try to give an explanation of what love does when two people are truly in love There is also a court case included that involves lesbians Mac Dominick is suing Mystique Kalama for trying to take his wife Hachita and destroying his marriage Ms Kalama claims a love affair with Hachita It should not be viewed as a secret Love is connected with time and time has its limitations in human life However there is also tantric that is discussed and used to help you in the understanding of getting on the same wavelength The characters are using tantric love to get closer together and experience the difference of origin for man and women You will be exposed to a brilliant conversation to their states of mind their grudges resentments frustrations hopes and ambitions All this will end when they recognize that life is change and when it stops it ends      *My Mind in Motion* Rudy Sikora, 2014-04-02 The purpose of this book is to bring your conscious mind a Revelation The Truth is that you are the Spirit that inhabits your form My story will acquaint you with Agape love exploits in a life of young and intelligent people They each have a mission and an agenda to live their lifestyle To make it explicitly different the woman subject is a witch and the male is by the Holy Spirit protected A county is in need to expending their infrastructure A large acquisition of Office space and facilities is contracted out to provide municipal buildings and entrance roads An embezzlement episode is part of the contractual agenda This will make the county more suitable to provide services to the people      American Book Publishing Record ,2003      The Publishers Weekly ,1997      **Utopia**

Barbara Zimmer Bovard, 2000-02 This story will bring joy to everyone who reads it It will also bring tears to many tears of love instead of tears of pain If you re a loving parent especially with small children this book will delight you and your children will be thrilled When two young children asked their mother for permission to go out and play on a nearby field no one could even imagine the fantastic adventure that they encountered an adventure which ultimately brought huge changes to the population structure economy and way of life of Peaceville This is not a story about an ordinary clock It s a story about a very unique and mysterious clock which served a much greater purpose than just to tell time It controlled an entire civilization The story contains heart warming kindness coming from everyone There is absolutely no malice or evil other than the forces of nature Everyone did what was best to do and pitched in whenever possible No one was disrespected even small children were allowed to voice their ideas and opinions People risked their lives to help those who they thought were mean to them Everyone in Peaceville lived in harmony with everyone else regardless of anything If this story changes the life of only one person for the better even for a brief moment then it was worth writing this book
