Respecting Congregations Clyde Ervine, 2025-05-22 Across North America congregations and their leaders are experiencing unprecedented anxiety Despite the many organizational and growth strategies offered to congregational leaders over the last five decades few congregations are growing and most are coping with numerical decline With fewer people attending worship and fewer students offering themselves for ordination at least in mainline denominations many Christians worry that the church across the continent is in the process of dying While Ervine's book may not offer swift solutions it does offer hope Fearful congregations and their leaders are invited to set the search for quick fix solutions aside and instead take the time to discover and then respect the identity purpose and ministry priorities that the New Testament provides to congregations This book is written in the conviction that clarity about their in Christ identity their purpose in God's ongoing mission and what is essential to their ministry will give congregations new confidence to offer Christian witness rooted in biblical teaching while respecting twenty first century cultural realities

Reckoning Methodism Darryl W. Stephens, 2024-03-29 Reckoning Methodism addresses the brokenness of The United Methodist Church UMC in the United States Homosexuality is but one of several fault lines with decades long histories in this predominantly White denomination Demographic shifts racism and imperialism are heavily implicated in the current state of division What then is the true nature and mission of this church The UMC is the public church divided Distinct missional theologies arise from competing commitments and priorities When Methodist programmatic initiatives such as vital congregations environmental witness and volunteers in mission fail to account for these differences denominational unity is weakened Constructively this book seeks historical clarity collective repentance charismatic learning and institutional courage as United Methodists reckon with inherited animosities and divisions This book provides no answers or programmatic fixes Rather it provides possibilities for repairing past harms as United Methodists seek ways to continue living out their Wesleyan faith Reckoning with the public church divided we glimpse the nature and mission of the church not only as it has been but also as it could be Podcast interview with GCAH

Pappas,2005-03-30 Tony Pappas presents a view on stress as the result of conflict between expectation and experience He explores the creative possibilities for transformation inherent in the clergy stressors in the intrapersonal interpersonal role

image congregational and environmental areas Discover the Forces Sources Recourses and Resources within stress and receive ample help with Framing Naming and Taming your stress in this new Perspective Must reading for seminarians and clergy will also be helpful for judicatory executives in counseling their pastors **Born of Water, Born of Spirit** Sheryl A. Kujawa-Holbrook,2010-04-07 What does the church look like if we take the ministry of the baptized the priesthood of all believers seriously How are congregations transformed when the church supports and affirms the ministry of all the baptized particularly in small congregations without the means to hire a seminary trained pastor And what ecclesial structures and educational models need to emerge in the next decades to assist these small congregations in the recovery of baptismal living and their own vitality Sheryl Kujawa Holbrook and Fredrica Harris Thompsett explore these questions as well as the variety of ways people in small congregations many with no more than fifty members are living out their baptism and the impact their actions are having on their congregations judicatories and communities and the institutions that educate clergy The authors argue that just because a community cannot pay a seminary trained minister a growing problem in remote regions it does not mean that there is no ministry there It does mean that we need to look at ministry and the church in a more expansive way The stories of the congregations revealed in this book serve to inspire us about what is possible when we live intentionally as the reconciling presence of the body of Christ in the world They also educate us about what will be needed in the years to come to lift up still more small congregations for their work in the larger community The Scattering Dwight Lee DuBois,2015-11-05 Imagine being able to connect everything you do in life with God s dream of shalom Imagine all God s people seeing their family responsibilities work and community involvement as ministry Imagine congregations that equip and empower people for ministry not just in the church but in all they do Imagine leaders and members finding a renewed sense of joy purpose and vitality as they give themselves away for the sake of the Gospel Dwight DuBois not only imagines these life giving outcomes in fresh and powerful ways he shows readers how to create an environment that equips everyday saints to connect their faith with all of life Based on the real life struggles of pastors and members The Scattering lays bare our preoccupation with the health of the institution and offers powerful new language for the church as being both gathered and scattered This language breaks down unhelpful stereotypes and provides readers with hopeful and rewarding ways to interpret who we are and what we do as the church of Jesus Christ embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% Wind and Whirlwind David Moffett-Moore,2013-02-13 It will come as no surprise to pastors and their families that the vocation of a minister involves stress In fact it involves a great deal of stress Unfortunately when many pastors encounter stress they tend to hunker down in the hopes of just surviving All too frequently the stressful situations that have not been dealt with continue to build up and the result is fatigue and burnout In Wind and Whirlwind Dr David Moffett Moore presents a better way He has survived the whirlwind in his own ministry and more

importantly with the help of many others he has learned to turn the stress into an opportunity for growth both for himself and for the congregations he serves In a series of 16 short chapters he will help you identify the sources of stress discover ways to manage it spiritually and emotionally and point you to spiritual disciplines and practices that will help make you a better person and bring success to your ministry While the chapters are short they do not present easy trite answers to complex problems Rather they will help you strengthen yourself so you can discern the way God is working in your life and ministry Each chapter presents topics for meditation and questions for discussion It is designed to be used by clergy peer groups

Reconstructing Church Todd Grant Yonkman, 2014-08-06 The general decline of American mainline Protestant churches today is well documented Church redevelopment imagining and actualizing new life for dying churches is a productive and vital response to congregational decline but it can be daunting Here is guidebook for church leaders to help them reinvigorate their churches with both practical advice and tested theory A comprehensive case study of Beneficent Congregational Church which successfully turned the tide and quadrupled its worship attendance provides inspiration as well as concrete strategies for church redevelopment The study indicates that successful and faithful church redevelopment involves a shift from a modern patronage ministry model to a postmodern plural ministry model Building on current church redevelopment literature by bringing selected Biblical and theological texts into conversation with leadership concepts systems theory social sciences and congregational studies this book creates a multidisciplinary transformative conversation The result is both strategic proposals for growing your church and a model for doing practical theology in your own ministry context Dedicated trained leadership in cooperation with the power of the Spirit can create the possibility of new life in dying congregations

Useful Wisdom Anthony B. Robinson, 2020-03-18 We've got a list of questions issues stuff we're dealing with We want your input your thoughts on this stuff Such were the origins of this little book Two young clergy early in their first call imagined that I might have some useful wisdom to pass on based on my own years in ministry Something like this was once standard preparation Young people learned a profession like law ministry or medicine by apprenticing themselves to one seasoned in the practice Not only has that way of learning largely vanished but we now live in times of increasing segregation and suspicion between different generations Still these two millennials bucked the trends They thought they might have something to learn from an old boomer The result is this collection of letters personal wry direct and honest Full of both hope and realism about the church and ministry This collection will be a welcome companion for young and for many not so young clergy trying to get a handle on ministry in the midst of a time that is full of change and challenge

Lost in the Middle? Wesley J. Wildman, Stephen Chapin Garner, 2009-11-24 There exists a deep and broad population of Christians who feel the labels of liberal and evangelical both describe their faith and limit their expression of it By working to reclaim the traditional historical meanings of these terms and showing how they complement rather than oppose each other Wesley Wildman and Stephen Chapin Garner stake a claim for the moderate Christian voice in today's polarized society Lost in the

Middle guides readers through a process of diagnosis and articulation offering complementary perspectives on the phenomenon problem and promise of Christians with both liberal and evangelical instincts The authors show how individuals and institutions alike can reclaim and celebrate the highest virtues of both liberal and evangelical Christianity and how doing so can lead to the creation of authentic and vibrant communities of faith Pastors congregational leaders seminarians and all thoughtful Christians will learn how truly moderate Christianity can unite the compassionate openness and social activism of liberal Christianity with the magnetism and spiritual fervor of evangelical Christianity You may feel lost in the middle but you are not alone there The middle may be the place where you find yourself living most authentically

All for God's Glory Louis B. Weeks, 2008-12-08 Nobody likes scutwork the unwanted dregs of the working day Pastors are no exception to this often dreading the endless e mails and phone calls having no heart for putting together one more bulletin or attending one more meeting all of which feels like so much distraction from the true pastoral work to which they have been called Louis Weeks challenges that paradigm and lifts up scutwork as an integral part of pastoral care and leadership How can we administer congregations in ways most likely to increase the measure of pastoral care How can our service in menial and glorious work alike build up the Body of Christ How can all the work and worship in this congregation help God's work in the world Preparation organization and other administrative duties are crucial for effective programs and mission in a congregation as elsewhere in society Preaching teaching and pastoral care three indispensable parts of congregational life all depend upon competent congregational administration It is through focused attention to the details of scutwork that pastors are able to build solid relationships within the congregation and without the trust that comes from these relationships no true pastoral care and leadership is possible All for God's Glory explores ways in which churches are engaged and can engage in practices of administration that deepen care and build a healthy congregational community

Speaking Church I. Ross Bartlett, 2019-01-03 Language is the gift by which we shape our understanding and tell our story But if we cannot see ourselves and our context in our language our lives can be confused and our witness weakened through a kind of cognitive dissonance created when the only vocabulary available to us fails to match our lived situation Urban and suburban congregations live this disconnect when the language and imagery often employed in hymns prayers imagery and liturgies

reflect a rural ideal far from the experience of believers The irony is revealed when we recognize that the Bible is a book deeply and profoundly urban in nature Christianity s earliest history gives both authorization and resources for helping urban and suburban congregations find their unique voice **Creating the Future Together** Loren B. Mead,Billie T.
