Confident by Choice Juan Bendaña, 2025-08-05 Build unshakable confidence break through fear and live an inspired life with a practical research backed framework that transforms small steps into big changes. This book flips the script on confidence. *Confident by Choice* is a call to stop waiting and start showing up even when you're not ready. Ben Nemtin, 1 New York Times bestselling author of *What Do You Want to Do Before You Die*. What if you could summon genuine confidence anytime you need it? Being happier, building better relationships, overcoming fear, the missing link between you and everything you want to achieve is self-confidence. The problem? Confidence is hard to build and even when we do it often feels temporary and forced. After years of research and working with over 250,000 individuals, Juan Bendaña uncovered the four myths about confidence that actually cause and reinforce self-doubt. Confidence is not linked to genetics, extraversion, insecurities, or competence. To combat these myths, Juan Bendaña developed the Confidence Cycle, a repeatable flywheel that will help you gain and sustain confidence in every aspect of life through three key decisions: Decision 1: Micro Energy. Direct excitement toward the area of improvement. Decision 2: Micro Courage. Find the bravery to move through discomfort. Decision 3: Micro Action. Complete a small action. RESULT: Micro Proof. Boost of Confidence. Receive evidence that you are headed in the right direction which gives you more confidence, thus continuing the cycle. This actionable and hands-on guide will jumpstart your confidence and help you build lasting courage to be your best self and face life's inevitable challenges. *The Beauty Of Closed Doors* Dunamis Duplessis, 2025-08-24 The Beauty of Closed Doors is a powerful and deeply personal exploration of how life's rejections can become divine redirections. From a broken marriage that turned into a turning point to career setbacks that sparked unexpected growth, author and Pastor Dunamis Duplessis shares his journey through life's shut doors and how each one ultimately led to purpose, clarity, and unapologetic transformation. Drawing from his experience in ministry and his evolution beyond the pulpit, Duplessis invites readers to shift their perspective. What if the "no" you're facing is actually the greatest "yes" waiting to unfold? Inspired by a viral TikTok moment and anchored by the timeless wisdom of Bruce Lee's call to be like water, this book challenges readers to stop chasing every open door and instead honor the lessons found in stillness, resistance, and reroutes. Using vivid metaphors such as a capped soda bottle ready to release its potential, Duplessis illustrates the untapped power we hold when we embrace the discomfort of delay. Each chapter offers practical steps to reframe disappointment, develop resilience, and move forward with renewed intention. With a blend of storytelling, spiritual insight, and personal reflection, *The Beauty of Closed Doors* is a guide for anyone who's ever felt overlooked, stuck, or uncertain about what's next. This isn't a book about giving up; it's a blueprint for growing up into your purpose, your strength, and your next chapter. Because sometimes the blessing isn't in the door that opens but in the one that closes. **American**
