## **Transnational Yearnings Transnational Yearnings:**

*Transnational Yearnings* Jenny Burman, 2011-01-01 The global pathways that connect cities and nations are congested with people money and cultural transmissions Transnational Yearnings is about the migrations and uneven exchanges that bind postcolonial Jamaica to the diasporic city It is about the desires intimacies and power relations that at once inform and reflect transnational migration and the diasporization of urban space This innovative and provocative book maps out a new way to look at contemporary contact zones and global interconnections as it traces circuits of migration and leisure travel between the Caribbean and Toronto a city that has become for Jamaican Canadians both a place of promise and cultural vitality and a site of criminalization and exclusion through deportation Transnational Yearnings is an important addition to recent scholarship on Caribbean transnationalism and Canadian Caribbean relations one that paints a fuller portrait of Jamaican immigrants than we often see

**Moving Islands** Diana Looser, 2021-09-30 Moving Islands reveals the international and intercultural connections within contemporary performance from Oceania focusing on theater performance art art installations dance film and activist performance in sites throughout Oceania and in Australia Asia North America and Europe Diana Looser's study moves beyond a predictable country specific or island specific focus to encompass an entire region defined by diversity and global exchange showing how performance operates to frame social artistic and political relationships across widely dispersed locations The study also demonstrates how Oceanian performance contributes to international debates about diaspora indigeneity urbanization and environmental sustainability The author considers the region's unique cultural and geographic dynamics as she brings forth the paradigm of transpacific to suggest a way of understanding these intercultural exchanges and connections with the aim to rework the cartographic and disciplinary priorities of transpacific studies to privilege the activities of Islander peoples

*Critical Perspectives on Afro-Latin American Literature* Antonio D. Tillis, 2012-04-23 After generations of being rendered virtually invisible by the US academy in critical anthologies and literary histories writing by Latin Americans of African ancestry has become represented by a booming corpus of intellectual and critical investigation This volume aims to provide an introduction to the literary worlds and perceptions of national culture and identity of authors from Spanish America Brazil and uniquely Equatorial Guinea thus contextually connecting Africa to the history of Spanish colonization The importance of Latin America literature to the discipline of African Diaspora studies is immeasurable and this edited collection provides a ripe cultural context for critical comparative analysis among the vast geographies that encompass African and African Diaspora studies Scholars in the area of African Diaspora Studies Black Studies Latin American Studies and American literature will be able to utilize the eleven essays in this edition to enhance classroom instruction and further academic research

**Immigrants in Prairie Cities** Royden Loewen, Gerald Friesen, 2009-11-30 Over the course of the twentieth century sequential waves of immigrants from Europe Asia Latin America and Africa settled in the cities of the Canadian Prairies In Immigrants in Prairie Cities Royden

Loewen and Gerald Friesen analyze the processes of cultural interaction and adaptation that unfolded in these urban centres and describe how this model of diversity has changed over time The authors argue that intimate Prairie cities fostered a form of social diversity characterized by vibrant ethnic networks continuously evolving ethnic identities and boundary zones that facilitated intercultural contact and hybridity Impressive in scope Immigrants in Prairie Cities spans the entire twentieth century and encompasses personal testimonies government perspectives and even fictional narratives This engaging work will appeal to both historians of the Canadian Prairies and those with a general interest in migration cross cultural exchange and urban history     **Abstracts of the Annual Meeting** American Anthropological Association, 2007     **Praxis** , 2012
