The Meaning of Mary Magdalene Cynthia Bourgeault,2010-09-14 The author of *The Wisdom Jesus* takes readers on a journey to discover the real Mary Magdalene and finds a powerful ancient model for 21st century spirituality Mary Magdalene is one of the most influential symbols in the history of Christianity yet if you look in the Bible you ll find only a handful of verses that speak of her How did she become such a compelling saint in the face of such paltry evidence In her effort to answer that question Cynthia Bourgeault examines the Bible church tradition art legend and newly discovered texts to see what s there She then applies her own reasoning and intuition informed by the wisdom of the ages old Christian contemplative tradition What emerges is a radical view of Mary Magdalene as Jesus s most important disciple the one he considered to understand his teaching best That teaching was characterized by a nondualistic approach to the world and by a deep understanding of the value of the feminine Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity how Christians and others can through her find their way to Jesus s original teachings and apply them to their modern lives

The Gospel of Mary Magdalene Jean-Yves Leloup,2002-02-01 Restores to the forefront of the Christian tradition the importance of the divine feminine The first complete English language translation of the original Coptic Gospel of Mary with line by line commentary Reveals the eminence of the divine feminine in Christian thought Offers a new perspective on the life of one of the most controversial figures in the Western spiritual tradition Perhaps no figure in biblical scholarship has been the subject of more controversy and debate than Mary Magdalene Also known as Miriam of Magdala Mary Magdalene was considered by the apostle John to

be the founder of Christianity because she was the first witness to the Resurrection In most theological studies she has been depicted as a reformed prostitute the redeemed sinner who exemplifies Christ's mercy Today's reader can ponder her role in the gospels of Philip Thomas Peter and Bartholomew the collection of what have come to be known as the Gnostic gospels rejected by the early Christian church Mary's own gospel is among these but until now it has remained unknown to the public at large Orthodox theologian Jean Yves Leloup's translation of the Gospel of Mary from the Coptic and his thorough and profound commentary on this text are presented here for the first time in English The gospel text and the spiritual exegesis of Leloup together reveal unique teachings that emphasize the eminence of the divine feminine and an abiding love of nature over the dualistic and ascetic interpretations of Christianity presented elsewhere What emerges from this important source text and commentary is a renewal of the sacred feminine in the Western spiritual tradition and a new vision for Christian thought and faith throughout the world

Women's Walk Winifred Irene Paul, 1999 *St. Mary Magdalene* Tau Malachi, 2012-02-08 A gnostic biography that brings to light the importance and spirituality of the Christian saint Mary of Magdala In the Gospels of the Bible there are a few comments about Mary Magdalene here and there But in the Gnostic scriptures that have been discovered there are tantalizing hints that both her relationship to Jesus and her role among Jesus' disciples may have been profoundly important Among several schools of Gnostic Christianity Mary plays an essential role in the revelation of the gospel Here for the first time in print is a Sophian Gospel of St Mary Magdalene No secret oral tradition as extensive as this has ever been recorded and none has ever presented a Gnostic view of Mary Magdalene as she is portrayed in this groundbreaking work as a powerful holy woman the innermost disciple and beloved wife of Jesus and a Christed woman who is coequal with Jesus in the Christ revelation

Mary Magdalene Revealed Meggan Watterson, 2019-07-09 WALL STREET JOURNAL BESTSELLER The Gospel of Mary Magdalene reveals a very different love story from the one we've come to refer to as Christianity Harvard trained theologian Meggan Watterson leads us verse by verse through Mary's gospel to illuminate the powerful teachings it contains A gospel as ancient and authentic as any of the gospels that the Christian bible contains was buried deep in the Egyptian desert after an edict was sent out in the 4th century to have all copies of it destroyed Fortunately some rebel monks were wise enough to refuse and thanks to their disobedience and spiritual bravery we have several manuscripts of the only gospel that was written in the name of a woman The Gospel of Mary Magdalene Mary's gospel reveals a radical love that sits at the heart of the Christian story Her gospel says that we are not sinful we are not to feel ashamed or unworthy for being human In fact our purpose is to be fully human to be a true human being that is a person who has remembered that yes we are a messy limited ego and we are also a limitless soul And all we need to do is to turn inward again and again to meditate like Mary Magdalene in the way her gospel directs us so that we can see past the ego of our own little lives to what's more real and lasting and infinite and already here within With searing clarity Watterson explains how and why Mary Magdalene came to be portrayed as the penitent prostitute

and relates a more historically and theologically accurate depiction of who Mary was within the early Christ movement And she shares how this discovery of Mary s gospel has allowed her to practice and to experience a love that never ends a love that transforms everything

Saint Mary Magdalene Fr. Sean Davidson,2017-02-02 Adoration is love and eucharistic adoration is love of Christ present in the Blessed Sacrament In the Gospels there are few people who understand love for Jesus as well as Mary Magdalene which is the reason she is a prophetess of eucharistic love This work is an extended meditation on the life of Saint Mary Magdalene known as the Apostle to the Apostles because the Risen Christ appeared to her first and then sent her to announce the Resurrection to the apostles Based on the biblical texts traditionally associated with Mary Magdalene this book helps readers to learn from her inspiring example and to enter more deeply into adoration of Jesus Christ truly present in the Blessed Sacrament In telling the story of Mary Magdalene s profound conversion after a life so steeped in sin that the Lord had to expel seven demons from her soul this book shows how she is a shining witness to the transforming power of an encounter with Jesus Christ Mary Magdalene is the perfect model for those who have experienced the redeeming love of Christ and who seek to deepen their devotion to him and to the Eucharist

Emmanuel Javert Nnadozie OCD, 2024-09-19 This book focuses particularly on the self reflexive elements of the divine and human transformation in the Christian life which we find in St Therese especially her ability to wonder and question herself about the mysteries of God as they relate to her spiritual life and growth It studies Therese s spirit of critical listening and profound spiritual reflection on the things of her experience and explores her self reflective and interrogative self understanding of her call to sanctity of life The author also discusses how the Saint appropriated God s Word and God s grace hidden in the events of her life The book shows how through self reflexivity and meditation on God s Word she discovered her vocation as love in the heart of the Church following which she desired to sing of the mercies of the Lord with her whole life by loving God and neighbor in ordinary things in an extraordinary way and by leading a legion of souls through this Little Way of love which has a general or universal application to all who desire to attain perfection by a straight and short route While it is recognized that God s grace works in individuals according to their personal vocations the author believes that spiritual self reflexivity helps the faithful to integrate meaningfully like St Therese the general principles of the spiritual life and the example of the Saints into each individual s spiritual life in the events of daily life irrespective of their individual vocations And this is why the Little Way as a spiritual path can be lived by all who commit themselves to following the example found in St Therese s simple humble and confident way of spiritual childhood and of loving God and neighbor in the ordinary life and events of every day with reflexivity in love as the key [Earth Transformed with Music!
